John Nolen research fund	64
ICSCC visiting scholars programme.....	64

MARCH

General travel grants

Biochemical Society

These enable members to attend scientific meetings and present cases of high-quality research related to biochemistry. Grants are usually worth between £200 and £500,

although up to £750 may be provided in exceptional cases.

Closing date: 01 Mar 19

[Link to *Research Professional](#)

Jessup and McHenry awards

Academy of Natural Sciences

These support students wishing to conduct studies at the postgraduate, doctoral and postdoctoral level under the supervision or sponsorship of a member of the curatorial staff at the Academy of Natural Sciences. Awards include a

subsistence stipend of USD 375 per week and a round-trip travel up to USD 1,000.

Closing date: 01 Mar 19

[Link to *Research Professional](#)

Proctor medal and Friedenwald award

Association for Research in Vision and Ophthalmology

These awards honour outstanding research in the basic or clinical sciences as applied to ophthalmology. Both awardees will present a lecture at the annual meeting and will receive

complimentary registration, hotel and travel. ***

Closing date: 01 Mar 19 (Forecast)

[Link to *Research Professional](#)

Study visits

Experimental Psychology Society

Funding enables postgraduates and postdoctoral researchers in experimental psychology to visit another institution outside their individual academic base in order to develop their research skills. Grants

are worth up to £3,000 to cover the costs of travel and accommodation. The host institution is reimbursed up to £100.

Closing date: 01 Mar 19

[Link to *Research Professional](#)

Travel grants

Fisheries Society of the British Isles

These enable scientists to present their work at international scientific meetings. The total budget is £20,000. Grants are worth up to £1,000 to cover travel, insurance

and subsistence costs and conference fees.

Closing date: 01 Mar 19

[Link to *Research Professional](#)

Practical courses

European Molecular Biology Organisation

Funding supports the organisation of courses to promote the transfer of new methods and emerging techniques in life science-related areas, and to enable participating students to implement novel techniques in their home

laboratories. The maximum funding available for practical courses is €30,000.

Closing date: 01 Mar 19

[Link to *Research Professional](#)

Workshops

European Molecular Biology Organisation

These enable the organisation of workshops that cover different and evolving aspects of life-science related subject areas, and bring scientists together to present their findings. Up to €37,000 is available

per workshop, including up to €3,500 towards travel costs.

Closing date: 01 Mar 19

[Link to *Research Professional](#)

Research grants

Royal Numismatic Society

These support numismatic research. Grants are usually worth less than £1,000, but larger amounts may be considered.

Closing date: 01 Mar 19

[Link to *Research Professional](#)

Research training fellowships

European Society for Paediatric Infectious Diseases

These fund visits by European Society for Paediatric Infectious Diseases members to other centres to obtain experience or training in techniques or areas not otherwise available to them. Funding covers round-trip travel costs and a

maximum of €6,720 for up to 16 weeks. The host centre is also offered funding to cover the visit.

Closing date: 01 Mar 19

[Link to *Research Professional](#)

Grants

Classical Association

These support classical projects and conferences mainly in the UK. Grants are generally worth up to £2,000, but applications requesting more than £2,000 will also be considered.

Closing date: 01 Mar 19

[Link to *Research Professional](#)

Travel awards for international skills and knowledge exchange

Biochemical Society

These support research capacity building in the field of biochemistry in developing parts of the world. Grants are worth up to £2,000 each.

Closing date: 01 Mar 19

[Link to *Research Professional](#)

Research student conference fund

Institute of Physics

This enables research students to attend international meetings and major national meetings. Applicants may apply for up to £300 during the course of their PhD.

Closing date: 01 Mar 19

[Link to *Research Professional](#)

Travel grants

Microbiology Society

These enable members to present work at scientific or education meetings, or to attend short courses related to microbiology. Grants are

worth up to £750 and may cover half of the eligible costs.

Closing date: 01 Mar 19

[Link to *Research Professional](#)

Kupfer award

Association for Research in Vision and Ophthalmology

This award honours those who have demonstrated distinguished public service with national or global impact, on behalf of eye and vision research. The awardee will receive a plaque and complimentary

registration, hotel and travel to the annual meeting. ***

Closing date: 01 Mar 19 (Forecast)

[Link to *Research Professional](#)

Global exchange lecture courses grants

European Molecular Biology Organisation

These support the organisation of lecture courses in life sciences. Grants are worth up to €37,000.

Closing date: 01 Mar 19

[Link to *Research Professional](#)

Richard Plaschka fellowship postdoc

Austrian Exchange Service

This enables postdoctoral researchers whose main focus is Austrian history to work as visiting researchers and carry out specialist studies in libraries, archives or at research institutions in Austria. Up to seven grants are available, each

worth €1,150 per month for up to 18 months, with the possibility of follow-up support.

Closing date: 01 Mar 19

[Link to *Research Professional](#)

Travel grants

Society for Reproduction and Fertility

These support attendance at conferences and meetings relevant to the fields of reproductive biology and fertility. Awards are worth up to £800.

Closing date: 01 Mar 19

[Link to *Research Professional](#)

Research travel bursaries

Society for the Study of Medieval Languages and Literature

These assist scholars in the field of medieval studies with travel expenses. Bursaries are worth between £300 and £1,000 each.

Closing date: 01 Mar 19

[Link to *Research Professional](#)

Connect Africa scholarships

Africa Health Research Institute

These enable African students and early career researchers to travel within South Africa or to other countries in order to learn new techniques, attend conferences, build new scientific research collaborations and develop global

and intra-Africa partnerships. A total of 18 scholarships, worth up to USD 2,000 each, are available.

Closing date: 01 Mar 19

[Link to *Research Professional](#)

Grant-in-aid – meeting, workshop and short course support

Palaeontological Association

This supports organisation of scientific meetings, workshops and short courses that fall within the association's charitable purpose,

which is to promote research in palaeontology and its allied sciences.

Closing date: 01 Mar 19

[Link to *Research Professional](#)

Travel grants for student affiliate and associate members

Royal Society of Biology

These enable student affiliate and associate members to conducted biology-related projects abroad or travel to overseas conferences. Five grants, worth £500 each, are

Closing date: 01 Mar 19

[Link to *Research Professional](#)

Travel grants for early-career members

Royal Society of Biology

These enable early career members to conducted biology-related projects abroad or travel to overseas conferences where they are presenting a talk or poster. A total of

five grants, worth £500 each, are available.

Closing date: 01 Mar 19

[Link to *Research Professional](#)

Jean A Chalmers fund for the crafts

Canada Council for the Arts | Conseil des Arts du Canada

This enables non-profit Canadian visual arts organisations and fine crafts professionals to undertake projects that contribute to the advancement and understanding of

the fine crafts in Canada. Grants vary between CAD 5,000 and CAD 7,000.

Closing date: 01 Mar 19

[Link to *Research Professional](#)

Small meeting grant

European Society of Endocrinology

This grant supports the organisation of an endocrine-related meeting endorsed by the society, such as a symposium, workshop, conference

or training course. The maximum value of each grant is €2,500. ***

Closing date: 01 Mar 19

[Link to *Research Professional](#)

Lecture courses grants

Federation of European Biochemical Societies

These enable individuals and groups to organise lecture courses, workshops and practical courses in fields relating to biochemistry, biophysics, molecular biology, cell biology and developmental biology.

Grants are worth between €20,000 and €40,000.

