Founders award

Biophysical Society

This recognises an achievement in any area of biophysics. The award is worth USD 2,000.

Closing date: 01 May 19 (Forecast)
[Link to *Research Professional](#)

Michael and Kate Bárány award

Biophysical Society

This recognises a contribution to biophysics by a person who has not achieved the rank of full professor at the time of nomination. The award is worth USD 2,000.

Closing date: 01 May 19 (Forecast)
[Link to *Research Professional](#)

Margaret Oakley Dayhoff award

Biophysical Society

This recognises a woman who holds very high promise, or has achieved prominence, while developing the early stages of a career in

biophysical research. The award is worth USD 2,000.

Closing date: 01 May 19 (Forecast)
[Link to *Research Professional](#)

Graduate student award

Biomedical Engineering Society

This recognises contributions to biomedical engineering by graduate students. The award is worth USD 500 to offset travel costs.

Closing date: 01 May 19 (Forecast)

[Link to *Research Professional](#)

Victor and Joy Wouk grant-in-aid programme

California Institute of Technology

This provides assistance for students and scholars conducting research on the papers of Victor Wouk in the Caltech Archives. Grants are worth up to USD 2,000 each.

Closing date: 01 May 19

[Link to *Research Professional](#)

Avanti award in lipids

Biophysical Society

This recognises an investigator for contributions to the understanding of lipid biophysics, including the metabolism, enzymology, structure or function of lipids or lipid

membranes. The award is worth USD 3,000.

Closing date: 01 May 19 (Forecast)

[Link to *Research Professional](#)

David Thelen award

Organization of American Historians

This recognises an article on American history published in another language than English. The winner will receive a cash award to assist with the translation and the article will be printed in the Journal of American History.

Closing date: 01 May 19 (Forecast)

Tajima prize

International Society of Electrochemistry

This recognises the contributions made by younger electrochemists on the basis of published work. The prize is worth CHF 1,000. The winner is expected to give a lecture at the society's annual meeting of the next year, for which their

registration and banquet fees will be covered.

Closing date: 01 May 19 (Forecast)

[Link to *Research Professional](#)

ISE-Elsevier prize for green electrochemistry

International Society of Electrochemistry

This recognises recent application-oriented achievements in the field of environmental electrochemistry by a young scientist. The prize is worth €2,000, which includes a

contribution towards travel expenses for the winner to attend the society's annual meeting.

Closing date: 01 May 19 (Forecast)

[Link to *Research Professional](#)

ISE-Elsevier prize for applied electrochemistry

International Society of Electrochemistry

This recognises recent achievements in the field of applied electrochemistry by a young scientist. The prize is worth €2,000 and includes a contribution towards travel expenses for the winner to

attend the ISE annual meeting where the award will be presented.

Closing date: 01 May 19 (Forecast)

[Link to *Research Professional](#)

Katsumi Niki bioelectrochemistry prize

International Society of Electrochemistry

The prize recognises scientists who have made important contribution to the field of bioelectrochemistry. The prize is worth USD 1,000.

Closing date: 01 May 19 (Forecast)

[Link to *Research Professional](#)

Clinical visits

European Association of Urology

These enable young urologists to sharpen their skills in a foreign European country. Grants are worth up to €3,000 each to cover travel, accommodation and living expenses.

Visits are for six weeks to three months.

Closing date: 01 May 19

[Link to *Research Professional](#)

Dina Zinnes award

International Studies Association

This recognises the best graduate student paper presented at a panel or poster session sponsored by the Scientific Study of International Processes section or the convention theme at the prior year's annual

convention. The prize is worth USD 100.

Closing date: 01 May 19 (Forecast)

[Link to *Research Professional](#)

Oronzio and Niccolò De Nora Foundation young author prize

International Society of Electrochemistry

This recognises the best paper published in *Electrochimica Acta* in the preceding calendar year. The prize is worth USD 2,000 and it includes travel costs to the society's

meeting where the award will be presented.

Closing date: 01 May 19 (Forecast)

[Link to *Research Professional](#)

Frumkin memorial medal

International Society of Electrochemistry

This recognises outstanding contributions to fundamental electrochemistry by a living individual over his or her lifetime. The award includes travel assistance to attend the annual ISE meeting.

Closing date: 01 May 19 (Forecast)

[Link to *Research Professional](#)

ISA best book award

International Studies Association

This recognises a book in the field of international studies with a copyright dated the year before the nomination. The prize is worth USD 500.

Closing date: 01 May 19 (Forecast)

[Link to *Research Professional](#)

Alexander Kuznetsov prize for theoretical electrochemistry

International Society of Electrochemistry

The prize is awarded every two years to a living individual who has made groundbreaking contribution to the theory of electrochemical phenomena. The prize includes €1,000, plus registration and banquet fees at the International

Society of Electrochemistry annual meeting, where the winner is expected to give a lecture.

