**Conference Grants**

**Annual Meeting Grants**

**Travel Bursaries & Grants**

## TABLE OF CONTENT

Grants-in-aid of research.....	13
Interdisciplinary workshop grants .....	13
EXTENDED DEADLINE: Conference grants .....	13
Jessup and McHenry awards.....	13
Franklin research grants .....	13
Harry S Truman Library Institute research grants.....	14
Conference support grants .....	14
Project grants .....	14
Nokia visiting professor awards.....	14
Research visit grants .....	14
Visiting expert programme .....	15
President's fund .....	15
Deborah Gerner grant for professional development.....	15
Beam time – standard and programme access.....	15
Keynote lectures .....	15
Wenner-Gren symposia grants .....	16
International development fund .....	16
Research group grants.....	16
DoseWise radiographer of the year competition .....	16
Junior scientist conference grants – non-society meetings.....	16
Lisa Lena Opas-Hänninen young scholar prize .....	17
Clinical training fellowship.....	17
Mentoring awards .....	17
International travel grants.....	17
Global exchange lecture series .....	17
Grants for educational activities .....	18
MX user programme – XChem fragment screening.....	18
Immunology winter school grants.....	18
IMU/Simons African fellowship programme .....	18
Scholarships.....	18
Simons Foundation/CRM scholar-in-residence programme .....	19
Professional development grant .....	19
Visegrad grants.....	19
Visegrad+ grants.....	19
Globalisation conference on contents and discontents – travel support .....	20

Childcare grant .....	20
Cells Journal travel awards.....	20
Collaborative international research grants .....	20
Individual research travel support.....	20
K Patricia Cross future leaders awards .....	20
Palaeontology exceptional lecturer.....	21
Arts project grants for organisations .....	21
Individual mobility grants – innovation in artificial intelligence .....	21
Global partners capacity-building award .....	21
Postdoctoral fellowships .....	22
Youth summit competition – human capital .....	22
PhD seminar in American history and American studies – financial support.....	22
Annette K Baxter travel grants.....	22
Graduate student travel support.....	23
Student transportation subsidies .....	23
Global Humanities Institute summer school on crises of democracy through the prism of cultural trauma.....	23
IUTOX travel award .....	23
Translational and bridging travel award.....	23
International ToxScholar outreach grants .....	24
Conference attendance assistance.....	24
Congress grants.....	24
COMING SOON: Charlemont grants.....	24
HIV scholarships .....	24
Scholarships.....	25
Transnational access call.....	25
Research prize in acute cardiovascular care .....	25
Travel scholarships – American Society of Hematology annual meeting .....	25
Travel grants to China .....	25
Laxmi Baxi award .....	26
Thomas McDonald Foundation travel award .....	26
Young leaders programme .....	26
Albert Renold travel fellowships.....	26
Reagan-Fascell democracy fellows programme .....	26
Travel research grant.....	27
New Zealand History Research Trust Fund.....	27
WT and Idalia Reid prize .....	27
International travel scholarships.....	27
Small research grants .....	27

Feigenbaum cardiovascular sonographer student travel grant.....	28
Rideal travel bursaries .....	28
Support for scientific meetings.....	28
International focus groups grants .....	28
Research grants .....	28
Scholarships for women .....	29
Large conference grants .....	29
Seligman travel bursary.....	29
Analysis of partial differential equations prize .....	29
Travel for techniques programme.....	29
Policy and practice fellowships .....	30
EAU/SUO exchange programme .....	30
Clinician scholarship programme.....	30
Conference bursaries .....	30
MAA/CARA conference grant.....	30
UltraEcho cardiovascular student travel grant.....	31
Anti-tissue factor pathway inhibitor approaches in haemophilia treatment.....	31
Short-term visitors programme .....	31
Student and early-career investigator travel fellowship programme.....	31
Research seminar funding .....	31
Journal of Developmental Biology travel award.....	32
World conference on research integrity – travel grants .....	32
Digital Humanities Summer Institute scholarships.....	32
Atlantic dialogues emerging leaders programme .....	32
Lindau Nobel Laureate meeting travel grant.....	32
Travel grants.....	33
John Haddad young investigator awards.....	33
Researcher mobility grants .....	33
Emerging countries conference registration grants .....	33
Keystone symposium global health travel award.....	33
International scholarship award.....	34
Bruce S Schoenberg international award in neuroepidemiology.....	34
Junior brachytherapy travel grants.....	34
Advanced practice provider scholarship.....	34
Neuro-oncology investigator award.....	34
AAI-BD Biosciences investigator award.....	35
AAI-Steinman award in human immunology research.....	35
AAI-Thermo Fisher meritorious career award .....	35
McLaughlin-Gallie visiting professorship.....	35

Collaborative research network funding.....	35
Sharing together initiative .....	36
Quarterly Journal of Mechanics and Applied Mathematics fund for applied mathematics .....	36
Postdoctoral fellowship programme 2018 .....	36
COMING SOON: International member grant .....	36
Child development – Rolandic epilepsy and ADHD.....	37
Past & Present research expenses grants – overseas students .....	37
DEADLINE BROUGHT FORWARD: Young investigator colloquium .....	37
VALIDATE training grants .....	37
Lewis and Clark fund for exploration and field research.....	38
Wiley Blackwell/Journal of Neurochemistry international lectureships.....	38
Energies Journal travel awards.....	38
Sir Kenneth Blaxter award.....	38
Theodora Bosanquet bursary.....	38
Research workshops in international studies .....	39
Travelling fellowship .....	39
Practical skills grants .....	39
Early-career scientific development grant.....	39
Boomerang award.....	39
AJ Banks travel bursaries .....	40
Messel travel bursaries .....	40
Richardson travel awards .....	40
Awards for learning, development and research.....	40
Bursary for psychiatrists from developing countries.....	40
International development and education award .....	41
Expedition award .....	41
Ian McCrae travel award.....	41
Technology transfer and mobility grants .....	41
Conference Committee support.....	41
Young surgeons and alumni club research fellowship.....	42
Study scholarships for graduates in performing arts.....	42
One-year grants for doctoral candidates, young academics and scientists from selected African countries.....	42
Travel grants.....	42
Minor conference and events awards .....	43
Support for grassland conferences.....	43
Bursary for non-society meetings .....	43
Educational scholarships.....	43

COMING SOON: Study scholarships .....	44
Annual conference bursaries .....	44
International development and education awards in palliative care .....	44
Equal opportunities initiative fund .....	44
Nic McNally award .....	45
Simons symposia .....	45
Stapledon travelling fellowships .....	45
Meeting sponsorship and support .....	45
Conference support .....	45
Early-career scientific development grant .....	46
Sinusitis Journal travel award .....	46
Catalysts Journal travel award .....	46
International Journal of Molecular Sciences travel awards .....	46
Nurse in Washington Internship grant .....	46
Viruses Journal travel awards .....	47
Geriatrics Journal travel award .....	47
ICSCC visiting scholars programme .....	47
Specialty symposia in acoustics funding .....	47
Visiting research fellowships .....	47
Visiting fellows programme .....	48
General travel grants .....	49
Small grants scheme .....	49
Award for computers in chemical and pharmaceutical research .....	49
Ralph F Hirschmann award in peptide chemistry .....	49
Nobel Laureate signature award for graduate education in chemistry .....	50
Research and training workshops .....	50
Mesopotamian fellowship .....	50
F Albert Cotton award in synthetic inorganic chemistry .....	50
Short-term fellowships for Jefferson-related projects .....	50
Victor and Joy Wouk grant-in-aid programme .....	51
Conference grants .....	51
Henry A Kissinger chair in foreign policy and international relations .....	51
Grants programme .....	51
Six-week research fellowships .....	52
Travel grants .....	52
Herbert J Dutton award .....	52
Industrial oil products division student award .....	52
Edible applications technology division student award .....	52
Honoured student award .....	53

Ahmed Zewail award in ultrafast science and technology .....	53
Training fellowships .....	53
Heidi Patriquin international fellowship for education .....	53
International scholarship .....	53
Travel awards for international skills and knowledge exchange .....	54
Inga-Britt Lindström grant .....	54
George and Christine Sosnovsky award for cancer research .....	54
Petrography internship at the INSTAP Study Center for East Crete .....	54
International Society for Soil Mechanics and Geotechnical Engineering foundation award scheme .....	55
Connect Africa scholarships .....	55
Connection grants for events and outreach activities .....	55
Small grants .....	55
Project grants .....	56
Group study visits .....	56
Huiskes medal for biomechanics .....	56
Paul Charosh independent scholar fellowship .....	56
Edward T Cone fellowship .....	57
Judith McCulloh fellowship .....	57
Judith Tick fellowship .....	57
AWM-SIAM Sonia Kovalevsky lecture .....	57
Promoting women in academia grants .....	57
Ralph Holman lifetime achievement award .....	58
Analytical division student award .....	58
Martin R Lebowitz and Eve Lewellis Lebowitz prize .....	58
Supelco AOCs research award .....	58
Lipid chemistry and nutrition award .....	58
CECAM/Lorentz workshop call .....	59
Grants for apiology research .....	59
Cousins Center global outreach awards .....	59
Travel awards for MacLean scholars .....	59
Oak human rights fellowship .....	59
DEADLINE BROUGHT FORWARD: Early career travel award .....	60
Conference and workshop grants .....	60
Alfred D Chandler Jr travel fellowships .....	60
All-discipline postgraduate student awards .....	60
Comparative perspectives on Chinese culture and society programme .....	61
Collaborative travel awards .....	61
Eugenia Rosemberg abstract travel awards .....	61

Mara E Lieberman memorial travel grants.....	61
Endocrine society outstanding abstract awards .....	61
Disease Models and Mechanisms conference travel grants.....	62
Helmholtz international fellow award.....	62
World congress travel grants .....	62
Early career forum and travel awards.....	62
Darwin partnership awards – round 25 .....	62
Artist research fellowship.....	63
Dean Franklin young investigator award.....	63
International early-career physiologist travel awards .....	63
Respiration section new investigator award .....	63
Neural Control and Autonomic Regulation Section experimental biology trainee award .....	64
Neural Control and Autonomic Regulation section data sciences outstanding graduate student award .....	64
International workshops.....	64
Franklin and Eleanor Roosevelt Institute grants-in-aid.....	64
International travel and subsistence grants.....	65
General grants.....	65
Student travel grants.....	65
Heckman stipends .....	65
COMING SOON: Lennart Aktiestinsen Israelsson’s Foundation for the individual and society.....	66
Visegrad scholarships at the Open Society archives.....	66
Study bursary .....	66
Conference travel grants .....	66
Other countries partnering awards .....	66
European partnering awards.....	67
Witteveen memorial fellowship in law and humanities.....	67
Council award for outstanding graduate student paper at a regional meeting.....	67
COMING SOON: Travel awards.....	67
US-UK bridging voices .....	68
Toxins Journal travel awards.....	68
Molecules Journal travel award.....	68
Applied Sciences Journal travel awards in applied optics .....	68
Applied Sciences Journal travel award in applied nanosciences .....	68
Evidence-to-action supplements 2018.....	69
Marinell Ash Fund award .....	69
EXTENDED DEADLINE: Borlaug fellowships.....	69
Ophthalmology section – travelling fellowship bursary .....	69

COMING SOON: Invited researchers grants.....	69
Research scholarships .....	70
Ralph Brown expedition award.....	70
Thesiger-Oman fellowships.....	70
Graduate student scholarships .....	70
Annual conference travel grants .....	71
Visiting professor – grants for foreign scientists .....	71
Entrepreneur in residence scheme .....	71
Gunning jubilee gift.....	71
Travelling fellowships .....	71
Visiting professorships.....	72
COMING SOON: Grants .....	72
Grace Murray Hopper award.....	72
Paris Kanellakis theory and practice award.....	72
Software system award.....	72
Allen Newell award.....	73
ECCMID travel grants.....	73
McGill-ASECS fellowship.....	73
Ethicon Foundation Fund travelling fellowship .....	73
Special programme on security, society and the state – research projects.....	74
Conference grants.....	74
Eugene L Lawler award.....	74
Glycoscience meeting grants.....	74
Karl V Karlstrom outstanding educator award .....	75
Travel fund .....	75
Postgraduate scholarships.....	75
Special programme on security, society and the state – research scholarships .....	75
College travelling fellowships.....	76
ICORS travel grant to Europe.....	76
Conference bursaries .....	76
Colloquia for PhD students and habilitandi grants.....	76
Bursary for fertility meeting.....	77
Collaboration bursaries – scientists in training.....	77
Study scholarships for graduates in fine art, design and visual communication and film – for selected countries.....	77
Cecilia Payne-Gaposchkin Doctoral Dissertation Award in Astrophysics.....	77
Boston children's hospital pediatric pathology visiting scholar award.....	78
Donald Metcalf award.....	78
McCulloch and Till award.....	78

Urban Science Journal travel award .....	78
Processes Journal travel awards .....	78
Symmetry Journal travel awards .....	79
Remote Sensing Journal travel award.....	79
Antibiotics Journal travel awards .....	79
Plants Journal travel awards.....	79
Travel grants.....	79
Buildings Journal travel awards .....	80
FDDI visiting scholar programme.....	80
Funding for the promotion of food and sustainability education .....	80
Conference and workshop grants .....	80
Professor Hering memorial research fund.....	81
Study visits .....	81
Travel grants.....	81
COMING SOON: International travel grants.....	81
Lemelson Center fellowship programme .....	82
Grants .....	82
International travelling scholarship .....	82
Research student conference fund.....	82
Travel grants.....	83
Scientific programmes.....	83
Sponsored events grants – single lectures and small events.....	83
Graduate programme in Japanese language and culture – master’s courses.....	83
COMING SOON: Intellectual exchange conferences grants .....	84
Allan Martin award .....	84
Travel grants.....	84
Dutch language teacher platform fund .....	84
Dutch as a foreign language grants .....	84
Disability rights scholarship programme .....	85
Travel bursaries for junior scientists .....	85
Peter B Cotton advanced endoscopy travel fellowship programme .....	85
African cancer researchers travel awards.....	85
Fellowships .....	85
Developing country eye researcher travel fellowships .....	86
Visiting research scholar .....	86
COMING SOON: General student travel awards.....	86
International dissertation research grant.....	86
Selva J Raj endowed international dissertation research fellowship.....	86

ACI/James Instruments student award for research on non-destructive testing of concrete .....	87
PF/APDA summer student fellowships.....	87
Young investigator fellowships.....	87
Congress travel grants.....	87
Kate Barlow award.....	88
Visiting scholar award.....	88
Travel grants.....	88
British Academy/Leverhulme small research grants.....	88
Comparative and evolutionary physiology section Novo Nordisk Foundation travel award.....	88
International fellowships .....	89
Academic workshop and symposium grants .....	89
Takeda research awards.....	89
Summer research fellowship – excellence in research award.....	89
Comparative and evolutionary section Dr Dolittle travel award.....	90
Resident scholarship to the annual meeting .....	90
Seminar competition.....	90
IADR/STAR Network Academy fellowships.....	90
American Society for Eighteenth-Century Studies fellowship.....	90
Herzog August Bibliothek Wolfenbüttel short-term fellowship .....	91
Harold M Weintraub graduate student award .....	91
Grants in herpetology .....	91
Travel grants.....	91
Dermatologist from a developing country award.....	91
Gertrude Elion memorial lecture award .....	92
William Prusoff young investigator award .....	92
William Morris Society fellowship programme .....	92
Graduate student fellowships.....	92
International travel grants.....	92
International affiliate development grants.....	93
Corrosion division Morris Cohen graduate student award.....	93
Antonin Holy memorial award.....	93
Newberry Library-American Musicological Society fellowship.....	93
Newberry Library-American Society for Environmental History fellowship.....	93
Young African scholars programme .....	94
Rinus Penninx best paper award .....	94
International peace scholarship .....	94
MaRINET2 call for access .....	94