Closing date: 01 Mar 19

[Link to *Research Professional](#)

Outstanding student section advisor award

American Society of Mechanical Engineers

This recognises the leadership and service qualities of a student section advisor who has completed at least three academic years as an advisor prior to nomination for the award. The award includes a cash prize of

USD 1,500 and travel expense supplement to attend the award presentation.

Closing date: 01 Mar 19 (Forecast)

[Link to *Research Professional](#)

Training in research methodology grant

American Society of Colon and Rectal Surgeons

This grant supports attendance for either the Association for Academic Surgery career development course or fundamentals of surgical research course. The award, worth up to USD 3,000, is to be used for travel,

accommodation and registration expenses. ***

Closing date: 01 Mar 19

[Link to *Research Professional](#)

Rocky Mountain Division annual meeting travel grants

American Society for Aesthetics

These support travel to the meeting for those with papers accepted for the programme who have no other access to professional travel funds at their teaching institution during the

academic year. Up to USD 1,000 is available.

Closing date: 01 Mar 19 (Forecast)

[Link to *Research Professional](#)

Globus Medical meeting scholarships

Scoliosis Research Society

These support high-ranking awards applicants in attending the international meeting on advanced spine techniques or the society's annual meeting and course.

Closing date: 01 Mar 19

[Link to *Research Professional](#)

Global Outreach programme educational scholarship

Scoliosis Research Society

This supports individuals from a developing nation in attending the international meeting on advanced spine techniques or the society's annual meeting and course. The

scholarship is worth up to USD 2,500.

Closing date: 01 Mar 19

[Link to *Research Professional](#)

Symposium support

Society for the Study of Amphibians and Reptiles

This supports the organisation of a symposium at the annual joint meeting of ichthyologists and herpetologists. Funding is worth up to USD 4,000.

Closing date: 01 Mar 19

[Link to *Research Professional](#)

Nokia visiting professor awards

Nokia Foundation

These enable foreign professors to work in Finland or Finnish professors to work at foreign universities. The minimum period for visits is two months.

Closing date: 02 Mar 19 (Forecast)

[Link to *Research Professional](#)

International travel grants

International Brain Research Organization

These enable neuroscientists, especially those from less well-funded countries, to participate in

international neuroscience meetings. Grants are worth up to €1,800 each.

Closing date: 02 Mar 19 (Forecast)

[Link to *Research Professional](#)

Travel grants

International Federation of Musculoskeletal Research Societies

These support members of societies affiliated with the federation in attending the Herbert Fleisch workshop, to be held in Bruges, Belgium from 17 to 19 March 2019. Grants are worth USD 500 each.

Closing date: 03 Mar 19 (Forecast)

[Link to *Research Professional](#)

Burney Parker research fellowship

Baylor University

This enables a visiting scholar to study Texan history by undertaking research at the Texas Collection. The fellowship is worth up to USD 1,500 to defray travel and research expenses.

Closing date: 05 Mar 19 (Forecast)

[Link to *Research Professional](#)

Hillman research fellowship

Baylor University

This promotes research of Baptist missions and educational institutions in Latin America using collections deposited in the Texas Collection. The fellowship is worth up to USD 1,000 and is to be used to cover travel and research expenses.

More than one fellowship per year may be awarded.

Closing date: 05 Mar 19 (Forecast)

[Link to *Research Professional](#)

Wardlaw fellowship fund for Texas studies

Baylor University

This provides financial support for a visiting scholar or researcher to promote and extend research on the history, culture and literature of Texas. The fellowship is worth up to USD 1,500 and should be used to

cover travel, housing and research expenses. More than one fellowship a year may be awarded.

Closing date: 05 Mar 19 (Forecast)

[Link to *Research Professional](#)

Hans Neurath outstanding promise travel award

Protein Society

This recognises exceptional research results of early-career scientists with promise and provides them with the opportunity to present their research at the annual symposium. The award is worth USD 2,000.

Closing date: 07 Mar 19 (Forecast)

[Link to *Research Professional](#)

Finn Wold and protein science travel awards

Protein Society

These support the participation of young scientists in the society's annual meeting. Awards are worth up to USD 800 each.

Closing date: 07 Mar 19 (Forecast)

[Link to *Research Professional](#)

Keystone symposium global health travel award

Bill and Melinda Gates Foundation

This enables scientists, physicians, fellows or students from countries where the meeting topic health problems are endemic, to attend any of the keystone symposia. The award covers conference-related expenses including meeting registration,

lodging, airfare and ground transportation from host airport to the resort.

Closing date: 08 Mar 19 (Forecast)

[Link to *Research Professional](#)

Disease Models and Mechanisms conference travel grants

Company of Biologists

These enable early-career scientists to attend scientific meetings, conferences, workshops and courses relating to the areas of research covered by the DMM journal. Grants are worth up to £400 each within

the applicant's home country and up to £600 each for meeting overseas.

Closing date: 08 Mar 19

[Link to *Research Professional](#)

Research support fund grants

Edinburgh Mathematical Society

These support a variety of mathematical activities including research visits, conferences and publications, which are of benefit to the broad mathematical community. Grants are worth up to £1,500.

Closing date: 10 Mar 19

[Link to *Research Professional](#)

Ecologists in Africa grants

British Ecological Society

These grants provide support for ecologists in Africa to carry out innovative ecological research. Grants are worth up to £8,000 each

with an additional £2,000 for travel costs. ***

Closing date: 10 Mar 19 (Forecast)

[Link to *Research Professional](#)

Doc.CH in humanities and social sciences

Swiss National Science Foundation

This supports promising researchers who wish to write a dissertation in the humanities and social sciences in Switzerland on a topic of their own choice. Funding covers salary and a contribution towards project costs.

Grants last between two and four years.

Closing date: 10 Mar 19

[Link to *Research Professional](#)

Research and travel grants

Henry Moore Foundation

These support research on the history and interpretation of sculpture. Grants are worth up to £2,500 each to cover research costs,

including travel, photographs and archival access.

Closing date: 11 Mar 19 (Forecast)

[Link to *Research Professional](#)

Lisa Jardine grant scheme

Royal Society

This enables early-career scholars to exploit history of science collections, including the Royal Society's own, in support of their research in the field of intellectual history. Awards are worth up to £6,000.

Closing date: 13 Mar 19

[Link to *Research Professional](#)

Ethicon Foundation Fund travel grants

Royal College of Surgeons of England

These enable fellows and members of the college to travel overseas in order to enhance a specialty skill or gain experience that may not be available in their own country.

Grants are worth up to £1,000 each for visits.

Closing date: 14 Mar 19

[Link to *Research Professional](#)

Planning for non-communicable diseases and disorders research training programmes in low and middle income countries (D71)

NIH: Fogarty International Center

This announcement supports LMIC institutions with existing research and research training capacity in chronic, non-communicable diseases and disorders, and aims to develop a plan for a research training programme within the LMICs that will further strengthen the capacity of LMIC individuals, institutions and countries to identify NCD and

disorders priorities, and conduct research across the lifespan.

Application budgets are worth up to USD 46,000 for a maximum period of one year.

Closing date: 14 Mar 19

[Link to *Research Professional](#)

Distinguished guest scientists fellowships

Hungarian Academy of Sciences | Magyar Tudományos Akadémia

. These fellowships support a foreign researcher in conducting joint research with a group at a

Hungarian university. Grants awarded in 2018 were worth up to

HUF 2.5 million per month for between three and 12 months. ***

Closing date: 14 Mar 19 (Forecast)
[Link to *Research Professional](#)

Grants-in-aid of research

Sigma Xi

These support students performing scientific investigation in any field. Grants are worth up to USD 5,000.