Closing date: 01 May 19 (Forecast)

[Link to *Research Professional](#)

PhD studentships

National Centre for the Replacement, Refinement and Reduction of Animals in Research

These support the training of graduate scientists from a broad range of scientific backgrounds within one of the three areas of replacement, reduction and refinement and in any area of medical, biological or veterinary

research. Studentships are worth up to £30,000 per year for three years.

Closing date: 01 May 19

[Link to *Research Professional](#)

Fellowships

Utrecht University

These support intellectual exchange and strengthen international collaboration in history and philosophy of sciences and the humanities. Fellowships are worth

up to €7,500 each for up to three months.

Closing date: 01 May 19 (Forecast)

[Link to *Research Professional](#)

Fellowship programme

International Society of Nephrology

This provides training for physicians from emerging countries, with the aim of improving the standard of care in their home countries upon their return. Fellowships may be long term, with training lasting

between seven and 12 months, or short term with training lasting between two and six months.

Closing date: 01 May 19

[Link to *Research Professional](#)

B Ramakrishna Rau award

IEEE

This recognises an innovative contribution to microarchitecture, use of novel microarchitectural techniques or compiler and architecture interfacing. The award is worth USD 2,000.

Closing date: 01 May 19 (Forecast)

[Link to *Research Professional](#)

Fellowships

International Continence Society

These enable continence specialists of any profession to gain bladder and bowel skills in research, clinical practice or education at expert centres. Fellowships are worth up to USD 5,000 or £5,000.

Closing date: 01 May 19 (Forecast)

[Link to *Research Professional](#)

Haddon Forrester King medal in earth sciences

Australian Academy of Science

This recognises contributions to earth and related sciences of particular relevance to the discovery, evaluation and exploitation of mineral deposits, including the hydrocarbons. The award includes an honorarium

worth AUD 3,000 and up to AUD 7,000 towards a short lecture tour.

Closing date: 01 May 19

[Link to *Research Professional](#)

Collaborative research and training experience programme (CREATE)

Natural Sciences and Engineering Research Council of Canada | Conseil de Recherches en Sciences Naturelles et en Génie du Canada

This supports the training of teams of highly qualified students and postdoctoral fellows from Canada and abroad through the development of innovative training programmes. Grants are worth up

to CAD 1.65 million each over a maximum of six years.

Closing date: 01 May 19

[Link to *Research Professional](#)

Stanley Corrsin award

American Physical Society

This recognises a recent achievement, a particular discovery or an innovation in the field of fundamental fluid dynamics. The award includes USD 5,000.

Closing date: 01 May 19 (Forecast)

[Link to *Research Professional](#)

Early career electrochemistry prize of division 1

International Society of Electrochemistry

This recognises a young scientist for their recent achievements in analytical electrochemistry. The prize is worth €750, plus

registration and banquet fees for the society's annual meeting.

Closing date: 01 May 19 (Forecast)
[Link to *Research Professional](#)

Jaroslav Heyrovsky prize for molecular electrochemistry

International Society of Electrochemistry

This recognises a scientist who has made an important contribution to the field of molecular electrochemistry in the past five years. The prize includes €1,000 and registration and banquet fees for the

society's annual meeting where the prize will be awarded.

Closing date: 01 May 19 (Forecast)

Prize for electrochemical materials science

International Society of Electrochemistry

This recognises an electrochemist for published work in the field of electrochemical material science, including corrosion, electrodeposition or surface treatment. The prize is worth €1,000. The winner is expected to

give a lecture at the next society's annual meeting, for which the registration and banquet fees will be covered.

Closing date: 01 May 19 (Forecast)
[Link to *Research Professional](#)

Zhaowu Tian prize for energy electrochemistry

International Society of Electrochemistry

This recognises a young scientist's achievements in the field of electrochemistry for energy. The prize is worth €2,000.

Closing date: 01 May 19 (Forecast)
[Link to *Research Professional](#)

Kazuhiko Kinosita award in single molecule biophysics

Biophysical Society

This recognises researchers for their contributions in advancing the field of single molecule biophysics. The award is worth USD 3,000.

Closing date: 01 May 19 (Forecast)
[Link to *Research Professional](#)

Biomaterial interfaces early-career researcher award

AVS Science and Technology of Materials, Interfaces and Processing

This recognises the best abstract related to biomaterial interfaces presented at the society's annual symposium. The award includes

symposium registration and USD 250 towards travel expenses.

Closing date: 01 May 19 (Forecast)
[Link to *Research Professional](#)

Alfred Noble prize

American Society of Civil Engineers

This recognises a technical paper that has been accepted for

publication. The award includes an honorarium determined annually.