International travel grants.....	95
Call for contributions for PRACEdays18 .....	95
Biannual meeting travel grants.....	95
De Luca Foundation motor control student travel awards .....	95
Del Jones memorial travel award.....	95
Edward H and Rosamond B Spicer travel awards .....	95
Annual student endowed award .....	96
Future Internet Journal travel award.....	96
Short term grants.....	96
International travel grants.....	96
Wolfsonian-Florida International University fellowship programme .....	96
Governance for development in Africa initiative residential school.....	97
Hibernian research award .....	97
Charlotte Anderson travel award .....	97
Educational grant .....	97
Events bursaries.....	97
Conference awards .....	98
Funding to visit another laboratory.....	98
Travel award for scientific meetings of ISN sister societies .....	98
Support for participation in scientific workshops, training courses and satellite meetings in developed or developing countries.....	98
Eminent visitors programme.....	99
International travel fellowship programme.....	99
John D Constable international travelling fellowship.....	99
Advanced school of Neuroscience on Neglected Tropical Diseases and Conditions of the Nervous System.....	99
Peter R d'Agostino research travel grants.....	99
Travel grants for educators.....	100
Small conservation grants.....	100
Marcus fund for physical geography .....	100
Scholarship to visit the Historical Archives of the European Union .....	100
Mother Theodore Guerin research travel grants .....	100
Meeting bursaries – winter meeting.....	101
Materials Journal travel awards .....	101
Lisa Jardine grant scheme.....	101
Forests Journal travel award .....	101
Resources Journal travel award .....	101
Grattan-Guinness archival research travel grant.....	102
International Journal of Environmental Research and Public Health travel award .....	102

## OCTOBER

### Grants-in-aid of research

#### **Sigma Xi**

These support students performing scientific investigation in any field. Grants are worth up to USD 5,000.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

### Interdisciplinary workshop grants

#### **Association for the Study of Animal Behaviour**

These support interdisciplinary discussions on current topics at the interface between animal behaviour and other disciplines, for example physics,

genetics, engineering or psychology. Grants are worth up to £5,000 each.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

### EXTENDED DEADLINE: Conference grants

#### **Association for the Study of Animal Behaviour**

\*\*\* The closing date for this opportunity has been extended. The previous deadline of 1 February has been extended to 9 February 2018. All other call details remain unchanged. These grants enable members to attend ASAB conferences. Grants are worth up to

£400 towards the costs of travel, registration, accommodation and meals.  
\*\*\*

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

### Jessup and McHenry awards

#### **Academy of Natural Sciences**

These support students wishing to conduct studies at the postgraduate, doctoral and postdoctoral level under the supervision or sponsorship of a member of the curatorial staff at the Academy of Natural Sciences. Awards include a subsistence stipend of USD

375 per week and a round-trip travel up to USD 1,000.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

### Franklin research grants

#### **American Philosophical Society**

These support scholars with the costs of research. Each grant is worth up to USD 6,000.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

## Harry S Truman Library Institute research grants

### **National Archives and Records Administration**

These enable graduate students, postdoctoral scholars and other researchers to visit the Harry S Truman Library for one to three weeks to use its collections. Grants are worth up to USD 2,500 each.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

## Conference support grants

### **International Mathematical Union**

These assist mathematical science-based conference organisers in offering mathematicians from developing countries travel and accommodation support to attend the conference.

Grants are worth up to €3,500 each for travel and accommodation costs.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

## Project grants

### **Nordic Culture Fund | Nordisk Kulturfond**

These support projects that contribute to an innovative and dynamic artistic and cultural scene in the Nordic region. Grants are worth up to DKK 500,000, however, projects should as a minimum be co-financed by 50 per cent and the

total amount applied for by Nordic schemes may not exceed 85 per cent.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

## Nokia visiting professor awards

### **Nokia Foundation**

These enable foreign professors to work in Finland or Finnish professors to work at foreign universities. The minimum period for visits is two months.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

## Research visit grants

### **Microbiology Society**

These enable researchers from the UK or Republic of Ireland to visit another

laboratory worldwide, or international researchers to visit a laboratory in the

UK or ROI, to carry out a defined piece of microbiology research. Grants are worth up to £3,000 each for visits lasting one to three months.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

### Visiting expert programme

#### **TWAS**

This supports visits of internationally renowned scientists to institutions located in developing countries. The World Academy of Sciences will cover travelling costs for the visiting expert

while the host institution is expected to cover local expenses.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

### President's fund

#### **Society for Applied Microbiology**

This assists members to present at scientific meetings or attend workshops related to their area of work. Grants are worth up to £1,200 each to cover

registration, accommodation, reasonable travel and subsistence costs.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

### Deborah Gerner grant for professional development

#### **International Studies Association**

This supports professional development projects in the field of international relations. The grant is worth USD 2,000.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

### Beam time – standard and programme access

#### **Diamond Light Source**

This provides beam time for individuals and groups conducting non-proprietary research. Funding is available for travel and subsistence costs. Access will be

free at the point of use for all non-proprietary research.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

### Keynote lectures

#### **European Molecular Biology Organisation**

These enable organisers of major international scientific meetings to invite a member of the European

Molecular Biology Organisation to give a keynote lecture. Awards are worth up to

€1,000 for European meetings and up to €2,000 for international meetings.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

### Wenner-Gren symposia grants

#### **Wenner-Gren Foundation for Anthropological Research**

These support week-long workshops that involve a small group of invited scholars who meet for intensive discussion on the big questions in anthropological theory and debate.

Grants provide full financial and logistical support for the symposia.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

### International development fund

#### **Microbiology Society**

This aims to assist microbiologists in countries with low-income or lower-middle-income economies. Awards are worth up to £5,000 each.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

### Research group grants

#### **Bielefeld University**

These support the establishment of interdisciplinary research groups in the natural sciences, humanities or social sciences. Grants are worth up to €500,000 over up to 10 months.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

### DoseWise radiographer of the year competition

#### **International Society of Radiographers and Radiological Technologists**

This recognises ongoing efforts of radiographers and promotes radiation dose management awareness around the world. The prize is worth up to €5,000 to cover airfare and entry to the annual meeting of the Radiological

Society of North America to be held in Chicago from 26 November to 1 December 2017.

**Closing date: 01 Oct 18 (Forecast)**

[Link to \\*Research Professional](#)

### Junior scientist conference grants – non-society meetings

#### **Genetics Society**

These enable junior scientists to attend non-society meetings in the area of

genetics. Grants are worth up to £750, or £1,000 in the case of the Galton

Institute co-sponsored awards, to cover travel, accommodation, and registration costs.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

### Lisa Lena Opas-Hänninen young scholar prize

#### **Alliance of Digital Humanities Organizations**

This enables conference organisers to recognise a scholar who has contributed in a significant way at a humanities conference using digital technology. Up

to two prizes, worth €750 each, are available.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

### Clinical training fellowship

#### **European Respiratory Society**

This enables members in the early stages of their careers in respiratory medicine to visit a host institution in a European country other than their own to learn a skill or procedure not available at their home institution.

Funding covers living costs of up to €3,800 per month plus travelling expenses and child allowance.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

### Mentoring awards

#### **Socio-Legal Studies Association**

These enable members to visit and spend up to a week working with a chosen socio-legal mentor. Funding covers travel and accommodation costs.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

### International travel grants

#### **International Society for Matrix Biology**

These allow young scientists to attend major meetings focused on matrix biology anywhere in the world. Grants are worth up to €800 each.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

### Global exchange lecture series

#### **European Molecular Biology Organisation**

This supports scientific exchange through contributions towards researchers giving lectures. Funding consists of up to €3,500 towards researchers' travel expenses.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

## Grants for educational activities

### **International Society of Blood Transfusion**

These support educational activities relating to the practice of transfusion medicine and allied fields all over the globe.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

## MX user programme – XChem fragment screening

### **Diamond Light Source**

This provides academic access to Diamond's X-ray structure-accelerated, synthesis-aligned fragment medicinal chemistry (XChem) screening facility.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

## Immunology winter school grants

### **European Academy of Allergy and Clinical Immunology**

These enable young scientists who are active in the fields of allergy and clinical immunology to attend the next immunology winter school. Grants cover registration and accommodation

costs for 70 participants. A limited number of travel grants is available.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

## IMU/Simons African fellowship programme

### **International Mathematical Union**

This enables mathematicians working in African developing countries to visit a centre of excellence in any part of the world for collaborative research. The fellowship is worth up to USD 5,000 and

covers travel and accommodation costs, visa fees, insurance and living costs.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

## Scholarships

### **International Cartographic Association**

These support individuals in advancing their career in cartography and

geographic information science. The scholarships are worth up to €500, or

€750 if the applicant is from a non-developed country, for commission workshops and €1,000 or €1,500 for international and regional conferences.

**Closing date: 01 Oct 18 (Forecast)**

[Link to \\*Research Professional](#)

### Simons Foundation/CRM scholar-in-residence programme

#### **Centre for Mathematical Research | Centre de Recherches Mathématiques**

This enables researchers in mathematics and related areas to partake in extended visits to the centre, based in Montréal, Canada. Support covers round-trip travel to Montréal

and accommodation costs for visits of between one and six months.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

### Professional development grant

#### **Cancer Society of New Zealand**

This supports researchers and health professionals working in the Wellington region in attending relevant conferences, seminars and courses in New Zealand or overseas, or experts from abroad to contribute to cancer care in NZ. Funding is roughly

equivalent to the fare components of applicants' total costs, with other sources providing the remainder.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

### Visegrad grants

#### **International Visegrad Fund**

These support projects that contribute to regional cooperation and advancement of innovativeness and sustainability in Central and Eastern Europe, with focus on the Czech Republic, Hungary, Poland and Slovakia

(V4). The average award is worth €20,000 over up to 18 months.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

### Visegrad+ grants

#### **International Visegrad Fund**

These support projects which contribute to the democratisation and transformation processes in selected countries and regions, especially non-EU member states in the Western Balkans and the Eastern Partnership

countries. The average grant is worth €20,000 over up to 18 months.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

## Globalisation conference on contents and discontents – travel support

### **World Bank**

This enables attendance at a globalisation conference with the theme of contents and discontents, to be held in January 2019 in Kuala Lumpur. All

conference costs for selected authors will be fully covered.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

## Childcare grant

### **Association for the Study of Animal Behaviour**

This enables members with young children to attend the association conference or workshop. Grants are worth up to £400 each.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

## Cells Journal travel awards

### **Multidisciplinary Digital Publishing Institute**

These support PhD students or postdoctoral fellows in attending an international conference in 2019. Awards are worth CHF 500 each.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

## Collaborative international research grants

### **American Academy of Religion**

These support research collaborations between scholars located in different geographical regions in any area of the study of religion. Grants are worth between USD 500 and USD 5,000.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

## Individual research travel support

### **International Mathematical Union**

This enables travel to other institutions for research purposes. Funding is worth between €1,500 and €2,500 for a minimum stay of one month.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

## K Patricia Cross future leaders awards

### **American Association of Colleges and Universities**

These support graduate students in attending the association's annual meeting. Awards include travel, accommodation, registration and a one-year membership to the association.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

### Palaeontology exceptional lecturer

#### **Palaeontological Association**

This recognises a lecturer in palaeontology for their outstanding research and enables them to give five lectures at five different institutions. The award is worth up to £2,000 to pay

for travel to the host institutions over a five-month period.

**Closing date: 01 Oct 18**

[Link to \\*Research Professional](#)

### Arts project grants for organisations

#### **Australia Council for the Arts**

These support activities that deliver benefits to the arts sector and wider public, including national and international audiences. Grants are worth between AUD 10,000 and AUD 100,000 for up to two years.

**Closing date: 02 Oct 18**

[Link to \\*Research Professional](#)

### Individual mobility grants – innovation in artificial intelligence

#### **Vinnova**

These enable researchers to visit other organisations in a sector different from their current one, in order to conduct innovation, research or development projects in artificial intelligence. Grants

are worth SEK 300,000 over three months.

**Closing date: 02 Oct 18**

[Link to \\*Research Professional](#)

### Global partners capacity-building award

#### **Society of Environmental Toxicology and Chemistry**

This recognises individuals or groups for their contribution towards building capacity in the environmental sciences within countries with developing economies. The award comprises USD

1,000, and registration and travel costs to the societies' annual meeting.

**Closing date: 04 Oct 18**

[Link to \\*Research Professional](#)

### Postdoctoral fellowships

#### **Lizard Island Research Station**

These enable early-career scientists to conduct research at the Lizard Island Research Station. Fellowships are worth up to AUD 16,500 each for Australian researchers and AUD 15,000 each for

those based overseas, and are tenable for up to two years.

**Closing date: 05 Oct 18**

[Link to \\*Research Professional](#)

### Youth summit competition – human capital

#### **World Bank**

This supports young individuals and teams in attending the youth summit, to be held in Washington DC from 3 to 4 December 2018, where they can pitch ideas that contribute to shrinking the human capital gap and fostering the

skills and wellbeing of individuals in their community, country or society at large.

**Closing date: 05 Oct 18**

[Link to \\*Research Professional](#)

### PhD seminar in American history and American studies – financial support

#### **Roosevelt Institute for American Studies**

This supports PhD students in presenting their research project at the seminar, to be held from 18 to 20 November 2018 in Middelburg, The

Netherlands. Accommodation and meals are covered by the institute.

**Closing date: 05 Oct 18**

[Link to \\*Research Professional](#)

### Annette K Baxter travel grants

#### **American Studies Association**

These provide partial travel reimbursement to advanced graduate students who are ASA members to travel and present a paper at the annual

meeting. Grants are worth USD 300 each.

**Closing date: 06 Oct 18**

[Link to \\*Research Professional](#)

### Graduate student travel support

#### **Society of Toxicology**

This enables a PhD candidate in toxicology to attend the society's annual meeting.

**Closing date: 07 Oct 18**

[Link to \\*Research Professional](#)

### Student transportation subsidies

#### **Acoustical Society of America**

These partially defray transportation expenses for students attending meetings.

**Closing date: 08 Oct 18**

[Link to \\*Research Professional](#)

### Global Humanities Institute summer school on crises of democracy through the prism of cultural trauma

#### **Consortium of Humanities Centers and Institutes**

This supports graduate students and early-career researchers in participating in the intensive summer school, to be held in July 2019 in Dubrovnik, Croatia. Participants' travel,

accommodation and main meals will be covered for the residency.

**Closing date: 08 Oct 18**

[Link to \\*Research Professional](#)

### IUTOX travel award

#### **International Union of Toxicology**

This enables junior or senior scientists from a country where toxicology is underrepresented to attend the society's annual meeting.

**Closing date: 09 Oct 18**

[Link to \\*Research Professional](#)

### Translational and bridging travel award

#### **Society of Toxicology**

This enables mid or senior-level scientists or clinicians to travel to the society's annual meeting. Two awards are available, each including USD 2,000

plus a complimentary meeting registration each.

**Closing date: 09 Oct 18**

[Link to \\*Research Professional](#)

## International ToxScholar outreach grants

### **Society of Toxicology**

These enable members of the society to expand the awareness of toxicology and to promote toxicology careers by travelling to developing nations to interact with graduate and

undergraduate students. Grants are worth up to USD 1,250 each.

**Closing date: 09 Oct 18**

[Link to \\*Research Professional](#)

## Conference attendance assistance

### **International Institute for Asian Studies**

These support PhD students, early-career scholars and registered members of GIS Asia in attending the International Convention of Asia Scholars. Grants are only intended to

partially cover the recipient's conference attendance.

**Closing date: 10 Oct 18**

[Link to \\*Research Professional](#)

## Congress grants

### **European Society of Radiology**

These provide researchers with an opportunity to attend the European Congress of Radiology in Vienna, Austria between 27 February to 3 March 2019. Grants include a free registration fees to this conference or

next year's one and possible accommodation depending on the grant.

**Closing date: 10 Oct 18**

[Link to \\*Research Professional](#)

## COMING SOON: Charlemont grants

### **Royal Irish Academy | Acadamh Ríoga na hÉireann**

\*\*\* This opportunity will be available soon. The next call is expected to open in winter 2018. The following information is subject to change. These grants support short international visits for the conduct of primary research in

any subject area. Grants are worth up to €2,500 each for one to six week visits. Typically, 30 grants are awarded. \*\*\*

**Closing date: 11 Oct 18 (Forecast)**

[Link to \\*Research Professional](#)

## HIV scholarships

### **HIV Research Trust**

These scholarships support investigators in resource-limited settings from low-income and lower-middle-income countries working in the

field of HIV infection. Scholarships are worth up to £8,000 each.