Closing date: 15 Mar 19
[Link to *Research Professional](#)

Institutional grants

Tinker Foundation

These support the creation of effective policy changes to improve the lives of Latin Americans. Funded activities include research projects, and workshops or conferences

related to the foundation's areas of interest.

Closing date: 15 Mar 19 (Forecast)
[Link to *Research Professional](#)

Travelling fellowships

Company of Biologists

These enable early-career scientists to undertake collaborative visits to other laboratories. Fellowships are worth up to £2,500 each and cover

travel, subsistence, accommodation, visa fees and bench fees.

Closing date: 15 Mar 19
[Link to *Research Professional](#)

Research travel grants

Gerald R Ford Presidential Foundation

These support research in the holdings of the Gerald R Ford Library. Grants are worth up to USD 2,200 and should be used to cover

travel and living expenses within North America.

Closing date: 15 Mar 19
[Link to *Research Professional](#)

Travel grants

West African Research Center

These promote intra-African co-operation and exchange among researchers and institutions by providing support to African scholars and graduate students for research visits to other institutions

on the continent. Each grant covers travel costs up to USD 1,500 and a stipend of USD 1,500.

Closing date: 15 Mar 19 (Forecast)

[Link to *Research Professional](#)

Battery division student research award

Electrochemical Society

These recognise promising young engineers and scientists in the field of electrochemical power sources and are intended to encourage the recipients to initiate or continue careers in this field. Each award includes a cash prize of USD 1,000,

and registration and travel expenses of up to USD 1,000 to attend the autumn ECS meeting.

Closing date: 15 Mar 19 (Forecast)

[Link to *Research Professional](#)

Battery division research award

Electrochemical Society

This recognises outstanding contributions to the science and technology of primary and secondary cells and batteries and fuel cells. The award consists of USD 2,000 and membership of the battery division for as long as the winner maintains society

membership. Travel funding may also be granted to assist the recipients in attending the meeting at which the award is presented.

Closing date: 15 Mar 19 (Forecast)

[Link to *Research Professional](#)

Visegrad scholarships at the Open Society archives

International Visegrad Fund

These enable research on the conditions of knowledge production during and after the Cold War at the Open Society archives in Budapest. Up to 15 scholarships are available, worth €2,000 over two months.

Closing date: 15 Mar 19 (Forecast)

[Link to *Research Professional](#)

Master's thesis grants

Zeno Karl Schindler Foundation

These support collaborative inter-university research in the fields of engineering, environmental sciences and medieval studies, including digital humanities. Grants include a monthly stipend worth CHF 1,900 to

cover travel and local living costs, plus limited research expenses for a duration of three to six months.

Closing date: 15 Mar 19 (Forecast)

[Link to *Research Professional](#)

Doctoral exchange grants

Zeno Karl Schindler Foundation

These support collaborative inter-university doctoral research in engineering, environmental sciences, medieval disciplines, including medieval studies, and digital humanities. Grants include CHF 2,500 per month for four to 12

months and travel and research costs.

Closing date: 15 Mar 19

[Link to *Research Professional](#)

Shawky Salem conference grant

International Federation of Library Associations and Institutions

This enables an expert in library and information sciences from the Arab countries to attend the annual conference. The grant is worth up to USD 1,900 to cover the cost of travel to and from the host country to the

conference, registration, hotel costs and a daily allowance.

Closing date: 15 Mar 19 (Forecast)

[Link to *Research Professional](#)

Yukon historic resources fund

Government of Yukon | Gouvernement du Yukon

This supports projects that promote the study and interpretation of Yukon's historic resources and further the promotion, appreciation, preservation and development of

Yukon's heritage. Funding is worth up to CAD 10,000, matching funding up to 50 per cent of project costs.

Closing date: 15 Mar 19 (Forecast)

[Link to *Research Professional](#)

Fizeau programme

Optical Infrared Coordination Network for Astronomy

This enables researchers to visit an institute of their choice within the European Community to perform collaborative work and training on one of the active topics of the European Interferometry Initiative.

Funding covers travel and accommodation. Visits typically last for one month.

Closing date: 15 Mar 19

[Link to *Research Professional](#)

International scientific meeting support award

American Psychological Association

This supports the organisation of scientific meetings that foster the exchange of knowledge among psychologists across the world.

Grants are worth between USD 500 and USD 1,000 each.

Closing date: 15 Mar 19

[Link to *Research Professional](#)

Moody research grant

Lyndon Baines Johnson Library

This supports investigators from anywhere in the world in conducting research at the Lyndon Baines Johnson Library. Grants are worth

between USD 600 and USD 3,000 each.

Closing date: 15 Mar 19

[Link to *Research Professional](#)

Pericles 2020 programme

Directorate-General for Economic and Financial Affairs

This aims to prevent and combat counterfeiting and related fraud by supporting the measures undertaken by the member states and assisting the development of regular cooperation and the

exchange of best practice. The budget is worth €350,000.

Closing date: 17 Mar 19 (Forecast)

[Link to *Research Professional](#)

QUEST travel award

Institution of Civil Engineers

*** This opportunity will be available soon. The next call is expected to open on 10 January and close 18 March 2019. The following information is subject to change. This award enables individuals and teams to travel overseas and

undertake an activity that benefits both their professional development and the surrounding community. The award is worth up to £6,000. ***

Closing date: 18 Mar 19 (Forecast)

[Link to *Research Professional](#)

VdGM fund bursaries

Society for Academic Primary Care

These enable junior general practitioners and family physicians to attend the World Organization of Family Doctors Europe conference, to be held in Krakow, Poland, in May 2018. Two VdGM fund bursaries worth €750 each and 10 host

organising committee bursaries worth €500 each are available.

Closing date: 18 Mar 19 (Forecast)

[Link to *Research Professional](#)

Bursaries

World Radiography Educational Trust Fund

These enable candidates from developing countries to attend a relevant conference, visit a training centre, hospital or other institution, or to attend a workshop in order to enhance their knowledge of radiography and radiation therapy, and bring back better patient care to

hospitals and institutions in their home countries. A total of four bursaries, worth up to £500 each, are available each year.

Closing date: 20 Mar 19

[Link to *Research Professional](#)

Linnaeus-Palme exchange programme

The Swedish Council for Higher Education | Universitets- och Högskolerådet

This aims to stimulate co-operation between HEIs in Sweden and in low-

and middle-income countries in order to strengthen the

internationalisation of Swedish HEIs. A two-department project may be funded for up to eight years.

Closing date: 21 Mar 19 (Forecast)
[Link to *Research Professional](#)

Early-career academic grants

Association of Commonwealth Universities

These offer early-career academics the opportunity to attend a conference or academic meeting in another country than their country of employment. A total of 30 grants,

worth up to £2,000 each, are available.

Closing date: 21 Mar 19 (Forecast)
[Link to *Research Professional](#)

International travel grants

Association of Anaesthetists of Great Britain and Ireland

These enable individuals to undertake short visits, usually of less than one month. Grants are worth up to £1,000.

Closing date: 22 Mar 19
[Link to *Research Professional](#)

Visiting scholars scheme

Society for the Study of French History

This supports visits by foreign scholars actively working on French history to UK or Irish HEIs. The award is worth up to £2,000 per year.

Closing date: 22 Mar 19
[Link to *Research Professional](#)

Louis and Artur Lucian award

McGill University

This recognises current research work in the field of circulatory diseases by a scientific investigator or a group of investigators. The award is worth CAD 60,000.