Closing date: 01 May 19 (Forecast)

[Link to *Research Professional](#)

Ted Cohen prize

American Society for Aesthetics

This recognises a published work in the field of aesthetics. The prize is worth USD 1,000. Travel expenses to the annual meeting are also reimbursed.

Closing date: 01 May 19 (Forecast)

[Link to *Research Professional](#)

Ignacio Tinoco award

Biophysical Society

This recognises investigators who make fundamental or seminal contributions to the physical chemistry of biopolymers and who actively promote and sustain a collaborative, inclusive and engaging

research environment in the field. The award is worth USD 3,000.

Closing date: 01 May 19 (Forecast)

[Link to *Research Professional](#)

Innovation award

Biophysical Society

This recognises advancements in fundamental understanding of biological systems through the development of novel theory, models, concepts, techniques, or

applications. The award is worth USD 3,000.

Closing date: 01 May 19 (Forecast)

[Link to *Research Professional](#)

Daniel H Wagner prize for excellence in operations research practice

Institute for Operations Research and the Management Sciences

This recognises authors who have made coherent use of operations research, analytics and mathematics in practice. The prize is worth USD 1,000.

Closing date: 01 May 19 (Forecast)

[Link to *Research Professional](#)

Selma Jeanne Cohen prize in dance aesthetics

American Society for Aesthetics

This recognises the best article or book chapter in dance aesthetics published between 1 July 2016 to 30 April 2018. The prize comprises USD 1,000 and travel to the ASA annual meeting.

Closing date: 01 May 19 (Forecast)

Grants for apiology research

Eva Crane Trust

These support the advancement of the science of apiology and promote, finance and encourage bee research for the public benefit. There is no upper limit on the amount of grants offered.

Closing date: 01 May 19

[Link to *Research Professional](#)

Social issues dissertation award

American Psychological Association

This recognises doctoral dissertations in psychology, or in a social science with psychological subject matter, that best demonstrate scientific excellence and potential application to social problems. The first prize is worth

USD 750 and the second prize is worth USD 500.

Closing date: 01 May 19

[Link to *Research Professional](#)

Robert S McNamara fellowships

World Bank

These enable candidates from developing countries to conduct development-related PhD research under the supervision of a research advisor at a host institution in a World Bank member country.

Fellowships are worth up to USD 25,000 for a period of six to 10 months.

Closing date: 02 May 19

[Link to *Research Professional](#)

Scholarships for entrepreneurial research

University of Gothenburg | Göteborgs universitet

These support scientific research projects that mainly focus on entrepreneurship in a broad sense and that are linked to the key research areas of the school. Up to

six scholarships, worth SEK 279,000 each, are available.

Closing date: 02 May 19

[Link to *Research Professional](#)

Applied surface science student awards

AVS Science and Technology of Materials, Interfaces and Processing

These recognise posters or abstracts presented by students in the field of surface science at the society's annual symposium. Three cash

prizes, totalling up to USD 1,000, are available.

Closing date: 02 May 19 (Forecast)

[Link to *Research Professional](#)

Manufacturing science and technology student awards

AVS Science and Technology of Materials, Interfaces and Processing

These encourage the participation of students and acknowledge their contributions in the field of manufacturing science and

technology. Up to two grants are available.

Nanometer-scale science and technology division graduate competition

AVS Science and Technology of Materials, Interfaces and Processing

This recognises research by graduate students giving oral presentations at the society's international symposium. The award includes a cash prize of USD 500.

Closing date: 02 May 19 (Forecast)
[Link to *Research Professional](#)

Thin film division – James Harper award

AVS Science and Technology of Materials, Interfaces and Processing

This recognises the best oral presentation given at the society's international symposium in the area of thin film research. The award consists of a plaque and a cash prize

of USD 800. Runners-up receive USD 500.

Closing date: 02 May 19 (Forecast)
[Link to *Research Professional](#)

Vacuum technology student poster competition

AVS Science and Technology of Materials, Interfaces and Processing

This recognises posters that describe the design, development or use of student-built vacuum systems. Prizes are worth up to USD 500 each.

Closing date: 02 May 19 (Forecast)
[Link to *Research Professional](#)

Magnetic interfaces and nanostructures division – Leo M Falicov student award

AVS Science and Technology of Materials, Interfaces and Processing

This recognises research performed by a graduate student in areas of interest to the magnetic interfaces and nanostructures division. The award consists of a cash prize and a certificate.

Closing date: 02 May 19 (Forecast)
[Link to *Research Professional](#)

Biomaterial interfaces student awards

AVS Science and Technology of Materials, Interfaces and Processing

These recognise the best presentation or poster related to biomaterial interfaces presented at the society's annual symposium.

Awards are worth USD 100, USD 150 and USD 200 each.