**Closing date: 12 Oct 18**

[Link to \\*Research Professional](#)

## Scholarships

### **University Association for Contemporary European Studies**

These enable existing postgraduate students to undertake research in another country. Four scholarships, worth £1,500 each, are available.

**Closing date: 12 Oct 18**

[Link to \\*Research Professional](#)

## Transnational access call

### **INTERACT**

This enables user groups to both physically and remotely access INTERACT's sites in the Arctic and northern forest and alpine areas. Successful applicants are granted free

access up to three months, and INTERACT will also cover travel.

**Closing date: 12 Oct 18**

[Link to \\*Research Professional](#)

## Research prize in acute cardiovascular care

### **European Society of Cardiology**

This recognises unpublished research in the area of acute cardiovascular care applied to the development of novel therapeutic, diagnostic and logistical strategies to improve patient care and long-term outcomes. The prize is worth

up to €3,000 and free registration to the congress.

**Closing date: 12 Oct 18**

[Link to \\*Research Professional](#)

## Travel scholarships – American Society of Hematology annual meeting

### **British Society for Haematology**

These enable society members to present their work at the American Society of Hematology annual meeting. Five scholarships, worth up to £1,000 each, are available.

**Closing date: 12 Oct 18**

[Link to \\*Research Professional](#)

## Travel grants to China

### **Max Weber Foundation | Max Weber Stiftung**

These enable researchers to do fieldwork, archive or library research in China, preferably in Beijing. Grants are worth approximately €4,500 for up to three months, in addition to a €700 travel grant.

**Closing date: 12 Oct 18**

[Link to \\*Research Professional](#)

### Laxmi Baxi award

#### **Society for Reproductive Investigation**

This recognises abstracts in basic reproductive science and in translational reproductive science. Two awards, worth USD 1,000 each, are available.

**Closing date: 13 Oct 18 (Forecast)**

[Link to \\*Research Professional](#)

### Thomas McDonald Foundation travel award

#### **Society for Reproductive Investigation**

This recognises an abstract by an investigator in-training within the field of brain and endocrine development. The award includes a check.

**Closing date: 13 Oct 18 (Forecast)**

[Link to \\*Research Professional](#)

### Young leaders programme

#### **Women Deliver**

This provides youth advocates with the training and resources necessary to extend their influence and actively shape the programmes and policies that

affect their lives. Grants worth approximately USD 5,000 are available.

**Closing date: 13 Oct 18 (Forecast)**

[Link to \\*Research Professional](#)

### Albert Renold travel fellowships

#### **European Association for the Study of Diabetes**

These enable scientists and clinicians to travel and stay at other institutions in order to learn specific scientific techniques or clinical skills required for the advancement of their diabetes research project that are not available

at their home institution. Awards are worth up to €8,000 each over up to three months.

**Closing date: 15 Oct 18**

[Link to \\*Research Professional](#)

### Reagan-Fascell democracy fellows programme

#### **National Endowment for Democracy**

This is an international exchange programme that offers practitioners, scholars, and journalists from around the world the opportunity to spend five months in residence at the National Endowment for Democracy, in

Washington, DC, in order to undertake independent research on democracy in a particular country or region.

**Closing date: 15 Oct 18 (Forecast)**

[Link to \\*Research Professional](#)

### Travel research grant

#### **Costume Society of America**

This supports a non-student member of the society in travelling to and conducting research at a library, archive, museum or other institution or site in order to further an ongoing

research project. The grant is worth up to USD 2,100.

**Closing date: 15 Oct 18**

[Link to \\*Research Professional](#)

### New Zealand History Research Trust Fund

#### **New Zealand Ministry for Culture and Heritage**

These support projects that enhance the understanding of New Zealand's past. Ten to twelve grants worth up to NZD 12,000 each are available.

**Closing date: 15 Oct 18**

[Link to \\*Research Professional](#)

### WT and Idalia Reid prize

#### **Society for Industrial and Applied Mathematics**

This recognises research or other contributions to the broadly defined areas of differential equations and control theory. The prize includes a cash award of USD 10,000.

**Closing date: 15 Oct 18**

[Link to \\*Research Professional](#)

### International travel scholarships

#### **American Society of Colon and Rectal Surgeons**

These aim to assist young colorectal surgeons in countries outside the US and Canada to attend the society's annual scientific meeting. Scholarships include travel and registration costs.

**Closing date: 15 Oct 18**

[Link to \\*Research Professional](#)

### Small research grants

#### **BioSocial Society**

These enable postgraduate students to conduct research related to biosocial topics. Two awards of £750, one for fieldwork and one for data collections, are available at each round.

**Closing date: 15 Oct 18**

[Link to \\*Research Professional](#)

### Feigenbaum cardiovascular sonographer student travel grant

#### **American Society of Echocardiography**

This provides partial financial support to sonography students who would otherwise be unable to attend the society's annual scientific sessions or any other educational course of the

current cycle directly sponsored by the society. The grant is worth USD 1,000.

**Closing date: 15 Oct 18**

[Link to \\*Research Professional](#)

### Rideal travel bursaries

#### **Society of Chemical Industry**

These enable early-career researchers in the general field of colloid and surface science to attend international conferences or to visit relevant research

institutions for a study visit. Bursaries are worth up to £500 each.

**Closing date: 15 Oct 18**

[Link to \\*Research Professional](#)

### Support for scientific meetings

#### **International Union of Geodesy and Geophysics**

This supports the organisation of scientific meetings such as workshops, advanced schools or symposia in the fields of geophysics and geodesy.

Between 10 and 15 meetings each year may receive up to USD 2,000 each.

**Closing date: 15 Oct 18**

[Link to \\*Research Professional](#)

### International focus groups grants

#### **International Union for Quaternary Research**

These support non-permanent collaborations that address scientific issues of international significance related to quaternary research. Grants

are typically worth between €5,000 and €8,000.

**Closing date: 15 Oct 18**

[Link to \\*Research Professional](#)

### Research grants

#### **Society of Architectural Historians of Great Britain**

These support the cost of travel, building surveys, photography and conference attendance. Bursaries do not normally exceed £500, but in

exceptional circumstances a grant of up to £1,000 may be awarded.

**Closing date: 15 Oct 18**

[Link to \\*Research Professional](#)

## Scholarships for women

### **Fredrika Bremer Association | Fredrika Bremer-Förbundet**

These support young women who are undertaking full-time postgraduate studies. Grants are worth approximately SEK 20,000.

**Closing date: 15 Oct 18**

[Link to \\*Research Professional](#)

## Large conference grants

### **Society for the Study of Medieval Languages and Literature**

These support conferences promoting research in medieval languages and literature. Grants are worth at least £500.

**Closing date: 15 Oct 18**

[Link to \\*Research Professional](#)

## Seligman travel bursary

### **Society of Chemical Industry**

This supports the career development of PhD students, postdoctoral researchers and industrial researchers, by helping them to broaden their vision and share cutting-edge knowledge at

international conferences or laboratory visits.

**Closing date: 15 Oct 18**

[Link to \\*Research Professional](#)

## Analysis of partial differential equations prize

### **Society for Industrial and Applied Mathematics**

This recognises an author or authors of a paper on a topic in partial differential equations. All authors of the paper will receive a certificate and travel expenses will be reimbursed for one speaker.

**Closing date: 15 Oct 18**

[Link to \\*Research Professional](#)

## Travel for techniques programme

### **American Association of Immunologists**

This supports regular and associate member scientists in learning techniques needed for their research. The award is worth up to USD 1,500.

**Closing date: 15 Oct 18**

[Link to \\*Research Professional](#)

## Policy and practice fellowships

### **National Socio-Environmental Synthesis Center**

These support individuals in travelling to and working on-site at the National Socio-Environmental Synthesis Center. Fellowships support short-term visits of less than two months.

**Closing date: 15 Oct 18**

[Link to \\*Research Professional](#)

## EAU/SUO exchange programme

### **European Association of Urology**

This enables scholars to conduct a two-week stay at a department of their choice in the field of urology. Two grants are available, which cover all

meeting registration fees as well as travel and accommodation.

**Closing date: 15 Oct 18**

[Link to \\*Research Professional](#)

## Clinician scholarship programme

### **Academy for Eating Disorders**

This enables clinicians and educators to attend the International Conference on Eating Disorders to gain new knowledge and skills in the field of eating disorders and share this knowledge and experience with their respective

communities. Grants are worth up to USD 1,500 each.

**Closing date: 15 Oct 18**

[Link to \\*Research Professional](#)

## Conference bursaries

### **Council for Australasian University Tourism and Hospitality Education**

This supports travel to and attendance at the council's conference, to be held in February 2019 in Cairns. Bursaries are worth up to AUD 2,500 each, plus

conference registration and one year's membership of the council.

**Closing date: 15 Oct 18**

[Link to \\*Research Professional](#)

## MAA/CARA conference grant

### **Medieval Academy of America**

This supports an annual regional or consortial conference taking place the year after the application is submitted. One grant, worth USD 1,000, is available.

**Closing date: 15 Oct 18**

[Link to \\*Research Professional](#)

### UltraEcho cardiovascular student travel grant

#### **American Society of Echocardiography**

This supports the travel of a sonography student to attend educational courses in 2019 directly sponsored by the ASE or the society's annual scientific sessions. The grant includes USD 1,000,

complimentary registration and a one-year student membership in the ASE.

**Closing date: 15 Oct 18**

[Link to \\*Research Professional](#)

### Anti-tissue factor pathway inhibitor approaches in haemophilia treatment

#### **Pfizer**

This supports independent education for haematologists focusing on understanding of novel approaches to haemophilia treatment including anti-tissue factor pathway inhibitor.

Proposals may request up to USD 25,000.

**Closing date: 15 Oct 18**

[Link to \\*Research Professional](#)

### Short-term visitors programme

#### **National Socio-Environmental Synthesis Center**

This supports visits by scholars to the National Socio-Environmental Synthesis Center to work on synthesis projects. Funding covers travel to and work on-site at the Center.

**Closing date: 15 Oct 18**

[Link to \\*Research Professional](#)

### Student and early-career investigator travel fellowship programme

#### **Academy for Eating Disorders**

This supports students and early-career investigators to attend the 2018 International Conference on Eating Disorders. Up to seven awards of USD 1,500 each are available.

**Closing date: 15 Oct 18**

[Link to \\*Research Professional](#)

### Research seminar funding

#### **Institute for Research and Innovation in Society | Institut Francilien Recherche Innovation Société**

This supports the hosting of seminars that explore new domains, establish

partnerships, or continue an existing discussion. Grants are worth up to €15,000 each.

**Closing date: 15 Oct 18**

[Link to \\*Research Professional](#)

### Journal of Developmental Biology travel award

#### **Multidisciplinary Digital Publishing Institute**

This supports a postdoctoral researcher or PhD student in attending a conference. The award is worth CHF 800.

**Closing date: 15 Oct 18**

[Link to \\*Research Professional](#)

### World conference on research integrity – travel grants

#### **University of Hong Kong**

These aim to increase the diversity of meeting participants and facilitate participants from eligible emerging or developing countries who are unable to raise the necessary funds to attend the sixth world conference on research

integrity. Funding of between HKD 5,000 and HKD 15,000 will be provided.

**Closing date: 15 Oct 18**

[Link to \\*Research Professional](#)

### Digital Humanities Summer Institute scholarships

#### **Renaissance Society of America**

These scholarships aim to support innovative research and pedagogy in all RSA disciplines, as well as new interdisciplinary collaborations, at all stages of such work. Up to six

scholarships covering the cost of tuition are available, each for one week.

**Closing date: 17 Oct 18 (Forecast)**

[Link to \\*Research Professional](#)

### Atlantic dialogues emerging leaders programme

#### **OCP Policy Center**

This brings together young leaders from around the Atlantic basin who aim to shape the regional and global agenda in politics, finance, business, civil society, academia and the media. Funding is available to cover costs of local travel,

meals and hotel expenses for the duration of the conference.

**Closing date: 17 Oct 18**

[Link to \\*Research Professional](#)

### Lindau Nobel Laureate meeting travel grant

#### **Lindau Nobel Laureate Meetings**

This supports young scientists in attending the annual gathering of Novel Laureates at Lindau.

**Closing date: 18 Oct 18**

[Link to \\*Research Professional](#)

### Travel grants

#### **British Society for Paediatric Endocrinology and Diabetes**

These enable members to attend the society's conference where they have been accepted as presenting authors. Grants are worth up to £250.

**Closing date: 19 Oct 18**

[Link to \\*Research Professional](#)

### John Haddad young investigator awards

#### **American Society for Bone and Mineral Research**

These aim to facilitate the professional development of young basic and clinical scientists in the field of bone and mineral metabolism by providing financial support to attend the annual

meeting. Ten awards, worth USD 1,600 each, are available.

**Closing date: 22 Oct 18**

[Link to \\*Research Professional](#)

### Researcher mobility grants

#### **Royal Society of Chemistry**

These enable PhD and early-career researchers to undertake short- to mid-term scientific visits to organisations overseas or in the UK. Grants are worth up to £5,000.

**Closing date: 22 Oct 18**

[Link to \\*Research Professional](#)

### Emerging countries conference registration grants

#### **European Society for Radiotherapy and Oncology**

These enable society members from emerging countries to attend society meeting. Grants provide reduced registration fee to the conference.

**Closing date: 22 Oct 18**

[Link to \\*Research Professional](#)

### Keystone symposium global health travel award

#### **Bill and Melinda Gates Foundation**

This enables scientists, physicians, fellows or students from countries where the meeting topic health problems are endemic, to attend any of the keystone symposia. The award

covers conference-related expenses including meeting registration, lodging, airfare and ground transportation from host airport to the resort.

**Closing date: 23 Oct 18**

[Link to \\*Research Professional](#)

### International scholarship award

#### **American Academy of Neurology**

This enables international candidates to attend and participate in the academy's annual meeting. Awards each include up to USD 2,500 and free registration for the annual meeting.

**Closing date: 24 Oct 18**

[Link to \\*Research Professional](#)

### Bruce S Schoenberg international award in neuroepidemiology

#### **American Academy of Neurology**

This recognises a promising young investigator from a developing country or Eastern Europe engaged in epidemiologic research on a neurological disease. The award includes travel and lodging expenses,

complimentary registration and education programme fees for the annual meeting.

**Closing date: 24 Oct 18**

[Link to \\*Research Professional](#)

### Junior brachytherapy travel grants

#### **European Society for Radiotherapy and Oncology**

These enable society members currently in training to attend the society meeting. Five grants, worth €1,000 each, are available.

**Closing date: 24 Oct 18**

[Link to \\*Research Professional](#)

### Advanced practice provider scholarship

#### **American Academy of Neurology**

This supports the participation of advanced practice providers at the annual meeting. Two USD 2,000 scholarships are available.

**Closing date: 24 Oct 18**

[Link to \\*Research Professional](#)

### Neuro-oncology investigator award

#### **American Academy of Neurology**

This recognises young investigators who have advanced the field of neuro-oncology. The award includes a cash

prize of USD 1,000, and complimentary registration and travel expenses of up to

USD 200 to the academy's annual meeting.

**Closing date: 25 Oct 18 (Forecast)**

[Link to \\*Research Professional](#)

### AAI-BD Biosciences investigator award

#### **American Association of Immunologists**

This recognises an early-career investigator for contributions to the field of immunology. The award includes a USD 5,000 cash award, plus meeting registration at the early rate

and travel support to the association's annual meeting.

**Closing date: 26 Oct 18 (Forecast)**

[Link to \\*Research Professional](#)

### AAI-Steinman award in human immunology research

#### **American Association of Immunologists**

This recognises an individual who has made significant contributions to the understanding of immune processes underlying human disease pathogenesis, prevention or therapy. The award includes a USD 5,000 cash

prize, plus meeting registration at the early rate and travel support to the annual meeting.

**Closing date: 26 Oct 18 (Forecast)**

[Link to \\*Research Professional](#)

### AAI-Thermo Fisher meritorious career award

#### **American Association of Immunologists**

This recognises a mid-career scientist for research contributions to the field of immunology. The award includes a cash prize of USD 10,000 plus meeting registration at the early rate and travel support to the AAI annual meeting,

where the recipient will present an award lecture.

