## JULY

### Patient organisation scholarships

#### **National Organization for Rare Disorders**

These support patient organisations in sending a representative to attend the National Organization for Rare Disorders' annual summit.

Scholarships include a registration

waiver, accommodation and travel expenses reimbursed up to USD 500.

**Closing date: 13 Jul 19 (Forecast)**

[Link to \\*Research Professional](#)

### Albert Renold travel fellowships

#### **European Association for the Study of Diabetes**

These enable scientists and clinicians to travel and stay at other institutions in order to learn specific scientific techniques or clinical skills required for the advancement of their diabetes research project that are not available at their home

institution. Awards are worth up to €8,000 each over up to three months.

**Closing date: 15 Jul 19**

[Link to \\*Research Professional](#)

### Conference support grants

#### **International Mathematical Union**

These assist mathematical science-based conference organisers in offering mathematicians from developing countries travel and accommodation support to attend the conference. Grants are worth up

to €4,000 each for travel and accommodation costs.

**Closing date: 15 Jul 19**

[Link to \\*Research Professional](#)

### President's fund

#### **Society for Applied Microbiology**

This assists members presenting at scientific meetings or attend workshops related to their area of work. Grants are worth up to £1,200

each to cover registration, accommodation, reasonable travel and subsistence costs.

**Closing date: 15 Jul 19**

[Link to \\*Research Professional](#)

## Travel research in equity collections

### **Smithsonian Institution**

This enables scholars to complete small projects using equity-related collections at the Smithsonian's National Museum of American History. Four grants, worth USD

1,500 each, are available for 10 days in residence.

**Closing date: 15 Jul 19**

[Link to \\*Research Professional](#)

## Innovating education in Africa EXPO – meeting continental targets for inclusive, quality and transformative education and training in the 21st century – travel grants

### **African Union**

These grants support participation in the event, to be held in September 2018 in Dakar, Senegal, which focuses on meeting continental targets for inclusive, quality and

transformative education and training in the 21st century. \*\*\*

**Closing date: 15 Jul 19**

[Link to \\*Research Professional](#)

## Individual research travel support

### **International Mathematical Union**

This enables travel to other institutions for research purposes. Funding is worth between €1,500 and €2,500 for a minimum stay of one month.

**Closing date: 15 Jul 19**

[Link to \\*Research Professional](#)

## EnerTracks fellowship programme

### **Agora Energiewende**

This supports a group of fellows in travelling to the Agora Energiewende office in Berlin to learn directly from energy experts

how to tackle climate change and the energy transformation globally. Fellowships cover travel and accommodation costs and include a

daily stipend for food and available office space.

**Closing date: 15 Jul 19**

[Link to \\*Research Professional](#)

## Student travel awards

### **Association of Field Ornithologists**

This supports attendance at the association's annual meeting to present an oral paper or poster. Awards may cover part or all costs.

**Closing date: 15 Jul 19**

[Link to \\*Research Professional](#)

## Travel grants for preceptorship on brain tumours

### **European Society for Medical Oncology**

This enables oncologists to attend the course on preceptorship on brain tumours in Lugano, Switzerland from 11 to 12 October. Grants cover course registration,

hotel accommodation and travel worth up to €400.

**Closing date: 15 Jul 19**

[Link to \\*Research Professional](#)

## International scholarship fund – international conference on new concepts in lymphoid malignancies

### **European School of Haematology**

This enables early career biologists and clinicians to attend the conference on new concepts in lymphoid malignancies, held in Estoril, Portugal from 3 to 5 October 2019. The scholarship covers the

registration fee and provides a travel grant worth €500.

**Closing date: 15 Jul 19**

[Link to \\*Research Professional](#)

## International scholarship fund – international conference on immune and cellular therapies

### **European School of Haematology**

This enables haematologists and early-career biologists and clinicians to attend the conference on immune and cellular therapies held in Mandelieu, France from 20 to 22

September 2019. The scholarship covers conference registration fees and materials as well as a travel grant worth up to €500.

**Closing date: 15 Jul 19**

[Link to \\*Research Professional](#)

## Student research colloquium funding

### **American Society for Legal History**

This supports PhD and law students in attending a student research colloquium in Boston, US in November 2019. Eight students will receive at least partial, and in most cases, total reimbursement for

travel, accommodation and registration costs.

**Closing date: 15 Jul 19**

[Link to \\*Research Professional](#)

## Helen Krich Chinoy dissertation fellowships

### **American Society for Theatre Research**

These assist PhD candidates with the expenses of travel to national and international collections to conduct research projects connected with their dissertations. The total award

amount of USD 3,000 is typically divided into three equal awards.