Closing date: 23 Mar 19 (Forecast)
[Link to *Research Professional](#)

Dorothy Mandelstam award

Association for Continence Advice

This recognises a case study or paper on continence care or a continence service development that improves the quality of patient care. The award is worth up to £1,000, including a monetary award of £500

and conference attendance expenses.

Closing date: 23 Mar 19 (Forecast)

[Link to *Research Professional](#)

Scientific meeting grants

Company of Biologists

These support the hosting of charitable activities including meetings, workshops and conferences within the field of

biology. Grants are worth up to £6,000.

Closing date: 25 Mar 19

[Link to *Research Professional](#)

Annual meeting travel awards

Society for Mathematical Biology

These support postdoctoral fellows and junior scientists in mathematical biology to attend the society's annual meeting, to be held in Sydney, Australia, from 8 to 12 July

2018. Grants are worth up to USD 500 each.

Closing date: 26 Mar 19 (Forecast)

[Link to *Research Professional](#)

Public engagement grants

Society for Endocrinology

These support the organisation and delivery of outreach activities, aimed at school children or the general public, that engage audiences with hormones and the impact of

endocrinology. Grants are worth up to £1,000.

Closing date: 27 Mar 19

[Link to *Research Professional](#)

Scientific meeting proposals

Royal Society

This supports the organisation of scientific meetings in any field. Funding includes full administrative support, a contribution towards speaker, organiser and chair travel expenses and accommodation,

logistical support, materials for the meeting, venue, facilities and catering.

Closing date: 28 Mar 19 (Forecast)

[Link to *Research Professional](#)

Congress educational grants

European Society of Cardiology

These enable professionals who have limited access to funding or difficulties to obtain financial assistance to attend the European

Society of Cardiology congress 2019 in Paris. Each grant is worth €850.

Closing date: 29 Mar 19

[Link to *Research Professional](#)

Translational cancer research prize

Cancer Research UK

This prize recognises a research team that has ensured that scientific discoveries benefit patients and the public. The prize is worth £25,000 and the recipient team will receive free attendance at the National Cancer Research Institute annual

conference for up to five team members. ***

Closing date: 30 Mar 19 (Forecast)

[Link to *Research Professional](#)

Postgraduate grant scheme

International Association of Sedimentologists

This supports PhD students in their fieldwork, data acquisition and analysis, visits to other institutes to use specialised facilities, or participation in field excursions directly related to their PhD

research subject. Up to 10 grants of about €1,000 each are available in each round.

Closing date: 30 Mar 19 (Forecast)

[Link to *Research Professional](#)

Level III education bursary

British Association of Hand Therapists

This enables members to attend a course which will enhance their hand therapy skills or knowledge, ideally with a view to working towards level III and accreditation.

Up to two bursaries, worth up to £500 each, are usually available.

Closing date: 30 Mar 19 (Forecast)
[Link to *Research Professional](#)

Richard A Rodriguez Division 44 student travel award

American Psychological Association

This supports LGBT graduate students of colour in attending the association's annual convention. Two awards, worth USD 500 each, are available.

Closing date: 30 Mar 19
[Link to *Research Professional](#)

Division 19 student travel award

American Psychological Association

These support psychology students in travelling to the association's annual convention to participate in division 19 activities. Up to 12

awards are available, worth USD 750 each.

Closing date: 30 Mar 19
[Link to *Research Professional](#)

Mary Kingsley Zochonis lectureship

African Studies Association of the UK

This encourages a young African scholar at an African university to visit the UK for research purposes and to give a lecture at an ASAUK event. The lectureship includes a prize worth £500, return airfare to

London, up to £500 for food expenses and up £250 for travel to other centres in the UK.

Closing date: 30 Mar 19
[Link to *Research Professional](#)

Ruggles-Gates fund for biological anthropology

Royal Anthropological Institute

This supports research in biological anthropology with focus on human population biology, human genetics, human ethology and

palaeoanthropology. Grants are worth up to £1,000 each.

Closing date: 31 Mar 19 (Forecast)

[Link to *Research Professional](#)

IADR/Colgate oral health research award

International Association for Dental Research

This recognises meritorious research by a member of the association's oral health research group, with preference given to dental hygienists. The award is worth USD 2,000 and is intended to provide travel and other support

related to attending the IADR annual meeting and participating in the oral health research group activities.

Closing date: 31 Mar 19 (Forecast)

[Link to *Research Professional](#)

Peter Mark memorial award

AVS Science and Technology of Materials, Interfaces and Processing

This recognises a young scientist or engineer who has contributed theoretical or experimental work. The award comprises a cash prize, a plaque, an honorary lectureship and reimbursement of travel expenses to

the meeting where the award is presented.

Closing date: 31 Mar 19 (Forecast)

[Link to *Research Professional](#)

Travel grants

European Association of Social Psychology

These enable members to undertake short visits to departments elsewhere in the world in order to conduct new research, complete ongoing projects, and undergo training in a particular methodology

or technology. Grants are worth up to €1,000.

Closing date: 31 Mar 19

[Link to *Research Professional](#)

Research knowledge transfer scheme

European Association of Social Psychology

This supports initiatives serving European Association of Social Psychology members from regions where access to scientific information, facilities or funding is scarce compared with European

standards. Grants are worth up to €3,500 to support visits of several days.

Closing date: 31 Mar 19

[Link to *Research Professional](#)

ICO international fellowship

International Council of Ophthalmology

This enables young ophthalmologists from developing countries to improve their practical skills and broaden their perspectives of ophthalmology. Fellowships are

worth USD 6,000 over three months and cover travel and living expenses.

Closing date: 31 Mar 19

[Link to *Research Professional](#)

Training scholarships

International Urology Society | Société Internationale d'Urologie

These support young urologists by providing training in a recognised institute located in the candidate's geographical area. Each scholarship

is worth USD 5,000 over a period of six months.

Closing date: 31 Mar 19 (Forecast)

[Link to *Research Professional](#)

Scholarships

International Society for Peritoneal Dialysis

These encourage individuals to extend their knowledge and expertise of peritoneal dialysis by visiting a centre of excellence. Scholarships are worth up to USD

5,000 for up to three months of study.

Closing date: 31 Mar 19

[Link to *Research Professional](#)

Student travel awards

Australasian Neuroscience Society

*** This opportunity will be available soon. The following information is subject to change. These awards support students in attending the annual meeting of the

society, to be held in December 2019. ***

Closing date: 31 Mar 19 (Forecast)

[Link to *Research Professional](#)

AJ Banks travel bursaries

Society of Chemical Industry

These enable young PhD students and postdoctoral researchers to attend meetings related to food science, engineering and technology.

Closing date: 31 Mar 19

[Link to *Research Professional](#)

Messel travel bursaries

Society of Chemical Industry

These enable postgraduate students to attend meetings and laboratory visits for activities related to chemical science including all life sciences, engineering and technology. Funding will not be given for visits which are part of the

normal course of a cosponsored PhD.

Closing date: 31 Mar 19

[Link to *Research Professional](#)

Richardson travel awards

Society of Chemical Industry

These enable candidates working in the general field of research and development in process engineering, process chemistry and related topics

to attend meetings or visit institutions.