**Closing date: 26 Oct 18 (Forecast)**

[Link to \\*Research Professional](#)

### McLaughlin-Gallie visiting professorship

#### **Royal College of Physicians and Surgeons of Canada | Collège Royal des Médecins et Chirugiens du Canada**

This enables visiting professors to spend up to one week at one or two Canadian faculties of medicine. The professorship is worth up to CAD 9,000.

**Closing date: 26 Oct 18**

[Link to \\*Research Professional](#)

### Collaborative research network funding

#### **University Association for Contemporary European Studies**

This enables researchers to develop networks across a range of institutions, which may lead to bigger projects and funding from other sources in the

future. Grants are worth up to £5,000 per network over a three-year period.

**Closing date: 26 Oct 18**

[Link to \\*Research Professional](#)

### Sharing together initiative

#### **Arts Council of Wales | Cyngor Celfyddydau Cymru**

This encourages the creation of new networks and strengthens existing networking opportunities, particularly among professionals in the field of marketing, publicity, PR and audience

development. Grants are worth up to £2,500 each.

**Closing date: 26 Oct 18**

[Link to \\*Research Professional](#)

### Quarterly Journal of Mechanics and Applied Mathematics fund for applied mathematics

#### **Institute of Mathematics & its Applications**

This supports travel and collaboration activities of relevance to applied mathematics in the UK. The total budget is £25,000 at each round.

**Closing date: 26 Oct 18**

[Link to \\*Research Professional](#)

### Postdoctoral fellowship programme 2018

#### **National Socio-Environmental Synthesis Center**

This supports early career scholars in conducting postdoctoral studies, and advances their understanding of theories and methods foundational to research on socio-environmental systems and of the science-policy nexus.

Fellowships have a duration of two years and start on August 2018.

**Closing date: 27 Oct 18 (Forecast)**

[Link to \\*Research Professional](#)

### COMING SOON: International member grant

#### **Institute of Physics**

\*\*\* This opportunity will be available soon. The next call is expected to open in September 2018. The following information is subject to change. This grant supports institute members outside the UK or Ireland in running

events in partnership with their national physical societies. Grants are worth up to £500 each. \*\*\*

**Closing date: 27 Oct 18 (Forecast)**

[Link to \\*Research Professional](#)

## Child development – Rolandic epilepsy and ADHD

### **Waterloo Foundation**

These support projects that address ADHD and Rolandic epilepsy and the factors that influence them in the context of psychological and behavioural development of children. Grants are usually worth between

£40,000 and £60,000 each, covering the direct research costs.

**Closing date: 29 Oct 18 (Forecast)**

[Link to \\*Research Professional](#)

## Past & Present research expenses grants – overseas students

### **Royal Historical Society**

These enable postgraduate students to make visits to archives and other site-visits away from their home institution. Grants are worth between £50 and £750 each towards travel costs.

**Closing date: 29 Oct 18**

[Link to \\*Research Professional](#)

## DEADLINE BROUGHT FORWARD: Young investigator colloquium

### **American Psychosomatic Society**

\*\*\* The closing date for this opportunity has been brought forward. The previous deadline of 11 November has been brought forward to 29 October 2018. All other call details remain unchanged. This programme offers young investigators a research-focused experience at the society's annual

meeting, to be held in 2019 in Vancouver, British Columbia. Awards include complimentary meeting registration for two consecutive years and a travel stipend. \*\*\*

**Closing date: 29 Oct 18**

[Link to \\*Research Professional](#)

## VALIDATE training grants

### **University of Oxford**

These enable postdoctoral researchers to take advantage of training opportunities that will contribute to their professional development. Grants are worth up to £3,000.

**Closing date: 29 Oct 18**

[Link to \\*Research Professional](#)

### Lewis and Clark fund for exploration and field research

#### **American Philosophical Society**

This supports exploratory field studies for the collection of specimens and data and to provide the imaginative stimulus that accompanies direct observation. Funding depends on travel costs, but

may range from several hundred dollars up to about USD 5,000.

**Closing date: 30 Oct 18**

[Link to \\*Research Professional](#)

### Wiley Blackwell/Journal of Neurochemistry international lectureships

#### **International Society for Neurochemistry**

These support a plenary lecture at the annual meetings of societies of neurochemistry, neuroscience or neurobiology by an eminent, international neuroscientist on a topic related to molecular and cellular

neurobiology. There are three lectureships available per year, each worth USD 5,000.

**Closing date: 30 Oct 18 (Forecast)**

[Link to \\*Research Professional](#)

### Energies Journal travel awards

#### **Multidisciplinary Digital Publishing Institute**

These support postdoctoral fellows and PhD students in attending a conference in 2019 to present original work. Two awards, worth CHF 800 each, are available.

**Closing date: 30 Oct 18**

[Link to \\*Research Professional](#)

### Sir Kenneth Blaxter award

#### **British Society of Animal Science**

This supports younger members of the society in the early years of their animal science career. The award is worth up to £1,500.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

### Theodora Bosanquet bursary

#### **British Federation of Women Graduates**

This supports women postgraduate students whose research in history or English literature requires a short residence in London in the summer.

Two bursaries, which cover the cost of accommodation in a hall of residence for a period of up to four weeks, are available.

Closing date: 31 Oct 18

[Link to \\*Research Professional](#)

### Research workshops in international studies

#### **British International Studies Association**

These enable association members to organise workshops to be held on the day immediately preceding the conference, which will take place in June 2019, in London, UK. Funding includes room and audio visual hire

costs, and a £1,000 travel budget per workshop to enable participants to attend the workshops.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

### Travelling fellowship

#### **Stapledon Memorial Trust**

This supports research on all aspects of grassland use, including production, amenity, social, economic and environmental implications. Fellowships may last for one to six months and cover the cost of travel to

and from the UK and some internal travel.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

### Practical skills grants

#### **Society for Endocrinology**

These assist members in visiting labs to learn a technique or to carry out experiments essential to their projects, and in attending lab-based workshops

to gain practical skills. Grants are worth up to £1,000 each.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

### Early-career scientific development grant

#### **European Society for Paediatric Endocrinology**

This supports early-career researchers gathering information and experience on a specific research issue or on a laboratory technique in the field of

paediatric endocrinology. Four grants, worth up to €2,500 each are available.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

### Boomerang award

#### **Australian Society for Biochemistry and Molecular Biology**

This enables an expatriate Australian biochemist or molecular biologist to return to Australia to present their work in a symposium at the ComBio meeting and to give seminars at

universities or research institutes in at least one other Australian city. The award includes free registration at ComBio and a contribution towards travel and accommodation expenses.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

### AJ Banks travel bursaries

#### **Society of Chemical Industry**

These enable young PhD students and postdoctoral researchers to attend meetings related to food science, engineering and technology.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

### Messel travel bursaries

#### **Society of Chemical Industry**

These enable postgraduate students to attend meetings and laboratory visits for activities related to chemical science including all life sciences, engineering and technology. Funding will not be

given for visits which are part of the normal course of a cosponsored PhD.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

### Richardson travel awards

#### **Society of Chemical Industry**

These enable candidates working in the general field of research and development in process engineering, process chemistry and related topics to attend meetings or visit institutions.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

### Awards for learning, development and research

#### **Royal College of Occupational Therapists**

These support members' learning, development and research activities. Eight types of awards worth up to £5,000 each are available.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

### Bursary for psychiatrists from developing countries

#### **Royal College of Psychiatrists**

This enables a psychiatrist from a developing country to attend the faculty's annual residential meeting, which will take place in March 2019, in

order to give an oral or poster presentation, or to deliver a workshop. The bursary is worth £1,500.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

### International development and education award

#### **American Society of Clinical Oncology**

These support young oncologists in low- and middle-income countries by enabling them to attend the society's annual meeting and visit an institution in a high-income country in order to improve cancer care in their home countries. The award includes travel to

the meeting and the mentor's home institution and a three-year society membership.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

### Expedition award

#### **African Bird Club**

This supports larger conservation projects on ornithology in Africa. A smaller number of awards, each worth up to £3,000, are available each year.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

### Ian McCrae travel award

#### **Institution of Environmental Sciences**

This enables air quality professionals to attend a conference or training course in the UK or abroad. The award is worth up to £1,000.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

### Technology transfer and mobility grants

#### **European Society for Radiotherapy and Oncology**

These enable clinicians and scientists working or studying in the field of radiation oncology to visit another institute to learn about or gain experience with different techniques

and equipment. Grants are worth up to €2,500 each.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

### Conference Committee support

#### **International Society for Neurochemistry**

This supports the organisation of small conferences on specialised neurochemical topics, and sponsors

neurochemistry symposia within meetings of other scientific societies or groups. The society funds small

conferences with up to USD 20,000, and symposia with up to USD 7,000.

Closing date: 31 Oct 18

[Link to \\*Research Professional](#)

### Young surgeons and alumni club research fellowship

#### **European Society of Surgical Oncology**

This enables young surgeons to expand their research experience in surgical oncology by providing training at renowned cancer centres in a country other than their own. The fellowship is

worth €1,500 for a training period of one to three months.

Closing date: 31 Oct 18

[Link to \\*Research Professional](#)

### Study scholarships for graduates in performing arts

#### **German Academic Exchange Service (DAAD) | Deutscher Akademischer Austauschdienst**

These enable non-German graduates in the field of performing art to continue their education in Germany with a postgraduate or continuing course of study. Scholarships include a monthly stipend of €850 for between 10 and 24 months, plus travel and study

allowances, insurance, rent subsidy, family allowance and if necessary, language course.

Closing date: 31 Oct 18

[Link to \\*Research Professional](#)

### One-year grants for doctoral candidates, young academics and scientists from selected African countries

#### **German Academic Exchange Service (DAAD) | Deutscher Akademischer Austauschdienst**

These enable young academics to carry out research or continue their education at a state or state-recognised institution of higher education or a non-university research institute in Germany, with the main aim to promote research projects within the context of doctoral

programmes. Grants are worth up to €1,200 per month for between seven and 10 months.

Closing date: 31 Oct 18

[Link to \\*Research Professional](#)

### Travel grants

#### **Nutrition Society**

These enable members to travel and attend scientific meetings and conferences relevant to nutrition. The total budget is £10,000 and grants range from £150 to £450 each.

Closing date: 31 Oct 18

[Link to \\*Research Professional](#)

## Minor conference and events awards

### **British Society for the History of Philosophy**

These support a broader range of activities on the history of philosophy, including conferences, workshops, regular research seminars, workshops, public lectures, and special panels in

conferences. Grants are worth up to £1,500 each.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

---

## Support for grassland conferences

### **Stapledon Memorial Trust**

This supports conferences that are relevant to the trust's interests on all aspects of grassland use, including the production, amenity, social, economic and environmental implications.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

---

## Bursary for non-society meetings

### **British Pharmacological Society**

This supports members of the society who wish to attend non-society meetings. The maximum award per meeting as well as per year is £750 which may be split over more than one meeting.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

---

## Educational scholarships

### **European Society for Organ Transplantation**

These support young transplant professionals in attending the courses of the formal ESOT educational pathway. There are 20 scholarships, worth €1,000 each.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

## COMING SOON: Study scholarships

### **European Society for Organ Transplantation**

\*\*\* This opportunity will be available soon. The next call is expected to open late August 2018. The following information is subject to change. These scholarships support transplant professionals in travelling for up to two months to obtain specific knowledge or skills which are important for their

overall career progression and the progress of the applicant's institution. Up to 10 scholarships, worth €2,000 each, are available. \*\*\*

**Closing date: 31 Oct 18 (Forecast)**

[Link to \\*Research Professional](#)

## Annual conference bursaries

### **British Society for Eighteenth-Century Studies**

These bursaries enable early-career scholars to attend and present at the society's annual conference, to be held in January 2019 in Oxford, UK. Up to 20 bursaries are available to cover the

conference fee and the cost of the conference dinner.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

## International development and education awards in palliative care

### **American Society of Clinical Oncology**

These provide support for young oncologists in low- and middle-income countries by enabling them to attend the society's annual meeting and visit an institution in the US or Canada in order to improve palliative care in their home countries. In addition, awardees receive

three years of complimentary ASCO membership.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

## Equal opportunities initiative fund

### **European Society for Evolutionary Biology**

This supports activities that increase awareness of the problem of unequal opportunities in the field of evolutionary biology and possible

solutions. Grants are usually worth up to €1,000.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

## Nic McNally award

### **British Institute of Radiology**

This recognises an abstract for a talk or a poster presentation relating to original research in radiobiology and related subjects. The award is a conference travel bursary worth £750.

**Closing date: 31 Oct 18 (Forecast)**

[Link to \\*Research Professional](#)

## Simons symposia

### **Simons Foundation**

These support interaction and collaboration between mathematicians, theoretical physicists and theoretical computer scientists in a series of three symposia. Support for organisation of

the conference, travel and accommodation expenses are provided.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

## Stapledon travelling fellowships

### **British Society of Animal Science**

These support visits between the UK and other countries to develop studies on any aspect of grassland science. Fellowships may cover expenses for economic travel and basic

living costs for periods of between one to six months.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

## Meeting sponsorship and support

### **International Union of Crystallography**

This supports the hosting of workshops and symposia on topics relevant to crystallography.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

## Conference support

### **International Council for Industrial and Applied Mathematics**

This enables participants from developing countries and regions to attend conferences in the fields of industrial and applied mathematics.

Funding is worth up to USD 3,500 per conference for up to three conferences.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

### Early-career scientific development grant

#### **European Society for Paediatric Endocrinology**

This supports society members or their collaborators in gathering information and experience on a specific research issue or on a laboratory technique in the field of paediatric endocrinology. Four

grants worth up to €2,500 each are available per year.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

### Sinusitis Journal travel award

#### **Multidisciplinary Digital Publishing Institute**

This supports a graduate student or postdoctoral fellow in attending an otorhinolaryngological-related conference. The award is worth CHF 800.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

### Catalysts Journal travel award

#### **Multidisciplinary Digital Publishing Institute**

This supports a postdoctoral fellow and non-fellow postdoctoral trainee in attending an international conference in 2019 on catalysis research. The award is worth CHF 1,000.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

### International Journal of Molecular Sciences travel awards

#### **Multidisciplinary Digital Publishing Institute**

These support junior scientists in attending an international conference in 2019 on molecular science. Three awards, worth CHF 800 each, are available.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

### Nurse in Washington Internship grant

#### **Academy of Medical-Surgical Nurses**

This supports a member of the academy in attending the Nurse in Washington Internship event. One grant is available to cover the cost of registration and accommodation.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

### Viruses Journal travel awards

#### **Multidisciplinary Digital Publishing Institute**

This supports postdoctoral fellows and PhD students in attending a virology conference in 2019. Two awards, worth CHF 800 each, are available.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

### Geriatrics Journal travel award

#### **Multidisciplinary Digital Publishing Institute**

This supports postdoctoral fellows or general practitioners in attending a conference in 2019. The award is worth CHF 800.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

### ICSCC visiting scholars programme

#### **Fudan University**

This supports foreign researchers in pursuing independent research while in residence at Fudan. Funding covers one-time round-trip in standard economy-

class, living expenses and accommodation for up to six months.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

### Specialty symposia in acoustics funding

#### **Acoustical Society of America**

This supports an international symposium on a specialised topic in acoustics. Grants are worth up to €1,500 each.

**Closing date: 31 Oct 18**

[Link to \\*Research Professional](#)

### Visiting research fellowships

#### **Department for International Development**

These enable scholars to pursue research on migration and development at the University of Sussex's Centre for Migration Research in the School of

Global Studies. Fellowships last four to 12 weeks, and include access to university services and possible

reimbursement of travel and living expenses.

**Closing date: 31 Oct 18**

**[Link to \\*Research Professional](#)**

## NOVEMBER

### Visiting fellows programme

#### **JILA**

This enables international scientists to visit JILA in order to promote scientific collaborations in the field of physical sciences. Each fellow receives a stipend of approximately USD 1,250 per week to cover local expenses, plus reimbursement of an economy return

airfare to and from the fellow's home institution.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

### General travel grants

#### **Biochemical Society**

These enable members to attend scientific meetings and present cases of high-quality research related to biochemistry. Grants are usually worth between £200 and £500, although up to

£750 may be provided in exceptional cases.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

### Small grants scheme

#### **Palaeontological Association**

This supports individual members in conducting palaeontological research, travel and fieldwork. Awards are worth up to £1,500 each.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

### Award for computers in chemical and pharmaceutical research

#### **American Chemical Society**

This recognises and encourages the use of computers in the advancement of the chemical and biological sciences. The award includes a cash prize of USD 5,000 and travel expenses to the meeting at which the award will be

presented worth up to USD 1,000 will be reimbursed.