**Closing date: 16 Jul 19**

[Link to \\*Research Professional](#)

## Thomas Marshall graduate student awards

### **American Society for Theatre Research**

These encourage students to become active members of the society by helping them to meet the expenses of attending the society's annual

meeting. Three awards, worth USD 800 each, are available.

**Closing date: 16 Jul 19**

[Link to \\*Research Professional](#)

## David Keller travel grants

### **American Society for Theatre Research**

These encourage untenured scholars with terminal degrees to become active members of the society by helping them to meet the expenses of attending the society's annual

meeting. Three grants, worth USD 800 each, are available.

**Closing date: 16 Jul 19**

[Link to \\*Research Professional](#)

---

## Selma Jeanne Cohen conference presentation award

### **American Society for Theatre Research**

This supports scholars in attending and giving a presentation at the society's annual meeting on the subject of the intersections of

theatre and dance or movement. The award is worth up to USD 1,000.

**Closing date: 16 Jul 19**

[Link to \\*Research Professional](#)

---

## Co-sponsored events awards

### **American Society for Theatre Research**

These support conferences, colloquia, symposia and summits of regional, national or international significance that foster scholarship on theatre and performance, either historical or contemporary, with

respect to the US or abroad. Funding may be worth up to USD 500.

**Closing date: 16 Jul 19**

[Link to \\*Research Professional](#)

---

## Dennis Summerbell lecture award – annual autumn meeting

### **British Society for Developmental Biology**

This enables a junior researcher at either PhD or postdoctoral level to deliver a lecture at the annual autumn meeting, which will take place in September 2018, in Oxford,

UK. The awardee's costs for attending the meeting are met in full.

**Closing date: 16 Jul 19 (Forecast)**

[Link to \\*Research Professional](#)

---

## Joliot-Curie conference bursaries

### **Royal Society of Chemistry**

These support attendance at the Joliot Curie conference. Bursaries are worth up to £800 each.

**Closing date: 16 Jul 19**

[Link to \\*Research Professional](#)

## Chavasse travel award

### **New Zealand Institute of Forestry**

This enables individuals in New Zealand to travel overseas to increase their and the forestry sector's knowledge and experience, or assist an overseas person to travel to and within NZ to make

presentations on forestry topics for NZ audiences. The award is worth up to NZD 3,500.

**Closing date: 17 Jul 19**

[Link to \\*Research Professional](#)

## Travel and conference scholarships in North America

### **Google**

These enable traditionally underrepresented groups in technology and business including African American, black, Hispanic, Latinx, Native American, persons with disabilities, women and veterans to attend conferences in the

tech industry and related fields. Grants are worth up to USD 1,000.

**Closing date: 17 Jul 19 (Forecast)**

[Link to \\*Research Professional](#)

## Venice Art Biennale 2021 presentations

### **Creative New Zealand – Arts Council of New Zealand | Toi Aotearoa**

This supports New Zealand artists in presenting their work at the Venice Art Biennale in 2021. Funding amounts vary.

**Closing date: 19 Jul 19**

[Link to \\*Research Professional](#)

## Du Pré grants

### **Multiple Sclerosis International Federation**

These enable researchers from emerging countries to undertake short visits to multiple sclerosis research centres outside their own country. Grants are worth up to £6,000 each over up to six months.

**Closing date: 21 Jul 19**

[Link to \\*Research Professional](#)

---

## World congress on genetic counselling conference bursaries

### **Wellcome Trust**

These enable individuals to attend a conference exploring the evidence that guides genetic counselling to improve patient care, to be held in October 2019 at the Wellcome Genome Campus, UK. Bursaries

cover up to 50 per cent of the standard registration fee.

**Closing date: 23 Jul 19**

[Link to \\*Research Professional](#)

---

## Diversity graduate travel award

### **Society for Personality and Social Psychology**

This supports participation in the society's annual conference. Several awards are expected, worth USD 500 each.

**Closing date: 23 Jul 19**

[Link to \\*Research Professional](#)

---

## Graduate travel award

### **Society for Personality and Social Psychology**

This supports presentation at the society's annual conference. Multiple awards are anticipated, worth USD 500 each.

**Closing date: 23 Jul 19**

[Link to \\*Research Professional](#)

---

## Teacher and scholar travel award

### **Society for Personality and Social Psychology**

This supports participation at the society's annual meeting. Awards are worth USD 500 each.