Closing date: 31 Mar 19

[Link to *Research Professional](#)

Provost's grants for library research

Wake Forest University

These grants enable scholars and artists researching works for publication, broadcast, or other public dissemination to use the special collections divisions at the

library. Grants are worth between USD 500 and USD 2,500. ***

Closing date: 31 Mar 19

[Link to *Research Professional](#)

Workshops and event sponsorship

Society for Reproduction and Fertility

This supports conference organisers who wish to host an event relating to reproduction and fertility. There are three levels of support available: full financial and organisational support;

partial financial and organisational support; or financial support only.

Closing date: 31 Mar 19

[Link to *Research Professional](#)

Glycoscience meeting grants

Mizutani Foundation for Glycoscience

These promote scientific exchange between Japanese and foreign glycoscientists by supporting international conferences on glycoscience. The annual budget is JPY 3 million. Approximately 10

conferences will be supported each year.

Closing date: 31 Mar 19

[Link to *Research Professional](#)

Research scholarships

Nordenskiöld Community in Finland | Nordenskiöld-Samfundet i Finland

These support research in geography, geology, ethnology, archaeology, cartography, ornithology and other related research in natural sciences and

cultural history. Scholarships are worth up to €7,500.

Closing date: 31 Mar 19 (Forecast)

[Link to *Research Professional](#)

Huayu enrichment scholarship

Ministry of Education of the Republic of China (Taiwan)

This enables international students and individuals to undertake Huayu courses in Taiwan. The scholarship is worth TWD 25,000 per month for up to one year.

Closing date: 31 Mar 19 (Forecast)

[Link to *Research Professional](#)

Minor conference and events awards

British Society for the History of Philosophy

These support a broader range of activities on the history of philosophy, including conferences, workshops, regular research seminars, workshops, public lectures, and special panels in

conferences. Grants are worth up to £1,500 each.

Closing date: 31 Mar 19

[Link to *Research Professional](#)

Large bursaries – over £5,000

Laboratory Animals Limited

These enable individual scientists to attend training courses in laboratory animal science and welfare, or may support the organisation of such courses. Bursaries are worth at least £5,000 each.

Closing date: 31 Mar 19

[Link to *Research Professional](#)

Bursaries – up to £5,000

Laboratory Animals Limited

These support the organisation of events or projects, and enable applicants to attend training courses in laboratory animal science and welfare. Bursaries may also cover travel expenses to enable

international experts to speak at conferences. Each bursary is worth up to £5,000.

Closing date: 31 Mar 19

[Link to *Research Professional](#)

International bursary

British Association of Hand Therapists

This enables members to attend an international conference which will enhance their hand therapy skills and knowledge. Bursary is worth up

to £500 and covers travel, subsistence and conference fees.

Closing date: 31 Mar 19

[Link to *Research Professional](#)

SICOT meets SICOT fellowship programme

International Society of Orthopaedic Surgery and Traumatology

This allows surgeons to undertake a fellowship at a centre of excellence. Grants are worth up to €2,500.

Closing date: 31 Mar 19 (Forecast)

[Link to *Research Professional](#)

Japanese Association of University Women international fellowship programme

Japanese Association of University Women

This enables master's, predoctoral or dissertation level students and young postdoctoral researchers to stay in Japan to pursue ongoing studies or research. Two awards, worth JPY 500,000 and 1 million, are

available for stays of four to six months.

Closing date: 31 Mar 19

[Link to *Research Professional](#)

Travel grants

Society for Experimental Biology

These support biologist who wish to attend a conference, workshop or gain research experience in the UK or abroad. Grants are worth up to

£250 each for home country travel and £500 each for overseas travel.

Closing date: 31 Mar 19

[Link to *Research Professional](#)

Conference bursaries

British Association of Hand Therapists

These enable members to attend the society's annual conference. Bursaries cover the early-bird conference fee.

Closing date: 31 Mar 19

[Link to *Research Professional](#)

Prestige programme

Campus France

This aims to foster the mobility of French and foreign researchers, to and from France. Funding is worth between €22,000 and €47,250 per year for between six months and two years.

Closing date: 31 Mar 19

[Link to *Research Professional](#)

International travel fellowship programme

Massey University

This promotes research collaboration and the initiation of new research ventures between Massey University research staff and the international research community in the field of agriculture

and land based science. Grants are worth up to NZD 10,000.

Closing date: 31 Mar 19 (Forecast)

[Link to *Research Professional](#)

Pickford award

British Pharmacological Society

This award aims to assist members in the early stages of their career with career enhancing opportunities. Four awards worth £10,000 each are available. ***

Closing date: 31 Mar 19 (Forecast)

[Link to *Research Professional](#)

Conference scholarship

British Association for Applied Linguistics

This enables a student or early-career researcher to attend the annual conference, taking place in York, UK in September 2018. Scholarships cover the cost of registration and onsite

accommodation for the duration of the conference.

Closing date: 31 Mar 19 (Forecast)
[Link to *Research Professional](#)

Chris Brumfit conference scholarship

British Association for Applied Linguistics

This enables a researcher to attend the annual conference taking place in York, UK in September 2017, who would not otherwise have funds to

attend the meeting. The scholarship is worth up to £1,000.

Closing date: 31 Mar 19 (Forecast)
[Link to *Research Professional](#)

Equal opportunities initiative fund

European Society for Evolutionary Biology

This supports activities that increase awareness of the problem of unequal opportunities in the field of evolutionary biology and possible

solutions. Grants are usually worth up to €1,000.

Closing date: 31 Mar 19
[Link to *Research Professional](#)

Visiting faculty programme – fellowships

Weizmann Institute of Science

This enables scientists from outside Israel to stay at the institute. Fellowships are awarded for one to three months and may include

financial remuneration, round trip airfare or rent free housing.

Closing date: 31 Mar 19
[Link to *Research Professional](#)

Co-sponsorship of symposia organised by non-US based evolution societies – SSE international committee awards

Society for the Study of Evolution

This aims to foster communication between scientists from different countries by stimulating scientific dialogue through co-sponsored symposia. Organisers may apply to seek partial support for symposia

that include members of the Society for the Study of Evolution as invited speakers.

Closing date: 31 Mar 19 (Forecast)

[Link to *Research Professional](#)

Evolution international events awards – SSE international committee awards

Society for the Study of Evolution

These aim to further the purpose of the society by fostering international collaborations amongst evolution oriented societies and scientists. Co-sponsorship by the Evolution society from the hosting country is encouraged.

Closing date: 31 Mar 19 (Forecast)

[Link to *Research Professional](#)

Environmental education projects

North American Native Fishes Association

These aims to promote education on native fishes, their habitats or their conservation. Funding is worth up to USD 1,000.

Closing date: 31 Mar 19 (Forecast)

[Link to *Research Professional](#)

Marbach fellowships

German Literature Archive Marbach | Deutsches Literaturarchiv Marbach

This supports research projects based on the collection of the German Literature Archive in Marbach am Neckar, Germany. Fellowships are worth up to €1,500

each for between one and four months.

Closing date: 31 Mar 19

[Link to *Research Professional](#)

Joan Southgate southern Africa-Australasia travel fund

Australasian Wildlife Management Society

This promotes reciprocal travel between Australasia and Southern Africa among postgraduate students and early-career researchers in the fields of wildlife conservation and

management. Funding is worth up to AUD 5,000.

Closing date: 31 Mar 19

[Link to *Research Professional](#)

APRIL

Gerard P Kuiper prize

American Astronomical Society

This recognises contributors to planetary science. The prize includes a certificate and a cash award.

Closing date: 01 Apr 19 (Forecast)

[Link to *Research Professional](#)

Harold C Urey prize

American Astronomical Society

This recognises achievements in planetary science by an early-career scientist. The prize includes a cash award.