**Closing date: 01 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

### Ralph F Hirschmann award in peptide chemistry

#### **American Chemical Society**

This recognises and encourages outstanding achievements in the chemistry, biochemistry, and biophysics

of peptides. The award includes a cash prize of USD 5,000. Up to USD 2,500 for travel expenses to the meeting at which

the award is presented will be reimbursed.

**Closing date: 01 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

### Nobel Laureate signature award for graduate education in chemistry

#### **American Chemical Society**

This recognises a graduate student and their preceptor or preceptors, in the field of chemistry. The graduate student and the preceptor will receive USD 3,000 each, and up to USD 2,500 for travel expenses to the meeting at which

the award is presented will be reimbursed.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

### Research and training workshops

#### **International League Against Epilepsy**

This supports the organisation of scientific conferences and workshops focused on epilepsy research and training. Funding may be used for travel, lodging and participation for junior faculty and trainees, as well as for

publication, proceedings and other direct costs.

**Closing date: 01 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

### Mesopotamian fellowship

#### **American Schools of Oriental Research**

This supports fieldwork and research on the ancient Mesopotamian civilisation carried out in the Middle East. Support of USD 9,000 is available for research lasting three months to one year.

**Closing date: 01 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

### F Albert Cotton award in synthetic inorganic chemistry

#### **American Chemical Society**

This recognises work in synthetic inorganic chemistry. The award includes a cash prize of USD 5,000 and up to USD 2,500 for travel expenses to

the meeting at which the award is presented.

**Closing date: 01 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

### Short-term fellowships for Jefferson-related projects

#### **International Center for Jefferson Studies**

These are awarded for periods of up to four months to scholars from any country working on Jefferson-related projects. The awards carry a monthly stipend of USD 2,000 for scholars from

the US or Canada and USD 3,000 for overseas fellows.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

---

### Victor and Joy Wouk grant-in-aid programme

#### **California Institute of Technology**

This provides assistance for students and scholars conducting research on the papers of Victor Wouk in the Caltech Archives. Grants are worth up to USD 2,000 each.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

---

### Conference grants

#### **JR Smallwood Foundation for Newfoundland and Labrador Studies**

These enable institutions to organise and host scholarly conferences in the areas of humanities and social sciences. Grants are worth up to CAD 5,000 each.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

---

### Henry A Kissinger chair in foreign policy and international relations

#### **Library of Congress**

This supports research on any aspect of foreign policy or international relations involving the US. The stipend is worth up to USD 13,500 per month for a maximum period of 10 months.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

---

### Grants programme

#### **Kurt Weill Foundation for Music**

This supports non-profit organisations for performances of musical works by Kurt Weill and Marc Blitzstein, to individuals and non-profit organisations for scholarly research pertaining to Kurt Weill, Lotte Lenya, and Marc Blitzstein,

and to non-profit organisations for relevant educational or scholarly initiatives.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

## Six-week research fellowships

### **Institute for Aegean Prehistory**

These allow postdoctoral scholars in the field of Aegean bronze age or early iron age to conduct research at the INSTAP Study Center for East Crete. The fellowships are worth up to USD 4,000

each and include round-trip travel expenses.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

## Travel grants

### **Medieval Academy of America**

These support Academy members in non full-time faculty positions, or adjuncts without access to institutional funding, attend conferences to present their work. Awards to support travel in North America are worth USD 500. For

overseas travel the awards are worth USD 750.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

## Herbert J Dutton award

### **American Oil Chemists' Society**

This recognises individuals who made contributions to the analysis of fats, oils and related products, or whose work has resulted in major advances in the understanding of processes utilised in

the fats and oils industry. The award is worth USD 2,000.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

## Industrial oil products division student award

### **American Oil Chemists' Society**

This assists a graduate student in travelling to the society's annual meeting to present an award lecture or poster. The award is worth USD 500.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

## Edible applications technology division student award

### **American Oil Chemists' Society**

This assists graduate students in travelling to the American Oil Chemist's Society's annual meeting to present a paper. The award includes a USD 500

and up to USD 150 for travel to the annual meeting.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

## Honoured student award

### **American Oil Chemists' Society**

This supports a graduate student in lipid chemistry in attending the society's annual meeting to present an award lecture. The award includes a USD 500 travel allowance, complimentary lodging, and the

registration fee for the annual conference.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

## Ahmed Zewail award in ultrafast science and technology

### **American Chemical Society**

This recognises creative contributions to fundamental discoveries or inventions in ultrafast science and technology in areas of physics, chemistry, biology, or related fields. The award includes a cash prize of USD 5,000. Up to USD 2,500 for travel

expenses to the meeting at which the award is presented will be reimbursed.

**Closing date: 01 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

## Training fellowships

### **European Society for Paediatric Infectious Diseases**

These fund visits by society members to other centres to obtain experience or training in techniques or areas not otherwise available to them. The awards will cover round-trip travel costs and a maximum of €4,944 for up

to 12 weeks. The host centre is also offered funding to cover the visit.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

## Heidi Patriquin international fellowship for education

### **Society for Pediatric Radiology Research and Education Foundation**

This enables a paediatric radiologist to attend the society's annual meeting. The fellowship is worth up to USD 3,000 and includes complimentary meeting registration.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

## International scholarship

### **Group Psychotherapy Foundation**

This is awarded to group therapists from economically disadvantaged countries to enable them to participate

in the American Group Psychotherapy Association annual institute and

conference. Up to six-day tuition and travel funds are provided.

**Closing date: 01 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

## Travel awards for international skills and knowledge exchange

### **Biochemical Society**

These support research capacity building in the field of biochemistry in developing parts of the world. Grants are worth up to £2,000 each.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

### Inga-Britt Lindström grant

#### **Swedish Association of Occupational Therapists | Sveriges Arbetsterapeuter**

This supports the development of occupational therapy in the applicant's native country. The grant is worth SEK 10,000 per year.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

### George and Christine Sosnovsky award for cancer research

#### **American Chemical Society**

This recognises outstanding achievements in the elucidation of the chemical and biochemical pathways underlying human cancers, leading to the discovery and development of improved cancer therapeutics. The prize is worth USD 5,000. Up to USD

2,500 for travel expenses to the meeting at which the award is presented is reimbursed.

**Closing date: 01 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

### Petrography internship at the INSTAP Study Center for East Crete

#### **Institute for Aegean Prehistory**

This enables students of archaeology, pottery, geology and related fields to undertake a one-month supervised internship in Crete. The award is worth USD 3,000 plus reasonable round-trip travel expenses.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

## International Society for Soil Mechanics and Geotechnical Engineering foundation award scheme

### **International Society for Soil Mechanics and Geotechnical Engineering**

This enables geotechnical engineers to enhance their geotechnical engineering knowledge and practice by providing financial support for participation in

technical and professional activities. Grants are worth up to USD 2,000.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

## Connect Africa scholarships

### **Africa Health Research Institute**

These enable African students and early career researchers to travel within South Africa or to other countries in order to learn new techniques, attend conferences, build new scientific research collaborations and develop

global and intra-Africa partnerships. A total of 18 scholarships, worth up to USD 2,000 each, are available.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

## Connection grants for events and outreach activities

### **Social Sciences and Humanities Research Council of Canada | Conseil de Recherches en Sciences Humaines**

These support events and outreach activities geared toward short-term, targeted knowledge mobilisation initiatives. Grants for supporting events are worth between CAD 7,000 and CAD 25,000 over one year. Grants higher than CAD 50,000 will be considered for

outreach activities, as long as the award can be managed within one year timeframe.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

## Small grants

### **Estuarine Coastal Sciences Association**

These enable students to attend academic conferences, travel for research purposes, visit libraries or other collections of research materials,

visit laboratories or conduct fieldwork. Grants are worth up to £500 each.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

## Project grants

### **Van Eeden Foundation | Stichting het Van Eeden-fonds**

These support research and conservation projects on a botanical, ecological or ethnobotanical topic, relevant to Guyana, Suriname, French Guiana, Aruba, Bonaire, Curaçao, Saba, St Eustatius and St Maarten. Grants do not cover the whole project budget and

generally do not exceed €1,250, but larger projects may also receive support.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

## Group study visits

### **German Academic Exchange Service (DAAD) | Deutscher Akademischer Austauschdienst**

These aim to provide students with subject related knowledge, promote meetings with German students, academics and scientists and give the students a greater understanding of and insight into economic, political and

cultural life in Germany. The grant is worth at least €50 per student per day depending on applicant location.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

## Huiskes medal for biomechanics

### **European Society of Biomechanics**

This recognises senior researchers who have contributed significantly to biomechanics throughout their careers. The award includes a medal and the costs of congress registration, travel

and accommodation throughout the congress.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

## Paul Charosh independent scholar fellowship

### **Society for American Music**

This aims to foster research by independent scholars and to encourage their participation in the society's conferences. The award is worth up to USD 1,500 and includes complimentary

registration to the society's annual conference.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

### Edward T Cone fellowship

#### **Society for American Music**

This is awarded to scholars at any phase of their careers whose research interest is focused on the history, creation and analysis of American concert music ranging from solo or chamber music to

symphonic works. The fellowship is worth up to USD 2,000.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

### Judith McCulloh fellowship

#### **Society for American Music**

This supports research on folk-based musical culture of the Americas. The fellowship is worth up to USD 1,000.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

### Judith Tick fellowship

#### **Society for American Music**

This supports scholarly research leading to publication on musical topics involving women's, gender and sexuality studies. The fellowship is worth up to USD 1,000 and covers

research expenses such as travel, books and media resources.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

### AWM-SIAM Sonia Kovalevsky lecture

#### **Society for Industrial and Applied Mathematics**

This recognises significant contributions of women to applied or computational mathematics. Funding covers registration fee and travel

expenses to the society's annual meeting.

**Closing date: 01 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

### Promoting women in academia grants

#### **Swiss National Science Foundation**

These enable women researchers in all disciplines to pursue an academic career as a professor in Switzerland. Up to 12 grants worth a maximum of CHF 750,000 each for up to five years.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

### Ralph Holman lifetime achievement award

#### **American Oil Chemists' Society**

This recognises lifetime and meritorious achievements in areas of interest to the Health and Nutrition Division. The award includes a USD 500 honorarium and travel funds to attend

the AOCs annual meeting, where the recipient presents an award lecture.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

### Analytical division student award

#### **American Oil Chemists' Society**

This is awarded to graduate students presenting at the analytical division's technical programme at the society's annual meeting. The award includes a

USD 250 honorarium and a USD 500 travel allowance to the annual meeting.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

### Martin R Lebowitz and Eve Lewellis Lebowitz prize

#### **American Philosophical Association**

This recognises philosophical achievement and contributions. The winner will receive an honorarium, which in previous years has been worth approximately USD 25,000.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

### Supelco AOCs research award

#### **American Oil Chemists' Society**

This recognises original research in fats, oils, lipid chemistry or biochemistry. The award includes a USD 10,000 honorarium and a USD 1,500 travel allowance to attend the annual meeting

of the American Oil Chemists' Society and present an award lecture.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

### Lipid chemistry and nutrition award

#### **American Oil Chemists' Society**

This recognises a graduate student for research in lipid chemistry and nutrition. The award includes a USD 1,000 honorarium and USD 550 travel

allowance to present an award lecture at the annual meeting of the American Oil Chemists' Society.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

### CECAM/Lorentz workshop call

#### **Lorentz Center**

This supports the organisation of a workshop on computational simulation and modelling and its applications. Funding includes travel and accommodation reimbursements and other organisational costs.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

### Grants for apiology research

#### **Eva Crane Trust**

These support the advancement of the science of apiology and promote, finance and encourage bee research for the public benefit. There is no upper limit on the amount of grants offered.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

### Cousins Center global outreach awards

#### **American Psychosomatic Society**

These support attendance at the society's annual meeting.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

### Travel awards for MacLean scholars

#### **American Psychosomatic Society**

These support attendance to the society's annual meeting to meet the recipient of the Paul D MacLean award for outstanding neuroscience research in psychosomatic medicine. At least five

awards, worth USD 500 each, are available.

**Closing date: 01 Nov 18**

[Link to \\*Research Professional](#)

### Oak human rights fellowship

#### **Colby College**

This supports a fellow in teaching and conducting research at the college in the field of human rights.

**Closing date: 04 Nov 18 (Forecast)**  
[Link to \\*Research Professional](#)

### DEADLINE BROUGHT FORWARD: Early career travel award

#### **New Zealand Society for Biochemistry and Molecular Biology**

\*\*\* The closing date for this opportunity has been brought forward. The previous deadline of 30 September has been brought forward to 4 May 2018. All other call details remain unchanged. This support attendance at the Harden conferences or focused meetings of the Biochemical Society. Each award

consists of a travel grant worth NZD 1,000, as well as free registration and accommodation. \*\*\*

**Closing date: 04 Nov 18 (Forecast)**  
[Link to \\*Research Professional](#)

### Conference and workshop grants

#### **Israel Institute**

These enable support academic conferences, lectures or lecture series, and workshops devoted to the study of the modern state of Israel. Grants are worth up to USD 5,000.

**Closing date: 05 Nov 18**  
[Link to \\*Research Professional](#)

### Alfred D Chandler Jr travel fellowships

#### **Harvard University**

This enables graduate students in history or related disciplines to come to Harvard and for Harvard students to go elsewhere, to facilitate library and archival research in business or economic history. Individual grants are

worth between USD 1,000 and USD 3,000.

**Closing date: 05 Nov 18**  
[Link to \\*Research Professional](#)

### All-discipline postgraduate student awards

#### **Fulbright Commission**

These awards support UK citizens with master's or doctoral degrees or independent research projects in any subject at any accredited US university. Awards offer financial contributions towards the first year of study, sickness

and accident coverage and J-1 visa sponsorship and pre-departure support.

**Closing date: 06 Nov 18**  
[Link to \\*Research Professional](#)

## Comparative perspectives on Chinese culture and society programme

### **American Council of Learned Societies**

This aims to promote interchange among scholars in the field of the humanities and related social sciences. Grants are worth up to USD 25,000.

**Closing date: 07 Nov 18**

[Link to \\*Research Professional](#)

## Collaborative travel awards

### **Karolinska Institute | Karolinska Institutet**

These support short-term travel related to planning or conducting collaborative interactions. Awards cover housing and transportation costs

of visits ranging from one week to three months.

**Closing date: 07 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

## Eugenia Rosemberg abstract travel awards

### **Endocrine Society**

These support early-career professionals in attending the society's annual meeting in order to present their research in the basic science category.

**Closing date: 07 Nov 18**

[Link to \\*Research Professional](#)

## Mara E Lieberman memorial travel grants

### **Endocrine Society**

These support female investigators in attending the society's annual meeting or order to present their research.

**Closing date: 07 Nov 18**

[Link to \\*Research Professional](#)

## Endocrine society outstanding abstract awards

### **Endocrine Society**

These support graduate or medical students, in-training postdoctoral or clinical fellows or new faculty in attending the society's annual meeting in order to present their research.

**Closing date: 07 Nov 18**

[Link to \\*Research Professional](#)

## Disease Models and Mechanisms conference travel grants

### **Company of Biologists**

These enable early-career scientists to attend scientific meetings, conferences, workshops and courses relating to the areas of research covered by the DMM journal. Grants are worth up to £400 each within the applicant's home

country and up to £600 each for meeting overseas.

**Closing date: 09 Nov 18**

[Link to \\*Research Professional](#)

## Helmholtz international fellow award

### **Helmholtz Association**

This aims to intensify existing cooperation between Helmholtz centres and international research institutes and to further strengthen the links between Helmholtz researchers and

colleagues abroad. Up to ten awards, worth €20,000 each, are available.

**Closing date: 10 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

## World congress travel grants

### **International Society of Nephrology**

These enable society members to attend the world congress of nephrology. Travel grants each include reimbursement of travel costs worth up to USD 2,350, as well as registration and accommodation costs.