**Closing date: 23 Jul 19**

[Link to \\*Research Professional](#)

---

## Travel awards

### **Institution of Engineering and Technology**

These support individuals in presenting a paper at a conference around the world, or by participating in international research visits or projects. A total of

two awards, worth up to £500, are available.

**Closing date: 24 Jul 19**

[Link to \\*Research Professional](#)

---

## Travel awards – institute community support

### **Canadian Institutes of Health Research | Instituts de Recherche en Santé du Canada**

These provide travel support for trainees, early-career investigators and knowledge users to present their own research at national and international meetings and

conferences. Awards are worth between CAD 500 and CAD 2,800.

**Closing date: 24 Jul 19 (Forecast)**

[Link to \\*Research Professional](#)

---

## Visegrad scholarships at the Open Society archives

### **International Visegrad Fund**

These enable research at the Open Society archives in Budapest. Up to 15 scholarships are available, worth €2,000 over two months.

**Closing date: 25 Jul 19**

[Link to \\*Research Professional](#)

---

## Conference scholarships

### **Anglo-Catalan Society**

These enable students interested in Catalan culture to attend the society's annual conference, to be held at the Bangor University in November 2019. A limited number of awards are available, comprising one year's free membership to the

society and contribution towards the cost of conference and travel expenses.

**Closing date: 26 Jul 19**

[Link to \\*Research Professional](#)

---

## Travel grants

### **Champalimaud Foundation**

These enable researchers to attend the Champalimaud research symposium on tissue environment in health and disease, held in Lisbon, Portugal from 8 to 10 October. A

limited number of grants are available.

**Closing date: 26 Jul 19**

[Link to \\*Research Professional](#)

---

## Travel grants

### **Society for the History of Technology**

These support travel to the SHOT annual meeting. Grants are worth up to USD 1,000.

**Closing date: 28 Jul 19**

[Link to \\*Research Professional](#)

---

## ICTP-IAEA workshop on physics and technology of innovative high temperature nuclear energy systems – travel grants

### **Abdus Salam International Centre for Theoretical Physics**

These support selected participants in attending the workshop to be held in October 2019 in Trieste, Italy.

**Closing date: 28 Jul 19**

[Link to \\*Research Professional](#)

---

## Sponsored events grants – independently organised scientific meetings

### **Biochemical Society**

These grants support the organisation of scientific meetings, single lectures or small events. Grants are worth up to £500 each.

**Closing date: 29 Jul 19**

[Link to \\*Research Professional](#)

---

## Postdoctoral researchers' networking tour

### **German Academic Exchange Service (DAAD) | Deutscher Akademischer Austauschdienst**

This enables researchers to gain an insight into German science and the

job market by attending the German science tour to be held in September

2019. The award includes coverage of programme-related costs and a lump sum travel allowance.

**Closing date: 29 Jul 19**

[Link to \\*Research Professional](#)

## Travel scholarships – general

### **British Society for Haematology**

These enable society members to present at international meetings. A total of 12 scholarships, worth up to £1,000 each, are available per year.

**Closing date: 31 Jul 19**

[Link to \\*Research Professional](#)

## Helen Bearpark scholarship

### **Australasian Sleep Association**

This facilitates international travel and exchange to promote the development of skills in sleep research and clinical sleep medicine.

The scholarship is worth up to AUD 7,500.

**Closing date: 31 Jul 19**

[Link to \\*Research Professional](#)

## Early-career scientific development grant

### **European Society for Paediatric Endocrinology**

This supports early-career researchers gathering information and experience on a specific research issue or on a laboratory technique in the field of paediatric

endocrinology. Four grants, worth up to €2,500 each are available.

**Closing date: 31 Jul 19**

[Link to \\*Research Professional](#)

## Overseas fellowships

### **British Association of Plastic, Reconstructive and Aesthetic Surgeons**

These enable overseas plastic surgeons from resource-poor countries to spend time and gain experience in a recognised plastic surgery unit in the UK. Three

fellowships, worth £3,500 each, are available.

**Closing date: 31 Jul 19**

[Link to \\*Research Professional](#)

---

## Student travel awards

### **Australasian Neuroscience Society**

These support students in attending the society's annual meeting, to be held in Adelaide in December 2019. Successful applicants receive a partial contribution towards their travel costs.

**Closing date: 31 Jul 19**

[Link to \\*Research Professional](#)

---

## Research groups

### **Israel Institute of Advanced Studies**

These enable groups of up to eight researchers, plus additional guests, to convene at Israel Institute of Advanced Studies for periods of up to 10 months. Three to four

collaborative groups will be hosted each year.