Closing date: 01 Apr 19 (Forecast)

[Link to *Research Professional](#)

Harry S Truman Library Institute research grants

National Archives and Records Administration

These enable graduate students, postdoctoral scholars and other researchers to visit the Harry S Truman Library for one to three

weeks to use its collections. Grants are worth up to USD 2,500 each.

Closing date: 01 Apr 19

[Link to *Research Professional](#)

Harold Masursky award

American Astronomical Society

This recognises individuals for service to planetary science and exploration through engineering, managerial, programmatic or public service activities. The award consists of a certificate and a cash award, the

amount of which is determined by the committee.

Closing date: 01 Apr 19 (Forecast)

[Link to *Research Professional](#)

Short-term fellowships for Jefferson-related projects

International Center for Jefferson Studies

These are awarded for periods of up to four months to scholars from any country working on Jefferson-related projects. The awards carry a monthly stipend of USD 2,000 for

scholars from the US or Canada and USD 3,000 for overseas fellows.

Closing date: 01 Apr 19

[Link to *Research Professional](#)

Research visit grants

Microbiology Society

These enable researchers from the UK or Republic of Ireland to visit another laboratory worldwide, or international researchers to visit a laboratory in the UK or ROI, to carry out a defined piece of microbiology research. Grants are worth up to £3,000 each for visits lasting one to three months.

Closing date: 01 Apr 19

[Link to *Research Professional](#)

African guest researchers' scholarship programme

Nordic Africa Institute | Nordiska Afrikainstitutet

This programme enables postdoctoral researchers in Africa to pursue their own research projects, thereby strengthening the academic milieu in African countries. The grant covers return economy-class airfare, accommodation, a

subsistence allowance of SEK 300 per day and an installation grant of SEK 2,500. ***

Closing date: 01 Apr 19 (Forecast)

[Link to *Research Professional](#)

Von Hippel award

Materials Research Society

This recognises achievements by materials scientists and engineers. The award includes a USD 10,000 cash prize, honorary membership in the society and a trophy. Registration fees and travel

expenses for the society fall meeting are also included.

Closing date: 01 Apr 19 (Forecast)
[Link to *Research Professional](#)

ISID/ESCMID fellowships

International Society for Infectious Diseases

These promote collaboration among researchers in different countries by enabling infectious disease researchers in the formative stages of their career to extend their research experience in institutions abroad. Up to two fellowships, worth

up to USD 7,500 each over a maximum period of three months, are available.

Closing date: 01 Apr 19 (Forecast)
[Link to *Research Professional](#)

TWAS-DFG cooperation visits

TWAS

This programme enables postdoctoral researchers from sub-Saharan Africa to spend up to three months at an institute in Germany. Health insurance, travel and

subsistence costs for the duration of the stay will be covered. ***

Closing date: 01 Apr 19
[Link to *Research Professional](#)

Training grant

Genetics Society

This enables members to attend short training courses or in some cases longer courses and visits to other laboratories for training in the

area of genetics research. Grants are worth up to £1,000 each.

Closing date: 01 Apr 19
[Link to *Research Professional](#)

Wenner-Gren symposia grants

Wenner-Gren Foundation for Anthropological Research

These support week-long workshops that involve a small group of invited scholars who meet for intensive discussion on the big questions in anthropological theory and debate.

Grants provide full financial and logistical support for the symposia.

Closing date: 01 Apr 19 (Forecast)
[Link to *Research Professional](#)

International development fund

Microbiology Society

This aims to assist microbiologists in countries with low-income or lower-middle-income economies. Awards are worth up to £5,000 each.

Closing date: 01 Apr 19
[Link to *Research Professional](#)

Shiptime grant

Danish Centre for Marine Research | Dansk Center for Havforskning

This enables researchers to use research vessels larger than 20 meters to promote and strengthen Danish marine research. The total budget is approximately DKK 3 million. Funding covers shiptime,

travel and shipment costs, and costs related to use of possible supplementary equipment.

Closing date: 01 Apr 19 (Forecast)
[Link to *Research Professional](#)

International scholars programme

Pediatric Endocrine Society

This enables researchers in paediatric endocrinology from outside the US to work in the clinics and laboratories of the society's members, and to attend the annual

meeting. The award is worth up to USD 8,000 for a three-month visit.

Closing date: 01 Apr 19 (Forecast)
[Link to *Research Professional](#)

Annual scientific meeting bursaries

Obstetric Anaesthetists' Association

These enable overseas doctors to attend and present an accepted abstract at the next association's annual meeting, to be held in May 2018 in Belfast, UK. Bursaries cover travel and accommodation fees.

Closing date: 01 Apr 19 (Forecast)

[Link to *Research Professional](#)

Clinical training fellowship

European Respiratory Society

This enables members in the early stages of their careers in respiratory medicine to visit a host institution in a European country other than their own to learn a skill or procedure not available at their home institution.

Funding covers living costs of up to €3,800 per month plus travelling expenses and child allowance.

Closing date: 01 Apr 19

[Link to *Research Professional](#)

International travel grants

International Society for Matrix Biology

These allow young scientists to attend major meetings focused on matrix biology anywhere in the world. Grants are worth up to €800 each.

Closing date: 01 Apr 19

[Link to *Research Professional](#)

Grants for educational activities

International Society of Blood Transfusion

These support educational activities relating to the practice of transfusion medicine and allied fields all over the globe.

Closing date: 01 Apr 19

[Link to *Research Professional](#)

MX user programme – XChem fragment screening

Diamond Light Source

This provides academic access to Diamond's X-ray structure-accelerated, synthesis-aligned fragment medicinal chemistry (XChem) screening facility.

Closing date: 01 Apr 19

[Link to *Research Professional](#)

Peter B Cotton advanced endoscopy travel fellowship programme

University of South Carolina

This enables postgraduate gastroenterologists from any country to spend one or two week observing at the Medical University of South Carolina's Digestive Disease Center. Grants are worth between

USD 1,500 and USD 4,000 for one or two weeks.

Closing date: 01 Apr 19

[Link to *Research Professional](#)

Student research awards

American Association for Clinical Chemistry

This supports students and postdoctoral fellows presenting an accepted abstract or a poster at the student research awards contest held during the AACC annual meeting. Eight prizes, worth

between USD 100 and USD 1,000, are available.

Closing date: 01 Apr 19 (Forecast)

[Link to *Research Professional](#)

Simons Foundation/CRM scholar-in-residence programme

Centre for Mathematical Research | Centre de Recherches Mathématiques

This enables researchers in mathematics and related areas to partake in extended visits to the centre, based in Montréal, Canada. Support covers round-trip travel to Montréal and accommodation costs

for visits of between one and six months.

Closing date: 01 Apr 19

[Link to *Research Professional](#)

Dent medal

Royal Musical Association

This recognises a mid-career scholar for their contribution to musicology. The recipient is invited to give a lecture at the annual Royal Musical Association's research students'

conference, and their expenses are reimbursed.

Closing date: 01 Apr 19 (Forecast)
[Link to *Research Professional](#)

Research and travel grants

Foundation for the Memory of the Shoah | La Fondation pour la Mémoire de la Shoah

These support research on Holocaust-related topics and other 20th century genocides and the study of contemporary anti-

Semitism. Grants are worth up to €18,600 over up to 12 months.