**Closing date: 12 Nov 18**

[Link to \\*Research Professional](#)

## Early career forum and travel awards

### **Endocrine Society**

These support attendance to an endocrinology workshop and the society's annual conference. Awards each include USD 400 for travel and complimentary registration.

**Closing date: 12 Nov 18**

[Link to \\*Research Professional](#)

## Darwin partnership awards – round 25

### **Department for Environment, Food & Rural Affairs**

These are small grants intended to help organisations that are new to the Darwin initiative to develop their

application. Awards are worth up to £10,000.

**Closing date: 13 Nov 18**

[Link to \\*Research Professional](#)

### Artist research fellowship

#### **Smithsonian Institution**

This enables visual artists to work with Smithsonian museums, research sites, collections and scholars, conducting research that inspires new work.

Fellowships are worth USD 4,500 per month for one to two months. An additional research allowance of up to

USD 2,000 is available to purchase research equipment or materials necessary for the project. One-time relocation travel costs are also covered.

**Closing date: 13 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

### Dean Franklin young investigator award

#### **American Physiological Society**

This recognises a postdoctoral scientist or junior faculty member who is pursuing in vivo physiological research, and who is in the process of establishing

an independent laboratory. The award is worth USD 21,500.

**Closing date: 13 Nov 18**

[Link to \\*Research Professional](#)

### International early-career physiologist travel awards

#### **American Physiological Society**

These enable individuals to travel to and attend the experimental biology meeting in order to present their work. Up to 12 awards, worth USD 1,000 each, are available.

**Closing date: 13 Nov 18**

[Link to \\*Research Professional](#)

### Respiration section new investigator award

#### **American Physiological Society**

This recognises early-career investigators who have made meritorious contributions in the field of respiration. The award includes USD

1,000 and reimbursement of the meeting advance registration fee.

**Closing date: 14 Nov 18**

[Link to \\*Research Professional](#)

### Neural Control and Autonomic Regulation Section experimental biology trainee award

#### **American Physiological Society**

This supports graduate students or postdoctoral fellows in travelling to the society's annual meeting to present their research.

**Closing date: 14 Nov 18**

[Link to \\*Research Professional](#)

### Neural Control and Autonomic Regulation section data sciences outstanding graduate student award

#### **American Physiological Society**

This enables a graduate student to travel to the annual Experimental Biology meeting to present meritorious research. One award, worth USD 500 plus reimbursement of the advance registration fee, is available.

**Closing date: 14 Nov 18**

[Link to \\*Research Professional](#)

### International workshops

#### **Biotechnology and Biological Sciences Research Council**

This aims to stimulate joint working in topics important to BBSRC's strategy and to match scientists from the UK with other countries to identify areas of commonality and explore the potential for international collaboration. Around

eight awards are available, worth approximately £10,000 each.

**Closing date: 15 Nov 18**

[Link to \\*Research Professional](#)

### Franklin and Eleanor Roosevelt Institute grants-in-aid

#### **National Archives and Records Administration**

This encourages young scholars to conduct research on the Roosevelt period or related subjects. Grants are worth up to USD 2,500.

**Closing date: 15 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

## International travel and subsistence grants

### **Houghton Trust**

These support young researchers of any nationality working in the field of avian diseases. Preference will be given to applicants who demonstrate that they

are also seeking additional funding from other sources.

**Closing date: 15 Nov 18**

[Link to \\*Research Professional](#)

## General grants

### **Society of Plastics Engineers Foundation**

These support programmes that benefit members of the Society of Plastics Engineers, the plastics industry or the general public. Grants support exhibits at museums, attendance at educational training courses, books and equipment for classroom use, or the development

of classroom-relevant educational programmes.

**Closing date: 15 Nov 18**

[Link to \\*Research Professional](#)

## Student travel grants

### **Minerals, Metals and Materials Society**

These enable student members of the Minerals, Metals and Materials Society to attend its meeting and exhibition, or the materials science and technology

conference. Grants are worth up to USD 500 each.

**Closing date: 15 Nov 18**

[Link to \\*Research Professional](#)

## Heckman stipends

### **Saint John's University**

These support scholars who have not yet established themselves professionally and whose research cannot progress without consulting the library's collections. The library will provide up to 10 grants worth up to USD 2,000 each. Stipends may be used

for travel, housing and meals at the university as well as costs related to the duplication of microfilm or digital resources.

**Closing date: 15 Nov 18**

[Link to \\*Research Professional](#)

## COMING SOON: Lennart Aktiestinsen Israelsson's Foundation for the individual and society

### **Royal Swedish Academy of Sciences | Kungliga Vetenskapsakademien**

\*\*\* This opportunity will be available soon. The next call is expected to open on 15 September and close on 15 November 2018. The following information is subject to change. These support basic research that benefits the

education system. The total budget is SEK 1.3 million. \*\*\*

**Closing date: 15 Nov 18**

[Link to \\*Research Professional](#)

## Visegrad scholarships at the Open Society archives

### **International Visegrad Fund**

These enable research on the conditions of knowledge production during and after the Cold War at the Open Society archives in Budapest. Up to 15 scholarships are available, worth €2,000 over two months.

**Closing date: 15 Nov 18**

[Link to \\*Research Professional](#)

## Study bursary

### **Symposium Mammographicum**

This enables individuals from outside the UK to study either by an observational or clinical attachment in a specialist training centre in the UK. The bursary contributes towards travelling expenses, accommodation, subsistence

and training fees, and the visit has a duration of one to two weeks.

**Closing date: 15 Nov 18**

[Link to \\*Research Professional](#)

## Conference travel grants

### **European Association for American Studies**

These support broad participation at the European Association for American Studies conference in London. Grants are worth up to €300 each, to cover travel, accommodation and meals.

**Closing date: 15 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

## Other countries partnering awards

### **Biotechnology and Biological Sciences Research Council**

These support the development of long-term collaborations with overseas scientists in countries not currently offered through the council's country-specific partnering award schemes.

Awards are typically worth up to £30,000 over four years.

**Closing date: 15 Nov 18**

[Link to \\*Research Professional](#)

## European partnering awards

### **Biotechnology and Biological Sciences Research Council**

These provide funding for networking and other activities to facilitate UK coordination and participation in consortia for the preparation and development of collaborative research proposals for submission to the EU or

other sources of funding. Awards are worth between £15,000 and £20,000 over a period of 12 to 18 months.

**Closing date: 15 Nov 18**

[Link to \\*Research Professional](#)

## Witteveen memorial fellowship in law and humanities

### **Tilburg University | Universiteit van Tilburg**

This enables a PhD or postdoctoral scholar to further develop research in the area of law and humanities during a visit to Tilburg University. The fellowship is worth up to €5,250.

**Closing date: 15 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

## Council award for outstanding graduate student paper at a regional meeting

### **American Association of Geographers**

This encourages graduate student participation at AAG regional division meetings and supports their attendance at AAG annual meetings. Awards are worth USD 1,000 to cover registration

and travel costs to attend the annual meeting.

**Closing date: 15 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

## COMING SOON: Travel awards

### **American Society for Pharmacology and Experimental Therapeutics**

\*\*\* This opportunity will be available soon. The next call is expected to open in September and close in November 2018. The following information is subject to change. These awards enable graduate students and postdoctoral scientists to attend and present at the Experimental Biology conference in

2019. The awards consist of complimentary meeting registration and travel reimbursement up to USD 3,000. \*\*\*

**Closing date: 15 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

## US-UK bridging voices

### **British Council**

This scheme supports transatlantic academic coalitions in conducting research and organising public engagement activities to promote improved understanding of the role of religion in international affairs. Three

grants are available, worth up to USD 38,200 each over three years.

**Closing date: 15 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

## Toxins Journal travel awards

### **Multidisciplinary Digital Publishing Institute**

These support postdoctoral fellows in attending a conference on toxins in 2019. Awards are worth CHF 1,000 each.

**Closing date: 15 Nov 18**

[Link to \\*Research Professional](#)

## Molecules Journal travel award

### **Multidisciplinary Digital Publishing Institute**

This supports a postdoctoral fellow or PhD student in attending an international chemical science conference or a multidisciplinary conference with a major chemistry

component. The award is worth CHF 800.

**Closing date: 15 Nov 18**

[Link to \\*Research Professional](#)

## Applied Sciences Journal travel awards in applied optics

### **Multidisciplinary Digital Publishing Institute**

These support postdoctoral fellows in attending a scientific conference to present their data in poster or oral format. Awards are worth CHF 800.

**Closing date: 15 Nov 18**

[Link to \\*Research Professional](#)

## Applied Sciences Journal travel award in applied nanosciences

### **Multidisciplinary Digital Publishing Institute**

These support postdoctoral fellows in attending a scientific conference to present their data in poster or oral format. Awards are worth CHF 800.

**Closing date: 15 Nov 18**

[Link to \\*Research Professional](#)

## Evidence-to-action supplements 2018

### **US Agency for International Development**

These support researchers in applying the data, evidence and results generated under their Partnerships for Enhanced Engagement awards towards facilitating programme changes, policy recommendations or sustainable

technological projects. 10 supplements, worth a maximum of USD 25,000 each for up to 12 months, are available.

**Closing date: 17 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

## Marinell Ash Fund award

### **Strathmartine Trust**

This supports travel and research related to studies on any aspect of Scottish or North American history. The grant is worth £500.

**Closing date: 18 Nov 18**

[Link to \\*Research Professional](#)

## EXTENDED DEADLINE: Borlaug fellowships

### **US Department of Agriculture**

\*\*\* The closing date for this opportunity has been extended. The previous deadline of 5 November 2017 has been extended to 19 November 2017. All other call details remain unchanged. These fellowships support food security and economic growth by providing

training and collaborative research opportunities to fellows from developing and middle-income countries. \*\*\*

**Closing date: 19 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

## Ophthalmology section – travelling fellowship bursary

### **Royal Society of Medicine**

This enables British ophthalmologists to travel abroad to further the study or advancement of ophthalmology, or foreign ophthalmologists to visit the UK

for the same purpose. Bursaries are worth up to £1,000.

**Closing date: 22 Nov 18**

[Link to \\*Research Professional](#)

## COMING SOON: Invited researchers grants

### **Institute of Advanced Scientific Studies | Institut des Hautes Études Scientifiques**

\*\*\* This opportunity will be available soon. The next call is expected to open in autumn with a deadline on 22 November 2018. The following information is subject to change. These grants enable mathematicians and theoretical physicists to visit IHES for

periods from a few days to one year or more. Grants include a daily allowance, office space, free accommodation and free lunch on weekdays. \*\*\*

**Closing date: 22 Nov 18**

[Link to \\*Research Professional](#)

## Research scholarships

### **Gerda Henkel Foundation**

These enable scholars to undertake a research project within the historical humanities, particularly within the fields of archaeology, art history, historical Islamic studies, history, history of law, history of science, prehistory and early history. Scholarships are worth €2,000 per

month for postdoctoral candidates and €2,700 per month for scholars after postdoctoral lecture qualification, over up to two years.

**Closing date: 22 Nov 18**

[Link to \\*Research Professional](#)

## Ralph Brown expedition award

### **Royal Geographical Society (with the Institute of British Geographers)**

This supports the leader of an expedition involving the study of inland or coastal wetlands, rivers or shallow marine environments. One award worth

£12,500 is available towards fieldwork lasting four to six weeks.

**Closing date: 23 Nov 18**

[Link to \\*Research Professional](#)

## Thesiger-Oman fellowships

### **Royal Geographical Society (with the Institute of British Geographers)**

These support geographical research in the Middle East and other arid regions of the world, as well as research into either the physical geography of arid

and semi arid environments. Each fellowship is worth up to £8,000.

**Closing date: 23 Nov 18**

[Link to \\*Research Professional](#)

## Graduate student scholarships

### **International Council for Canadian Studies | Conseil International d'Études Canadiennes**

These enable young scholars to spend four to six weeks at a Canadian university or research site other than their own, conducting research related to their thesis or dissertation in the field of Canadian studies. Six awards, worth

up to CAD 4,000 each, are available per year.

**Closing date: 24 Nov 18**

[Link to \\*Research Professional](#)

## Annual conference travel grants

### **West and Central African Research and Education Network**

These enable authors of selected papers to attend the annual conference, to be held from 15 to 16 March 2018 in Lomé, Togo. Travel or accommodation support may be provided.

**Closing date: 24 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

## Visiting professor – grants for foreign scientists

### **Sigrid Jusélius Foundation**

These enable Finnish researchers to host and work with foreign senior medical investigators on research projects. Grants cover a period of three to 12 months.

**Closing date: 28 Nov 18**

[Link to \\*Research Professional](#)

## Entrepreneur in residence scheme

### **Royal Society of Chemistry**

This provides opportunities for industrial scientists and entrepreneurs to spend time working in UK universities to increase the knowledge and awareness of cutting edge industrial science, research and

innovation. Up to 10 residencies worth up to £40,000 over two years are available.

**Closing date: 29 Nov 18**

[Link to \\*Research Professional](#)

## Gunning jubilee gift

### **Society of Antiquaries of Scotland**

This enables experts to visit museums, collections or materials of archaeological science at home or abroad for the purposes of Scottish-related historical investigation and research. The grant is worth £2,000 on

average over three years, however larger grants may be provided.

**Closing date: 30 Nov 18**

[Link to \\*Research Professional](#)

## Travelling fellowships

### **Company of Biologists**

These enable early-career scientists to undertake collaborative visits to other laboratories. Fellowships are worth up to £2,500 each and cover travel,

subsistence, accommodation, visa fees and bench fees.

**Closing date: 30 Nov 18**

[Link to \\*Research Professional](#)

### Visiting professorships

#### **Lady Davis Fellowship Trust**

These enable full or associate professors to visit Hebrew University for two to four months. Funding is worth up to ILS 10,000 per month.

**Closing date: 30 Nov 18**

[Link to \\*Research Professional](#)

### COMING SOON: Grants

#### **Toshiba International Foundation**

\*\*\* This opportunity will be available soon. The next call is expected to open in October 2018. The following information is subject to change. These grants support projects that promote understanding of Japan. \*\*\*

**Closing date: 30 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

### Grace Murray Hopper award

#### **Association for Computing Machinery**

This recognises a young computer professional for a single recent major technical or service contribution. The award includes a cash prize of USD

35,000 plus travel expenses to the awards banquet.

**Closing date: 30 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

### Paris Kanellakis theory and practice award

#### **Association for Computing Machinery**

This recognises specific theoretical accomplishments that have had a significant and demonstrable effect on the practice of computing. The award includes a cash prize of USD 10,000 plus

travel expenses to the association's awards banquet.

**Closing date: 30 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

### Software system award

#### **Association for Computing Machinery**

This recognises an institution or individuals who have developed a software system that has had a lasting influence on computing, as reflected in contributions to concepts or in commercial acceptance. The award

includes a cash prize of USD 35,000 plus travel expenses to the association's awards banquet.

**Closing date: 30 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

### Allen Newell award

#### **Association for Computing Machinery**

This recognises an individual for career contributions in computer science, or work that bridges computer science and other disciplines. The award includes a

cash prize of USD 10,000 plus travel expenses to the awards banquet.

**Closing date: 30 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

### ECCMID travel grants

#### **European Society of Clinical Microbiology and Infectious Diseases**

These enable young scientist members to attend the next European Congress of Clinical Microbiology and Infectious Diseases, to be held from 21 to 24 April 2018 in Madrid, Spain. Up to 100 researchers with the best abstracts are offered free registration. Of these

individuals, an additional travel grant of €500 is awarded to those with the highest scores.

**Closing date: 30 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

### McGill-ASECS fellowship

#### **McGill University**

This enables scholars to travel to and establish temporary residence in Montreal in order to use the resources of the McGill University library. The fellowship is worth USD 3,000 for a one-month stay.

**Closing date: 30 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

### Ethicon Foundation Fund travelling fellowship

#### **Royal College of Physicians and Surgeons of Glasgow**

This promotes international goodwill in medicine and surgery by supporting the overseas travel of surgeons. Awards are worth up to £900 for visits with the duration of one to 12 months.

**Closing date: 30 Nov 18**

[Link to \\*Research Professional](#)

## Special programme on security, society and the state – research projects

### **Gerda Henkel Foundation**

This supports research projects that address security policy developments after the end of the cold war. Grants are worth between €1,400 and €2,700 each per month.