**Closing date: 31 Jul 19**

[Link to \\*Research Professional](#)

---

## Fall meeting general student travel grant

### **American Geophysical Union**

These support student presenters in attending the fall meeting. Grants are worth up to USD 1,000.

**Closing date: 31 Jul 19**

[Link to \\*Research Professional](#)

---

## Global infectious disease research administration development award for low-and middle-income country institutions (G11 clinical trial not allowed)

### **NIH: National Institute of Allergy and Infectious Diseases**

This aims to provide senior administrators from institutions in low- to middle-income countries with advanced training in the management of National Institute of Health grants. Application budgets

are limited to USD 100,000 in direct costs over a maximum period of 18 months.

**Closing date: 31 Jul 19**

[Link to \\*Research Professional](#)

---

## Helmut-Schmidt-programme – master’s scholarships for public policy and good governance

### **German Academic Exchange Service (DAAD) | Deutscher Akademischer Austauschdienst**

These enable graduates from selected countries in Africa, Central and Latin America, Asia, the Middle East, as well as from the Ukraine to obtain a master’s degree in a good governance-related subject in

Germany. The scholarship is worth €850 per month.

**Closing date: 31 Jul 19**

[Link to \\*Research Professional](#)

## Bursary for non-society meetings

### **British Pharmacological Society**

This supports members of the society who wish to attend non-society meetings. The maximum award per meeting as well as per year is £750 which may be split over more than one meeting.

**Closing date: 31 Jul 19**

[Link to \\*Research Professional](#)

## N Rex Ghormley student travel fellowship

### **American Academy of Optometry**

This encourages optometry students to attend key national meetings and exchange scientific ideas and research for use in an everyday

clinical environment. The fellowship is worth USD 750.

**Closing date: 31 Jul 19**

[Link to \\*Research Professional](#)

## Fall meeting Berkner travel fellowship

### **American Geophysical Union**

This supports Earth and space early career scientists and students in travelling to and presenting research at American Geophysical Union-sponsored or co-sponsored meetings. The fellowship covers the

registration fee, travel, accommodation and daily expenses during the meeting.

**Closing date: 31 Jul 19**

[Link to \\*Research Professional](#)

---

## Travel bursary

### **Chartered Society of Forensic Sciences | Forensic Science Society**

This encourages members to present at relevant events, thus furthering their professional development. The bursary is worth up to £500.

**Closing date: 31 Jul 19**

[Link to \\*Research Professional](#)

---

## Interdisciplinary research workshops

### **POLIN Museum of the History of Polish Jews**

These support three-day workshops related to the history and culture of Polish Jews, including new perspectives on art history, public history, museology and memory studies. Grants are worth up to USD

7,000 to cover accommodation and catering.

**Closing date: 31 Jul 19**

[Link to \\*Research Professional](#)

---

## Environments Journal travel award

### **Multidisciplinary Digital Publishing Institute**

This supports a researcher in attending a conference in environmental science and environmental engineering between

September 2019 and December 2020. The award is worth CHF 500

**Closing date: 31 Jul 19**

[Link to \\*Research Professional](#)

---

## Pharmaceuticals Journal travel awards

### **Multidisciplinary Digital Publishing Institute**

These awards support attendance at the Group of Medicinal Chemists of the Atlantic Arc conference to present research. Two awards are available, worth CHF 400 each. \*\*\*

**Closing date: 31 Jul 19**

[Link to \\*Research Professional](#)

---

## IUNS early career travel bursary for FENS 2019

### **Nutrition Society**

This enables early-career researchers to attend the European

nutrition conference, Federation of European Nutrition Sciences (FENS)

in October 2019 in Dublin, Republic of Ireland. Bursaries are worth up to £300 for applicants based in the UK and the Republic of Ireland, up to £400 for applicants based in continental Europe and up to £600

for applicants based outside continental Europe.

**Closing date: 31 Jul 19**

[Link to \\*Research Professional](#)

## Funding to attend the autumn school

### **European Academy of Neurology**

This supports neurologists in training in attending the European Academy of Neurology autumn school in Loutraki, Greece from 17 to 20 October 2019. Grants cover accommodation, tuition, board and

programme. Travel grants are available for members of low and lower-middle income countries.

**Closing date: 31 Jul 19**

[Link to \\*Research Professional](#)

## Asia Pacific stroke conference travel grants

### **Asia Pacific Stroke Organisation**

These enable researchers to attend a conference on stroke which is due to be held in October 2019, in Manila, Phillipines. A total of 10 grants, worth USD 500 each, are available.