Closing date: 01 Apr 19
[Link to *Research Professional](#)

Visiting scholars programme – one-month fellowships

Baylor University

These support visiting scholars pursuing doctoral, postdoctoral or equivalent research in the Armstrong Browning Library collections. Stipends are worth

between USD 1,500 and USD 2,000 each.

Closing date: 01 Apr 19 (Forecast)
[Link to *Research Professional](#)

Rebecca James Baker award

International Society for Environmental Epidemiology

This recognises early-stage investigators in epidemiological research. Some support to defray the costs of travel to attend the society's annual meeting is available.

Closing date: 01 Apr 19 (Forecast)
[Link to *Research Professional](#)

J Franklin Jameson fellowship in American history

Library of Congress

This supports significant scholarly research in the library's collections

by history scholars at an early stage in their career. Fellowships are

worth USD 5,000 and cover travel expenses.

Closing date: 01 Apr 19 (Forecast)
[Link to *Research Professional](#)

Conference grant programme

American Society for Microbiology

This supports society members in organising conferences, workshops and symposia on areas across the microbial sciences. Funding is worth up to USD 10,000.

Closing date: 01 Apr 19
[Link to *Research Professional](#)

David Turnbull lectureship

Materials Research Society

This recognises the career contribution of a scientist to fundamental understanding of the science of materials through experimental or theoretical research. The award includes an

honarium worth USD 5,000 and a travel allowance to attend speaking engagements throughout the year.

Closing date: 02 Apr 19 (Forecast)
[Link to *Research Professional](#)

Janet Levy fund

American Musicological Society

This supports professional travel and research expenses for independent scholars who are members of the society. Each award

is worth between USD 500 and USD 2,000.

Closing date: 02 Apr 19 (Forecast)
[Link to *Research Professional](#)

Virginia and George Bozarth travel fund

American Musicological Society

This fund enables scholars to travel to Austria to carry out research. Awards are worth up to USD 1,300 each. ***

Closing date: 02 Apr 19 (Forecast)
[Link to *Research Professional](#)

Materials theory award

Materials Research Society

This recognises advances made by materials theory to the fundamental understanding of the structure and behaviour of materials. The award includes a cash prize of USD 5,000 and complimentary registration,

transportation and hotel expenses to attend the meeting at which the award is presented.

Closing date: 02 Apr 19 (Forecast)

[Link to *Research Professional](#)

Summer school in bioinformatics bursaries

Wellcome Trust

These enable students to attend the summer school in bioinformatics, to be held between 24 and 28 June 2019 at the Wellcome Genome

Campus, UK. Bursaries cover up to 50 per cent of the registration fee.

Closing date: 02 Apr 19

[Link to *Research Professional](#)

Beam time – standard and programme access

Diamond Light Source

This programme provides beam time for individuals and groups conducting research. Funding is available for travel and subsistence costs. Access will be free at the point

of use for all non-proprietary research.***

Closing date: 03 Apr 19

[Link to *Research Professional](#)

Thomas Henry Huxley award

Society for the Study of Evolution

This recognises outreach and education achievement for early and mid career scientists. Support is available to present at the annual

meeting of the National Association of Biology Teachers.

Closing date: 04 Apr 19 (Forecast)

[Link to *Research Professional](#)

Single cell technologies and analysis conference bursaries

Wellcome Trust

These enable individuals to attend a course on the latest methodologies and applications for the analysis of nucleic acids from eukaryotic single cells, to be held in July 2019 at the Wellcome Genome Campus, UK. A limited number of bursaries are

available to cover up to 50 per cent of the course fee.

Closing date: 04 Apr 19

[Link to *Research Professional](#)

Travel grants

Society for Endocrinology

These enable members to attend endocrine meetings or conferences where their abstracts have been accepted. Grants are worth up to £500 each for society meetings and

up to £600 each for overseas meetings.

Closing date: 05 Apr 19 (Forecast)

[Link to *Research Professional](#)

International small grants

Society for the History of Technology

These support the hosting of events relevant to the Society for the History of Technology's mission, which is to advance the historical study of technology and its relations with politics, economics, labour, business, the environment, public

policy, science and the arts. Grants are worth up to USD 3,000.

Closing date: 05 Apr 19

[Link to *Research Professional](#)

International member grant

Institute of Physics

This grant supports institute members outside the UK or Ireland in running events that would be of benefit to the development or promotion of physics in their country of current residence. The

total budget is £1,000 for grants of up to £500 each. ***

Closing date: 07 Apr 19 (Forecast)

[Link to *Research Professional](#)

Small grants

Royal Society of Tropical Medicine and Hygiene

These grants enable early-career researchers and global health professionals in the field of tropical medicine or global health to undertake clinical or scientific research or fieldwork, as standalone projects or distinct elements within a larger project. Grants are worth up

to £5,000 each and may be used for travel, accommodation, consumables, field expenses including salaries, field transport or equipment and software. ***

Closing date: 09 Apr 19 (Forecast)

[Link to *Research Professional](#)

Imrich Sarkany non-European memorial scholarship

European Academy of Dermatology and Venereology

This supports researchers in attending the next European Academy of Dermatology and Venereology congress to be held in Paris, France in September 2018. The scholarship includes free

registration to the congress and €1,000.

Closing date: 10 Apr 19 (Forecast)

[Link to *Research Professional](#)

Travel bursaries

Federation of European Toxicologists and European Societies of Toxicology (EUROTOX)

These bursaries enable scientists to attend the 54th Congress of the European Societies of Toxicology, to be held from 2 to 5 September 2018 in Brussels, Belgium. Bursaries will cover all of the registration costs, or

cover all of the registration costs as well as a fix lump of €500.***

Closing date: 10 Apr 19 (Forecast)

[Link to *Research Professional](#)

International scholarships

United European Gastroenterology

These enable young gastroenterologists to attend United European Gastroenterology week. 30 grants of €1,000 each are available to cover travel expenses, plus congress registration fees and

entry to the UEG week postgraduate teaching programme.

Closing date: 12 Apr 19 (Forecast)

[Link to *Research Professional](#)

Travel grants – American Society of Microbiology conference

British Society for Antimicrobial Chemotherapy

These enable members to give oral or poster presentations at the American Society of Microbiology Microbe conference. A total of two grants, worth up to £1,500 each, are available.

Closing date: 12 Apr 19

[Link to *Research Professional](#)

Overseas delegate travel sponsorship

Society for Paediatric Anaesthesia in New Zealand and Australia

This enables an anaesthetist with a focus on paediatric anaesthesia from a lesser developed country in attending the society's annual scientific meeting, to be held from 16 to 19 October 2019 in Brisbane. The

sponsorship includes airfares, accommodation and registration.

Closing date: 12 Apr 19

[Link to *Research Professional](#)

Tom Troscianko award

Applied Vision Association

This supports attendance at the European Conference on Visual Perception and additional travel for scientific purposes. The award is worth up to £2,000.

Closing date: 14 Apr 19 (Forecast)

[Link to *Research Professional](#)

Albert Renold travel fellowships

European Association for the Study of Diabetes

These enable scientists and clinicians to travel and stay at other institutions in order to learn specific scientific techniques or clinical skills required for the advancement of their diabetes research project that are not available at their home

institution. Awards are worth up to €8,000 each over up to three months.

Closing date: 15 Apr 19

[Link to *Research Professional](#)

Melvin Kranzberg dissertation fellowship

Society for the History of Technology

This supports a doctoral student engaged in the preparation of a dissertation on the history of technology. The fellowship is worth USD 4,000.