**Closing date: 30 Nov 18**

[Link to \\*Research Professional](#)

## Conference grants

### **Fritz Thyssen Foundation | Fritz Thyssen Stiftung**

These support scholarly events, in particular national and international conferences with the aim of facilitating the discussion and analysis of specific scholarly questions as well as fostering cooperation. Grants cover the costs of travel and accommodation for speakers

and meals of active participants, as well as up to €500 to defray incidental conference costs.

**Closing date: 30 Nov 18**

[Link to \\*Research Professional](#)

## Eugene L Lawler award

### **Association for Computing Machinery**

This recognises an individual or a group who have made a significant contribution through the use of computing technology. The award includes a cash prize of USD 5,000 plus

travel expenses to the ACM awards banquet.

**Closing date: 30 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

## Glycoscience meeting grants

### **Mizutani Foundation for Glycoscience**

These promote scientific exchange between Japanese and foreign glycoscientists by supporting international conferences on glycoscience. The annual budget is JPY 3

million. Approximately 10 conferences will be supported each year.

**Closing date: 30 Nov 18**

[Link to \\*Research Professional](#)

## Karl V Karlstrom outstanding educator award

### **Association for Computing Machinery**

This recognises an educator who has advanced new teaching methodologies, effected new curriculum development or expansion in computer science or engineering, or made a significant contribution to the educational mission

of the association. The award includes a cash prize of USD 5,000 plus travel expenses to the awards banquet.

**Closing date: 30 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

## Travel fund

### **British Society for Plant Pathology**

This assists members in attending conferences, study tours and visits in the field of plant pathology. The award will not exceed half the total costs of the proposed visit.

**Closing date: 30 Nov 18**

[Link to \\*Research Professional](#)

## Postgraduate scholarships

### **Catholic Academic Exchange Service | Katholischer Akademischer Ausländer-Dienst**

These support students from developing countries to pursue their postgraduate studies at a German university.

**Closing date: 30 Nov 18**

[Link to \\*Research Professional](#)

## Special programme on security, society and the state – research scholarships

### **Gerda Henkel Foundation**

This programme targets new security-related issues that are prime examples of the post-Cold-War era but have been largely neglected in mainstream research. Scholarships are worth up to

€64,800 for up to 24 months, plus travel and material expenses.

**Closing date: 30 Nov 18**

[Link to \\*Research Professional](#)

### College travelling fellowships

#### **Royal College of Physicians and Surgeons of Glasgow**

These enable members of the college to travel to centres of excellence in order to gain further experience in any area of surgery, or for members from overseas to visit centres in the UK. Up to 10

fellowships, worth up to £2,000 each, are available

**Closing date: 30 Nov 18**

[Link to \\*Research Professional](#)

### ICORS travel grant to Europe

#### **European Orthopaedic Research Society**

This enables applicants from outside Europe to visit a participating institution for study purposes. The exchange may last up to four weeks. The grant is worth up to €2,000.

**Closing date: 30 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

### Conference bursaries

#### **British Association of Hand Therapists**

These enable members to attend the society's annual conference. Bursaries cover the early-bird conference fee.

**Closing date: 30 Nov 18**

[Link to \\*Research Professional](#)

### Colloquia for PhD students and habilitandi grants

#### **Dutch Language Union | Nederlandse Taalunie**

These support the organisation of scientific forums where PhD students and habilitandi are able to present their research under the supervision of scientific experts.

**Closing date: 30 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

### Bursary for fertility meeting

#### **Society for Reproduction and Fertility**

This bursary enables members to attend and participate at the Fertility 2019 meeting. Bursaries cover registration, accommodation and travel costs.

**Closing date: 30 Nov 18**

[Link to \\*Research Professional](#)

### Collaboration bursaries – scientists in training

#### **Association for Radiation Research**

These enable scientists in training to visit and collaborate with other laboratories to further their radiation research. The total budget is worth between £2,000 and £3,000.

**Closing date: 30 Nov 18**

[Link to \\*Research Professional](#)

### Study scholarships for graduates in fine art, design and visual communication and film – for selected countries

#### **German Academic Exchange Service (DAAD) | Deutscher Akademischer Austauschdienst**

These enable non-German graduates in the fields of fine art, design, visual communication and film to continue their education in Germany with a postgraduate or continuing course of study. Scholarships include a monthly stipend of €750 for between 10 and 24

months, plus travel and study allowances.

**Closing date: 30 Nov 18**

[Link to \\*Research Professional](#)

### Cecilia Payne-Gaposchkin Doctoral Dissertation Award in Astrophysics

#### **American Physical Society**

This recognises doctoral thesis research in astrophysics and encourages effective written and oral presentation of research results. The award includes a cash prize of USD 1,000, a registration waiver and a travel allowance of up to

USD 750 to present the work at the society's April meeting.

**Closing date: 30 Nov 18**

[Link to \\*Research Professional](#)

### Boston children's hospital pediatric pathology visiting scholar award

#### **Society for Pediatric Pathology**

This enables pathology residents, paediatric pathology fellows and paediatric pathologists from other institutions than the Boston Children's Hospital to visit the hospital's Department of Pathology and

participate in activities. The stipend is worth USD 1,500 and visits last up to one month.

**Closing date: 30 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

### Donald Metcalf award

#### **International Society for Experimental Hematology**

This recognises distinguished scientists in the field of experimental haematology. The award includes an honorarium, complimentary

registration, and covers travel and accommodation for the annual meeting.

**Closing date: 30 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

### McCulloch and Till award

#### **International Society for Experimental Hematology**

This recognises early- and mid-career scientists in the field of haematology and stem cells. The award consists of an honorarium, complimentary registration, travel allowance and

accommodation costs to the annual meeting.

**Closing date: 30 Nov 18 (Forecast)**

[Link to \\*Research Professional](#)

### Urban Science Journal travel award

#### **Multidisciplinary Digital Publishing Institute**

This supports a postdoctoral fellow whose research involves urban and regional studies in attending a conference of their choice in 2019. The award is worth CHF 500.

**Closing date: 30 Nov 18**

[Link to \\*Research Professional](#)

### Processes Journal travel awards

#### **Multidisciplinary Digital Publishing Institute**

These support postdoctoral fellows and PhD students in attending an international conference related to processes in 2019. Two awards are available, worth CHF 800 each.

**Closing date: 30 Nov 18**

[Link to \\*Research Professional](#)

### Symmetry Journal travel awards

#### **Multidisciplinary Digital Publishing Institute**

These support postdoctoral researchers and PhD students in attending an international conference. Two awards, worth CHF 800 each, are available.

**Closing date: 30 Nov 18**

[Link to \\*Research Professional](#)

### Remote Sensing Journal travel award

#### **Multidisciplinary Digital Publishing Institute**

These support postdoctoral researchers and PhD students in attending an international conference in 2019. Two awards, worth CHF 800 each, are available.

**Closing date: 30 Nov 18**

[Link to \\*Research Professional](#)

### Antibiotics Journal travel awards

#### **Multidisciplinary Digital Publishing Institute**

These support young researchers in attending academic conferences in 2019. Awards are worth CHF 800 each.

**Closing date: 30 Nov 18**

[Link to \\*Research Professional](#)

### Plants Journal travel awards

#### **Multidisciplinary Digital Publishing Institute**

These support postdoctoral fellows and PhD students in attending an international conference in 2019. Two awards, worth CHF 400 each, are available.

**Closing date: 30 Nov 18**

[Link to \\*Research Professional](#)

### Travel grants

#### **Association for Research in Vision and Ophthalmology**

These grants provide partial travel support to investigators who have an accepted abstract for the association's annual meeting.

**Closing date: 30 Nov 18**

[Link to \\*Research Professional](#)

## Buildings Journal travel awards

### **Multidisciplinary Digital Publishing Institute**

These support postdoctoral fellows and PhD researchers in attending a conference to present their work in poster or oral format. Two awards are available, worth CHF 600 each.

**Closing date: 30 Nov 18**

[Link to \\*Research Professional](#)

## FDDI visiting scholar programme

### **Fudan University**

This enables academics and researchers in the social sciences to conduct independent research at Fudan University, China. The programme covers travel allowance of CNY 5,000, insurance worth CNY 600, accommodation allowance of CNY 300

per day and living expenses for CNY 300 per day for one to three months.

**Closing date: 30 Nov 18**

[Link to \\*Research Professional](#)

## Funding for the promotion of food and sustainability education

### **Emilia-Romagna Regional Council | Regione Emilia-Romagna**

This supports educational activities on agricultural production and sustainability in Emilia-Romagna. Funding is worth between €15,000 and 100,000 to cover up to 70 per cent of

eligible expenses for a maximum period of 30 months.

**Closing date: 30 Nov 18**

[Link to \\*Research Professional](#)

## DECEMBER

### Conference and workshop grants

#### **Wenner-Gren Foundation for Anthropological Research**

These support events that foster the creation of an international community of research scholars and advance significant and innovative

anthropological research. Grants are worth up to USD 20,000.

**Closing date: 01 Dec 18**

[Link to \\*Research Professional](#)

### Professor Hering memorial research fund

#### **British Entomological and Natural History Society**

This promotes entomological research including leaf miners, diptera, particularly tephritidae and agromyzidae, lepidoptera, particularly microlepidoptera, and general

entomology. Grants are worth up to £500.

**Closing date: 01 Dec 18**

[Link to \\*Research Professional](#)

### Study visits

#### **Experimental Psychology Society**

Funding enables postgraduates and postdoctoral researchers in experimental psychology to visit another institution outside their individual academic base in order to develop their research skills. Grants are worth up to £3,000 to cover the costs of

travel and accommodation. The host institution is reimbursed up to £100.

**Closing date: 01 Dec 18**

[Link to \\*Research Professional](#)

### Travel grants

#### **Fisheries Society of the British Isles**

These enable scientists to present their work at international scientific meetings. The total budget is £20,000. Grants are worth up to £1,000 to cover

travel, insurance and subsistence costs and conference fees.

**Closing date: 01 Dec 18**

[Link to \\*Research Professional](#)

### COMING SOON: International travel grants

#### **United States Institute for Theater Technology**

\*\*\* This opportunity will be available soon. The next call is expected to open in October 2018. The following

information is subject to change. These grants assist members with international travel for education and

research in theatre-related fields. The grant is worth up to USD 2,500. \*\*\*

**Closing date: 01 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

## Lemelson Center fellowship programme

### **Smithsonian Institution**

This supports projects that present creative approaches to the study of invention and innovation in American society. Fellowships are awarded for a maximum of 10 weeks. Stipends for the term of 2017 to 2018 were worth USD 630 per week for predoctoral

fellowships and USD 925 per week for postdoctoral fellowships and professionals.

**Closing date: 01 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

## Grants

### **Classical Association**

These support classical projects and conferences mainly in the UK. Grants are generally worth up to £2,000, but applications requesting more than £2,000 will also be considered.

**Closing date: 01 Dec 18**

[Link to \\*Research Professional](#)

## International travelling scholarship

### **International Society for Heart and Lung Transplantation**

This facilitates the exchange of knowledge and techniques regarding heart and lung transplantation and the treatment of end-stage heart and lung failure, as well as the building of relationships between individuals,

institutions and countries. Up to 10 scholarships, worth up to USD 6,000 each, are available.

**Closing date: 01 Dec 18**

[Link to \\*Research Professional](#)

## Research student conference fund

### **Institute of Physics**

This provides financial support to research students to attend international meetings and major national meetings. Applicants may

apply for up to £300 during the course of their PhD.

**Closing date: 01 Dec 18**

[Link to \\*Research Professional](#)

## Travel grants

### **Microbiology Society**

These enable members to present work at scientific or education meetings, or to attend short courses related to microbiology. Grants are worth up to

£750 and may cover half of the eligible costs.

**Closing date: 01 Dec 18**

[Link to \\*Research Professional](#)

## Scientific programmes

### **Nordic Institute for Theoretical Physics**

These facilitate extended workshops where a limited number of scientists work together on specific topics which may range beyond the traditional borders of theoretical physics. Grants

are worth SEK 500,000 each for up to four months.

**Closing date: 01 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

## Sponsored events grants – single lectures and small events

### **Biochemical Society**

These support single lectures or small events, such as postgraduate research days, at a HEI. Grants are worth up to £500.

**Closing date: 01 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

## Graduate programme in Japanese language and culture – master's courses

### **Japan Foundation**

These enable teachers of the Japanese language working abroad and government officials to undertake study towards a master's degree in Japanese language education in Japan. Scholarships cover airfare,

accommodation, meals, insurance, and tuition fees or other costs related to the degree.

**Closing date: 01 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

## COMING SOON: Intellectual exchange conferences grants

### **Japan Foundation**

\*\*\* This opportunity will be available soon. The next call is expected to open in autumn 2018. The following information is subject to change. These grants support international intellectual collaborative projects such as

international conferences, symposia, seminars and workshops. \*\*\*

**Closing date: 01 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

## Allan Martin award

### **Australian Historical Association**

This enables early-career historians to further their research in Australian history, by undertaking a research trip. The award is worth up to AUD 4,000 for up to two years.

**Closing date: 01 Dec 18**

[Link to \\*Research Professional](#)

## Travel grants

### **Society for Reproduction and Fertility**

These support attendance at conferences and meetings relevant to the fields of reproductive biology and fertility. Awards are worth up to £800.

**Closing date: 01 Dec 18**

[Link to \\*Research Professional](#)

## Dutch language teacher platform fund

### **Dutch Language Union | Nederlandse Taalunie**

This subsidises regional, national or international Dutch language teacher platforms' recruitment and general operation costs. Grant amounts depend

on the size of the platform and are worth between €1,500 and €5,000.

**Closing date: 01 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

## Dutch as a foreign language grants

### **Dutch Language Union | Nederlandse Taalunie**

These support educational institutions outside the Netherlands in carrying out initiatives that promote the Dutch language. Grants are worth up to €5,000 per year, depending on the size of the

institution and the number of teachers employed.

**Closing date: 01 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

## Disability rights scholarship programme

### **Open Society Foundations**

This offers individuals a one-year master of laws degree. Scholarships cover tuition, travel, accommodation and other related costs.

**Closing date: 01 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

## Travel bursaries for junior scientists

### **RELX Group**

These enable junior scientists working in the field of animal pathology to attend a scientific conference or make a short visit to another institution or

laboratory. Grants are worth up to 3,000 each.

**Closing date: 01 Dec 18**

[Link to \\*Research Professional](#)

## Peter B Cotton advanced endoscopy travel fellowship programme

### **University of South Carolina**

This enables postgraduate gastroenterologists from any country to spend one or two week observing at the Medical University of South Carolina's Digestive Disease Center. Grants are

worth between USD 1,500 and USD 4,000 for one or two weeks.

**Closing date: 01 Dec 18**

[Link to \\*Research Professional](#)

## African cancer researchers travel awards

### **American Association for Cancer Research**

These enable investigators in Africa to participate in the AACR annual meeting. Awards cover complimentary registration and housing for the annual

meeting in addition to up to USD 2,000 towards the cost of travel and meals.

**Closing date: 01 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

## Fellowships

### **Nuovo-Soldati Foundation for Cancer Research | Fondation pour la Recherche Nuovo-Soldati**

These support young doctors in pursuing a research project on cancer cells with the main aim being to support innovative techniques or novel

therapeutic approaches. Fellowships are worth up to €40,000.

Closing date: 01 Dec 18

[Link to \\*Research Professional](#)

## Developing country eye researcher travel fellowships

### **Association for Research in Vision and Ophthalmology**

These support young scientists in attending the annual meeting of the Association for Research in Vision and Ophthalmology. The fellowship is worth up to USD 4,500, and may be used to

cover travel, accommodation and visa costs.

**Closing date: 01 Dec 18**

[Link to \\*Research Professional](#)

## Visiting research scholar

### **Princeton University**

This enables political scientists and scholars in related social science disciplines to pursue research at Princeton. Residencies carry a salary,

applicable benefits, a taxable moving allowance, and a research allowance.

**Closing date: 01 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

## COMING SOON: General student travel awards

### **American Association of Stratigraphic Palynologists**

\*\*\* This opportunity will be available soon. The next call is expected to close on 1 December 2018. The following information is subject to change. These

awards support students to travel to any meeting relating to palynology. \*\*\*

**Closing date: 01 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

## International dissertation research grant

### **American Academy of Religion**

This supports an student in travelling abroad for the purposes of conducting research for a PhD dissertation relating to religion. The grant is worth USD 5,000.