**Closing date: 31 Jul 19**

[Link to \\*Research Professional](#)

## Transnational call on chemoproteomics

### **European Joint Programme on Rare Diseases**

This enables transnational access to chemical proteomics and compound disposition study facilities. Projects are expected to last up to one year.

**Closing date: 31 Jul 19**

[Link to \\*Research Professional](#)

# AUGUST

## Individual research grants

### **American Academy of Religion**

These support research in religion by funding important aspects of research, including travel to archives and libraries and field work. Grants

range from USD 500 to USD 5,000 each.

**Closing date: 01 Aug 19**

[Link to \\*Research Professional](#)

## Award for science diplomacy

### **American Association for the Advancement of Science**

This recognises an individual or a group of individuals working together in the scientific and engineering or foreign affairs communities for their contribution to furthering science diplomacy. The award includes a cash prize of USD

5,000, complimentary registration and travel and hotel expenses to attend the association's annual meeting.

**Closing date: 01 Aug 19**

[Link to \\*Research Professional](#)

## Practical courses

### **European Molecular Biology Organisation**

Funding supports the organisation of courses to promote the transfer of new methods and emerging techniques in life science-related areas, and to enable participating students to implement novel techniques in their home

laboratories. The maximum funding available for practical courses is €30,000.

**Closing date: 01 Aug 19**

[Link to \\*Research Professional](#)

## Workshops

### **European Molecular Biology Organisation**

These enable the organisation of workshops that cover different and

evolving aspects of life-science related subject areas, and bring

scientists together to present their findings. Up to €37,000 is available per workshop, including up to €3,500 towards travel costs.

**Closing date: 01 Aug 19**

[Link to \\*Research Professional](#)

## Henry O Fuchs student award

### **Society of Automotive Engineers International**

This recognises a graduate or recent graduate that is working in the field of fatigue research and applications. The award consists of an

honorarium of USD 100 and travel allowance.

**Closing date: 01 Aug 19**

[Link to \\*Research Professional](#)

## Research visit grants

### **British Society for Neuroendocrinology**

These enable neuroendocrinologists to visit research labs in the UK, Europe or the rest of the world in order to learn a technique or to carry out experiments essential to their project. Up to six grants are

available per year, worth up to £5,000 each.

**Closing date: 01 Aug 19**

[Link to \\*Research Professional](#)

## Development research collaboration grants in Danida priority countries

### **Ministry of Foreign Affairs of Denmark | Udenrigsministeriet**

These support strategic research cooperation projects that generate new knowledge relevant to the needs and strategies of priority countries and to Denmark's development cooperation, as well as strengthening research capacity in

developing countries. Projects may receive up to DKK 12 million each, over five years.

**Closing date: 01 Aug 19 (Forecast)**

[Link to \\*Research Professional](#)

## Samuel Leonard Simpson fellowships in endocrinology

### **Royal College of Physicians**

These enable endocrinologists to learn new techniques and acquire new experiences, ideas and

stimulation through travel and the exchange of ideas. The total budget

is worth up to £8,000, which may be awarded to one or more candidates.

**Closing date: 01 Aug 19**

[Link to \\*Research Professional](#)

## Global exchange lecture courses grants

### **European Molecular Biology Organisation**

These support the organisation of lecture courses in life sciences. Grants are worth up to €37,000.

**Closing date: 01 Aug 19**

[Link to \\*Research Professional](#)

## Tom Bergan and John David Williams memorial awards

### **International Society of Antimicrobial Chemotherapy**

This enables young scientists from low-resource countries to attend the International Congress of Chemotherapy, to be held in November 2019 in Dubai. The grant

includes USD 1,000 and free congress registration.

**Closing date: 01 Aug 19**

[Link to \\*Research Professional](#)

## John David Williams memorial grant

### **International Society of Antimicrobial Chemotherapy**

This enables young scientists from low-resource countries to attend the International Congress of Chemotherapy. The grant includes

USD 1,000 as well as free congress registration.

**Closing date: 01 Aug 19**

[Link to \\*Research Professional](#)

## Sponsored events grants – single lectures and small events

### **Biochemical Society**

These support single lectures or small events such as postgraduate research days. Grants are worth up to £500.

**Closing date: 01 Aug 19**

[Link to \\*Research Professional](#)

## Student conference grant

### **British Society of Soil Science**

This enables early-career members of the society to attend conferences or workshops applicable to their research field. The grant is worth up to £500.

**Closing date: 01 Aug 19**