Closing date: 15 Apr 19 (Forecast)

[Link to *Research Professional](#)

Conference support grants

International Mathematical Union

These assist mathematical science-based conference organisers in offering mathematicians from developing countries travel and accommodation support to attend the conference. Grants are worth up

to €3,500 each for travel and accommodation costs.

Closing date: 15 Apr 19

[Link to *Research Professional](#)

President's fund

Society for Applied Microbiology

This assists members presenting at scientific meetings or attend workshops related to their area of work. Grants are worth up to £1,200 each to cover registration,

accommodation, reasonable travel and subsistence costs.

Closing date: 15 Apr 19

[Link to *Research Professional](#)

Small research grants

BioSocial Society

These enable postgraduate students to conduct research related to biosocial topics. Two awards of £750, one for fieldwork and one for

data collections, are available at each round.

Closing date: 15 Apr 19 (Forecast)

[Link to *Research Professional](#)

Heckman stipends

Saint John's University

These support scholars who have not yet established themselves professionally and whose research cannot progress without consulting the library's collections. The library will provide up to 10 grants worth up to USD 2,000 each. Stipends may be used for travel, housing and

meals at the university as well as costs related to the duplication of microfilm or digital resources.

Closing date: 15 Apr 19

[Link to *Research Professional](#)

Rideal travel bursaries

Society of Chemical Industry

These enable early-career researchers in the general field of colloid and surface science to attend international conferences or to visit relevant research institutions for a

study visit. Bursaries are worth up to £500 each.

Closing date: 15 Apr 19

[Link to *Research Professional](#)

Mike How travel award

International Pharmaceutical Federation

This enables pharmacy students and young pharmacists to attend an International Pharmaceutical Federation congress. The award is worth up to €1,500.

Closing date: 15 Apr 19 (Forecast)

[Link to *Research Professional](#)

AAAS-TWAS science diplomacy workshop

TWAS

This call enables the attendance of a science diplomacy workshop, to be held in August 2018 in Trieste, Italy. Funding covers travel,

accommodation and visa expenses.

Closing date: 15 Apr 19 (Forecast)

[Link to *Research Professional](#)

Ralph A Gallagher travel grants

Association for the Sociology of Religion

These enable graduate students and association members living outside the US to attend the association's annual meeting and to present their research. The budget is USD 6,000,

which is distributed between several leading applications.

Closing date: 15 Apr 19 (Forecast)
[Link to *Research Professional](#)

Research grants

Society of Architectural Historians of Great Britain

These support the cost of travel, building surveys, photography and conference attendance. Bursaries do not normally exceed £500, but in exceptional circumstances a grant of up to £1,000 may be awarded.

Closing date: 15 Apr 19
[Link to *Research Professional](#)

Conference funding

German History Society

This provides supplemental funding for conferences dealing with German history. Each grant is worth up to £1,000.

Closing date: 15 Apr 19
[Link to *Research Professional](#)

Past and present research expenses grants – overseas students

Royal Historical Society

These enable postgraduate students to make visits to archives and other site-visits away from their home institution. Grants are worth

between £50 and £750 each for travel costs.

Closing date: 15 Apr 19
[Link to *Research Professional](#)

Seligman travel bursary

Society of Chemical Industry

This supports the career development of PhD students, postdoctoral researchers and industrial researchers, by helping them to broaden their vision and share cutting-edge knowledge at

international conferences or laboratory visits. Grants are worth up to £1,000.

Closing date: 15 Apr 19 (Forecast)

[Link to *Research Professional](#)

DACC travel award

Closing date: 17 Apr 19 (Forecast)

[Link to *Research Professional](#)

Travel grants for clinical scientists

United European Gastroenterology

These recognise abstracts submitted by clinical scientists for the United European Gastroenterology week. A total of 200 grants, worth €1,000 each, are available.

Closing date: 20 Apr 19 (Forecast)

[Link to *Research Professional](#)

Travel grants for basic scientists

United European Gastroenterology

These enable basic scientists of no more than 40 years of age to present research at the United European Gastroenterology week. 140 grants, worth €1,000 each, are available.

Closing date: 20 Apr 19 (Forecast)

[Link to *Research Professional](#)

BactiVac catalyst training awards

University of Birmingham

These awards support training opportunities and exchanges, prioritising those involving low- and middle-income countries members and academic or industrial partners, for the transfer of knowledge and

skills in bacterial vaccinology. Awards are worth up to £6,000 each. ***

Closing date: 22 Apr 19 (Forecast)

[Link to *Research Professional](#)

ARLIS annual conference student award

ARLIS/UK & Ireland

This enables full- or part-time students working towards a postgraduate qualification in librarianship and information studies to attend the UK and Ireland Art Libraries Society's annual

conference. The award covers registration fees for the event.

Closing date: 23 Apr 19 (Forecast)

[Link to *Research Professional](#)

SNS/NKJ networks

Nordic Forest Research

These networks aim to increase Nordic synergy in research and innovation between the agro-food-forest-energy sectors by networking, workshops, seminars and joint utilisation of research facilities. Each

network may apply for approximately up to SEK 500,000 for two years. ***

Closing date: 24 Apr 19 (Forecast)

[Link to *Research Professional](#)

Doctoral dissertation grants

International Research Foundation for English Language Education

These support students whose dissertation research plans are related to English language education. Grants are worth up to USD 5,000 each.

Closing date: 25 Apr 19 (Forecast)

[Link to *Research Professional](#)

Marilyn B Young research grant

Roosevelt Institute for American Studies

This supports research on the history of US foreign policy and especially its overlap with social civil rights history, with use of the institute's collections, for a minimum period of one week. The

grant is worth up to €550 towards travel and accommodation.

Closing date: 25 Apr 19 (Forecast)
[Link to *Research Professional](#)

ISFP-2018-AG-PIU interconnectivity

Directorate-General for Migration and Home Affairs

This supports projects that exchange passenger name record information between passenger information units in the EU member states through training and awareness raising actions. The total budget is worth approximately €1.5 million.

Grants are worth at least €250,000 over 24 months.

Closing date: 25 Apr 19
[Link to *Research Professional](#)

Murray and Unity Pheils travel scholarship

Royal Australasian College of Surgeons

This enables surgical trainees or fellows of the college to travel overseas to obtain further training and experience in the field of colorectal surgery, or overseas graduates wishing to come to Australia or New Zealand to

undertake colorectal surgery training. The scholarship is worth AUD 10,000 for up to one year.

Closing date: 26 Apr 19 (Forecast)
[Link to *Research Professional](#)

Churchill fellowships

Winston Churchill Memorial Trust Australia

These fellowships enable Australian citizens to undertake a research project overseas of a kind that is not readily available in Australia. Fellowships are generally worth

AUD 25,000 each, for up to eight weeks. ***

Closing date: 27 Apr 19 (Forecast)
[Link to *Research Professional](#)

Vronwy Hankey memorial fund for Aegean studies

British School at Athens

The helps with expenses relating to research in the prehistory of the Aegean and its connections with the east Mediterranean. Grants are

unlikely to be worth more than £1,000.

Closing date: 27 Apr 19 (Forecast)
[Link to *Research Professional](#)

Richard Bradford McConnell fund for landscape studies

British School at Athens

These support research projects related to the interaction of place and people in Greece and Cyprus at any period. Grants are worth up to £400 a year, and may be used towards the maintenance costs of longer stays at museums and other

study centres, so as to achieve work that would not otherwise have been attempted.

Closing date: 27 Apr 19 (Forecast)
[Link to *Research Professional](#)