**Closing date: 01 Dec 18**

[Link to \\*Research Professional](#)

## Selva J Raj endowed international dissertation research fellowship

### **American Academy of Religion**

This supports a student in travelling abroad for the purposes of conducting research for a PhD dissertation relating

to religion. The grant is worth USD 5,000.

**Closing date: 01 Dec 18**

[Link to \\*Research Professional](#)

### ACI/James Instruments student award for research on non-destructive testing of concrete

#### **American Concrete Institute**

This recognises meritorious and innovative research in concrete and concrete materials using non-destructive testing methods. The prize

includes USD 1,500 and free spring convention registration.

**Closing date: 04 Dec 18 (Forecast)**  
[Link to \\*Research Professional](#)

### PF/APDA summer student fellowships

#### **Parkinson's Foundation**

These support students with Parkinson's disease-related summer research projects. Fellowships are worth USD 4,000 for a 10-week period. An additional amount of up to USD

1,000 is available to attend a scientific conference to present the research.

**Closing date: 04 Dec 18 (Forecast)**  
[Link to \\*Research Professional](#)

### Young investigator fellowships

#### **European Atherosclerosis Society**

These aim to give young researchers the opportunity to present their work at the EAS 2017 congress, held in May 2018 in Lisbon, Portugal. Fellowships include congress registration fees, complimentary membership, invitation

to social events and a networking evening, and a grant worth up to €400 towards travel and accommodation.

**Closing date: 04 Dec 18 (Forecast)**  
[Link to \\*Research Professional](#)

### Congress travel grants

#### **European Atherosclerosis Society**

These enable selected researchers from underfunded countries to travel to the European Atherosclerosis Society congress to give poster or oral presentations of their work. Each grant includes congress registration,

invitation to the social events, and up to €400 towards travel and accommodation for the congress.

**Closing date: 04 Dec 18 (Forecast)**  
[Link to \\*Research Professional](#)

### Kate Barlow award

#### **Bat Conservation Trust**

This supports postgraduate students undertaking research that will benefit bat conservation. One award of up to £4,500 is available, which may be used

towards research costs such as consumables and travel.

**Closing date: 04 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

### Visiting scholar award

#### **Parkinson's Foundation**

This enables graduate students to visit a host laboratory to learn new techniques that benefit their Parkinson's research. The award consists of a stipend worth USD 4,000 towards travel and accommodation costs. Upon completion of their project, scholars are invited to

apply for up to USD 1,000 in travel funds to attend a related scientific conference to present their research.

**Closing date: 04 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

### Travel grants

#### **Society for Endocrinology**

These enable members to attend endocrine meetings or conferences where their abstracts have been accepted. Grants are worth up to £500

each for society meetings and up to £600 each for overseas meetings.

**Closing date: 05 Dec 18**

[Link to \\*Research Professional](#)

### British Academy/Leverhulme small research grants

#### **British Academy**

These support primary research in the humanities and social sciences. Grants are tenable for up to two years and are worth between £500 and £10,000.

**Closing date: 06 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

### Comparative and evolutionary physiology section Novo Nordisk Foundation travel award

#### **American Physiological Society**

This assists a graduate or undergraduate student involved in comparative and evolutionary research in attending the experimental biology meeting. The award is worth USD 500

plus reimbursement of the advance registration fee.

**Closing date: 07 Dec 18**

[Link to \\*Research Professional](#)

## International fellowships

### **New Europe College Institute for Advanced Study**

These enable young international researchers and academics working in the fields of humanities, social studies, law and economics to spend one term or a full academic year at the New Europe College. The fellowship includes a monthly stipend of €750,

accommodation and international transport costs. Fellows staying for the whole academic year are offered €1,500 towards a one-month research trip.

**Closing date: 07 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

## Academic workshop and symposium grants

### **Terra Foundation for American Art**

These support exchanges such as workshops, symposia, and colloquia that advance scholarship in the field of American art from 1500 to 1980. Grants are worth up to USD 25,000.

**Closing date: 07 Dec 18**

[Link to \\*Research Professional](#)

## Takeda research awards

### **American Physiological Society**

These recognise trainees and junior level faculty who are engaged in gastrointestinal and liver research. Awards include a monetary honorarium, reimbursement of the Experimental Biology 2018 advance

registration fee and complimentary admission to the gastrointestinal and liver section banquet.

**Closing date: 07 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

## Summer research fellowship – excellence in research award

### **Endocrine Society**

This supports the continued research training and career development of summer research fellowship alumni. The award includes travel costs to attend the Endocrine Society's annual meeting, where recipients are expected to present their research. The award

also includes complimentary registration, airfare and lodging to attend the meeting.

**Closing date: 07 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

### Comparative and evolutionary section Dr Dolittle travel award

#### **American Physiological Society**

This assists graduate students or postdoctoral fellows involved in comparative and evolutionary research in attending the experimental biology meeting. The award comprises USD 500,

plus reimbursement of the advance registration fee.

**Closing date: 07 Dec 18**

[Link to \\*Research Professional](#)

### Resident scholarship to the annual meeting

#### **American Academy of Neurology**

This enables residents to attend the academy's annual meeting. The scholarship is worth USD 500 or USD 1,000 depending on the recipient's location. Each recipient must attend the

Faculty and Trainee Reception at the meeting.

**Closing date: 08 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

### Seminar competition

#### **Socio-Legal Studies Association**

This supports the delivery of either an individual seminar or short conference, or a series of events, relevant to the socio-legal community. The total budget is £10,000.

**Closing date: 10 Dec 18**

[Link to \\*Research Professional](#)

### IADR/STAR Network Academy fellowships

#### **International Association for Dental Research**

These support attendance at the association's annual conference and research experience at a research laboratory near the conference centre. Fellowships are worth USD 5,000 each.

**Closing date: 14 Dec 18**

[Link to \\*Research Professional](#)

### American Society for Eighteenth-Century Studies fellowship

#### **Newberry Library**

This enables candidates to use the Newberry Library's collections to study the period from 1660 to 1815. The fellowship is worth USD 2,500 for one month.

**Closing date: 15 Dec 18**

[Link to \\*Research Professional](#)

### Herzog August Bibliothek Wolfenbüttel short-term fellowship

#### **Newberry Library**

This enables applicants for fellowships at the Newberry to undertake an additional two-month residential fellowship in Wolfenbüttel, Germany.

The fellowship lasts for one month at each institution.

**Closing date: 15 Dec 18**

[Link to \\*Research Professional](#)

### Harold M Weintraub graduate student award

#### **Fred Hutchinson Cancer Research Center**

This recognises achievement during graduate studies in the biological sciences. The award covers expenses for the symposium. Up to 12 prizes are available.

**Closing date: 15 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

### Grants in herpetology

#### **Society for the Study of Amphibians and Reptiles**

These support individuals or organisations involved in herpetological research, education or conservation. Twelve grants, worth USD 500 each, are available.

**Closing date: 15 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

### Travel grants

#### **Malacological Society of London**

These enable attendance at a conference or workshop related to malacology. Members receive up to £500 and non-members receive up to £300.

**Closing date: 15 Dec 18**

[Link to \\*Research Professional](#)

### Dermatologist from a developing country award

#### **Society for Pediatric Dermatology**

This recognises a dermatologist who has made significant contribution to the care of paediatric skin disease in their developing country, with a particular interest in supporting a dermatologist

who might otherwise be unable to attend the annual meeting. The award includes complimentary registration and travel expenses.

**Closing date: 15 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

### Gertrude Elion memorial lecture award

#### **International Society for Antiviral Research**

This recognises a scientist who has made considerable contributions to antiviral research or related scientific fields. The award is worth USD 7,500.

**Closing date: 15 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

### William Prusoff young investigator award

#### **International Society for Antiviral Research**

This recognises an young scientist under the age of 45 who has demonstrated dedication, excellence and future potential in the field of antiviral research. The award includes a cash prize. In addition, the winner will receive a contribution towards travel

and daily expenses for the society's annual conference.

**Closing date: 15 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

### William Morris Society fellowship programme

#### **William Morris Society**

This support scholarly and creative work about William Morris. The fellowship is worth USD 1,000 or more.

**Closing date: 15 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

### Graduate student fellowships

#### **American Schools of Oriental Research**

These enable graduate students specialising in the archaeology, history, and culture of Cyprus and the eastern Mediterranean to conduct research at the Cyprus American Archaeological

Research Institute. The fellowships are worth USD 2,000 each.

**Closing date: 15 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

### International travel grants

#### **International Society of Biomechanics**

These allow students to travel abroad to experience biomechanics-related science in other cultures and to build up

international collaborations. Grants are worth up to USD 2,500 each.

**Closing date: 15 Dec 18**

[Link to \\*Research Professional](#)

### International affiliate development grants

#### **International Society of Biomechanics**

These enable student biochemists from low-income or restricted-currency to spend time in an approved, established biomechanics laboratory or to attend a

relevant, approved training course. Grants are worth up to USD 2,500.

**Closing date: 15 Dec 18**

[Link to \\*Research Professional](#)

### Corrosion division Morris Cohen graduate student award

#### **Electrochemical Society**

This recognises graduate research in the field of corrosion science and engineering and is intended to encourage researchers to remain active in the field. The award carries a prize of USD 1,000 and a further USD 1,000 can

be reimbursed to help the recipient attend the society meeting.

**Closing date: 15 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

### Antonin Holy memorial award

#### **International Society for Antiviral Research**

This recognises a senior scientist of international stature who has made innovative contributions that have had a major impact on antiviral drug discovery or development. The award includes a cash prize of USD 5,000 plus

travel expenses to the annual conference.

**Closing date: 15 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

### Newberry Library-American Musicological Society fellowship

#### **Newberry Library**

This supports work related to music or musicology in residence at the Newberry Library. The fellowship is worth USD 2,500 for one month.

**Closing date: 15 Dec 18**

[Link to \\*Research Professional](#)

### Newberry Library-American Society for Environmental History fellowship

#### **Newberry Library**

This enables researchers to conduct work in residence at the Newberry on topics related to environmental history. The fellowship is worth USD 2,500 for one month.

**Closing date: 15 Dec 18**

[Link to \\*Research Professional](#)

### Young African scholars programme

#### **Harry Frank Guggenheim Foundation**

This supports scholars whose proposed projects are judged to be of high quality and closely relevant to violence and aggression. Grants are worth USD 2,000 and the programme includes a methods workshop, editorial and publication

assistance, and sponsorship at an international conference to present research findings.

**Closing date: 15 Dec 18**

[Link to \\*Research Professional](#)

### Rinus Penninx best paper award

#### **International Migration, Integration and Social Cohesion Europe (IMISCOE)**

This recognises the best paper presented at the IMISCOE annual conference from 2 to 4 July 2018 in Barcelona, Spain. The award consists of €750 and the opportunity to publish the

paper in the journal of comparative migration studies.

**Closing date: 15 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

### International peace scholarship

#### **Philanthropic Educational Organisation International**

This enables selected women from countries outside US and Canada to conduct graduate study in the US and Canada. The scholarship is worth up to USD 12,500.

**Closing date: 15 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

### MaRINET2 call for access

#### **MaRINET2**

This enables research teams access to the marine research and testing facilities of the MaRINET2 network. Groups will be provided with €1,000 each per week, towards travel and

subsistence. The duration of the access is six months.

**Closing date: 15 Dec 18**

[Link to \\*Research Professional](#)

## International travel grants

### **Association of Anaesthetists of Great Britain and Ireland**

These enable individuals to undertake short visits, usually of less than one month. Grants are worth up to £1,000.

**Closing date: 17 Dec 18**

[Link to \\*Research Professional](#)

## Call for contributions for PRACEdays18

### **Partnership for Advanced Computing in Europe**

This enables experts from industry and academia to participate in a scientific and industrial conference. Awards are worth up to €1,500 each.

**Closing date: 18 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

## Biannual meeting travel grants

### **Electrochemical Society**

These enable undergraduates, graduate students, postdoctoral researchers, young professionals and faculty to attend the Electrochemistry Society meeting in Seattle from 13 to 18 May 2018, or the Meeting on

Electrochemistry and Solid State Science in Cancun from 30 September to 4 October 2018, to present papers.

**Closing date: 18 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

## De Luca Foundation motor control student travel awards

### **World Council of Biomechanics**

These encourage students to attend the world congress of biomechanics 2018 and present their work in motor control to the research community. Eight

awards, worth USD 500 each, are available.

**Closing date: 19 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

## Del Jones memorial travel award

### **Society for Applied Anthropology**

This encourages minority participation in the association, particularly African American participation by supporting a student to attend the society's annual

meeting. Two awards, worth USD 500 each, are available.

**Closing date: 20 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

## Edward H and Rosamond B Spicer travel awards

### **Society for Applied Anthropology**

These recognise students who have submitted a paper abstract, based on concern for community, which has been accepted for the annual meeting

programme. Two awards worth USD 500 each are available.

**Closing date: 20 Dec 18**

[Link to \\*Research Professional](#)

---

### **Annual student endowed award**

#### **Society for Applied Anthropology**

This supports student membership and participation in the society. The award consists of USD 500 to cover travel to the annual meeting as well as a one-year society membership.

**Closing date: 20 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

---

### **Future Internet Journal travel award**

#### **Multidisciplinary Digital Publishing Institute**

This supports a postdoctoral fellow in attending a conference. The award is worth CHF 800.

**Closing date: 20 Dec 18**

[Link to \\*Research Professional](#)

---

### **Short term grants**

#### **Calouste Gulbenkian Foundation**

These enable researchers in Armenian studies to participate in activities related to their field of studies, encouraging academic interaction and

exchange of knowledge and ideas. Grants are worth up to USD 5,000.

**Closing date: 22 Dec 18**

[Link to \\*Research Professional](#)

---

### **International travel grants**

#### **American Association for Clinical Chemistry**

These enable early- and mid-career scientists from outside the US and Canada to attend the American Association for Clinical Chemistry's

annual meeting. Grants are worth up to USD 2,500.

**Closing date: 29 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

---

### **Wolfsonian-Florida International University fellowship programme**

#### **Florida International University**

This supports full-time research on the Wolfsonian collections, for periods of three to four weeks. Fellowships include a stipend, accommodation and round-trip travel.

**Closing date: 31 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

### Governance for development in Africa initiative residential school

#### **University of London**

This aims to contribute to and stimulate debate on governance, development and the relationship between them in Africa through a residential school.

**Closing date: 31 Dec 18**

[Link to \\*Research Professional](#)

### Hibernian research award

#### **University of Notre Dame**

This provides travel funds to support the scholarly study of the Irish experience in Ireland or America.

**Closing date: 31 Dec 18**

[Link to \\*Research Professional](#)

### Charlotte Anderson travel award

#### **European Society for Paediatric Gastroenterology, Hepatology and Nutrition**

This supports a young investigator working in the field of paediatric gastroenterology, hepatology or nutrition. The award is worth up to €5,000.

**Closing date: 31 Dec 18**

[Link to \\*Research Professional](#)

### Educational grant

#### **European Society of Regional Anaesthesia and Pain Therapy**

This supports participation in a teaching programme in regional anaesthesia and pain medicine in Europe, or research projects of a duration of at least three months.

Grants are worth up to €4,000 for three to six months.

**Closing date: 31 Dec 18**

[Link to \\*Research Professional](#)

### Events bursaries

#### **Institute of Chartered Foresters**

These enable students and others early in their forestry career to attend the institute's national conference or study tour. Several awards of £100 are available.

**Closing date: 31 Dec 18**

[Link to \\*Research Professional](#)

### Conference awards

#### **Handel Institute**

These support individuals who wish to attend an overseas conference in order to read a paper on a Handel-related subject that has already been accepted by the conference organisers. Awards

may be used towards travel and accommodation costs.

**Closing date: 31 Dec 18 (Forecast)**

[Link to \\*Research Professional](#)

### Funding to visit another laboratory

#### **International Society for Neurochemistry**

This enables candidates to undertake visits to develop new technical or conceptual expertise for implementation in their research programme upon return to their home institution. Awards generally range
