## Best paper contest

### **Minerals, Metals and Materials Society**

This recognises papers of a technical research nature that deal with physical and mechanical metallurgy, extractive and process metallurgy or materials science. Travel funding worth USD 250 is available to each recipient, to collect their award at

the Minerals, Metals and Materials Society's annual meeting and exhibition.

**Closing date: 01 May 19 (Forecast)**

[Link to \\*Research Professional](#)

## Research and training workshops

### **International League Against Epilepsy**

This supports the organisation of scientific conferences and workshops focused on epilepsy research and training. Funding may be used for travel, lodging and participation for junior faculty and

trainees, as well as for publication, proceedings and other direct costs.

**Closing date: 01 May 19**

[Link to \\*Research Professional](#)

## Victor and Joy Wouk grant-in-aid programme

### **California Institute of Technology**

This provides assistance for students and scholars conducting research on the papers of Victor Wouk in the Caltech Archives. Grants are worth up to USD 2,000 each.

**Closing date: 01 May 19**

[Link to \\*Research Professional](#)

## Practical skills grants

### **Society for Endocrinology**

These assist members in visiting labs to learn a technique or to carry out experiments essential to their projects, and in attending lab-based

workshops to gain practical skills. Grants are worth up to £2,000 each.

**Closing date: 01 May 19 (Forecast)**  
[Link to \\*Research Professional](#)

## Travel grants

### **Medieval Academy of America**

These support Academy members in non full-time faculty positions, or adjuncts without access to institutional funding, attend conferences to present their work. Awards to support travel in North America are worth USD 500. For

overseas travel the awards are worth USD 750.

**Closing date: 01 May 19**  
[Link to \\*Research Professional](#)

## Paediatric dermatology residents or fellows research award

### **Society for Pediatric Dermatology**

This recognises a paper on clinical or laboratory research relating to paediatric dermatology, by either a paediatric or dermatology resident or fellow. The award includes a USD 500 honorarium and coverage of

expenses for two people to attend the society's annual meeting.

**Closing date: 01 May 19 (Forecast)**  
[Link to \\*Research Professional](#)

## Katsumi Niki bioelectrochemistry prize

### **International Society of Electrochemistry**

The prize recognises scientists who have made important contribution to the field of bioelectrochemistry. The prize is worth USD 1,000.

**Closing date: 01 May 19 (Forecast)**  
[Link to \\*Research Professional](#)

## Oronzio and Niccolò De Nora Foundation young author prize

### **International Society of Electrochemistry**

This recognises the best paper published in *Electrochimica Acta* in

the preceding calendar year. The prize is worth USD 2,000 and it

includes travel costs to the society's meeting where the award will be presented.

**Closing date: 01 May 19 (Forecast)**

### Frumkin memorial medal

#### **International Society of Electrochemistry**

This recognises outstanding contributions to fundamental electrochemistry by a living individual over his or her lifetime.

The award includes travel assistance to attend the annual ISE meeting.

**Closing date: 01 May 19 (Forecast)**

[Link to \\*Research Professional](#)

### Travel awards for international skills and knowledge exchange

#### **Biochemical Society**

These support research capacity building in the field of biochemistry in developing parts of the world. Grants are worth up to £2,000 each.

**Closing date: 01 May 19**

[Link to \\*Research Professional](#)

### Collection study grants

#### **American Museum of Natural History**

These facilitate study visits to the American Museum of National History's scientific collections in the divisions of anthropology, vertebrate and invertebrate zoology, physical sciences or palaeontology.

Grants are worth between USD 500 and USD 1,500 each for visits of at least four days.

**Closing date: 01 May 19 (Forecast)**

[Link to \\*Research Professional](#)

### Sponsored events grants – independently organised scientific meetings

#### **Biochemical Society**

These support the organisation of scientific meetings, single lectures or small events. Grants are worth up to £500 each.

**Closing date: 01 May 19**

[Link to \\*Research Professional](#)

---

## Fellowships

### **International Continence Society**

These enable continence specialists of any profession to gain bladder and bowel skills in research, clinical practice or education at expert

centres. Fellowships are worth up to USD 5,000 or £5,000.

**Closing date: 01 May 19 (Forecast)**  
[Link to \\*Research Professional](#)

---

## Study bursary

### **Symposium Mammographicum**

This enables individuals from outside the UK to study either by an observational or clinical attachment in a specialist training centre in the UK. The bursary contributes towards travelling expenses, accommodation,

subsistence and training fees, and the visit has a duration of one to two weeks.

**Closing date: 01 May 19**  
[Link to \\*Research Professional](#)

---

## International Society for Soil Mechanics and Geotechnical Engineering foundation award scheme

### **International Society for Soil Mechanics and Geotechnical Engineering**

This enables geotechnical engineers to enhance their geotechnical engineering knowledge and practice by providing financial support for participation in technical and

professional activities. Grants are worth up to USD 2,000.

**Closing date: 01 May 19**  
[Link to \\*Research Professional](#)

---

## British Carbon Group Brian Kelly award

### **Institute of Physics**

This award enables students and early-career researchers to attend the annual world carbon conference. The prize is worth £500. \*\*\*

**Closing date: 01 May 19**  
[Link to \\*Research Professional](#)

## Connection grants for events and outreach activities

### **Social Sciences and Humanities Research Council of Canada | Conseil de Recherches en Sciences Humaines**

These support events and outreach activities geared toward short-term, targeted knowledge mobilisation initiatives. Grants for supporting events are worth between CAD 7,000 and CAD 25,000 over one year. Grants higher than CAD 50,000 will

be considered for outreach activities, as long as the award can be managed within one year timeframe.

**Closing date: 01 May 19**

[Link to \\*Research Professional](#)

## Technology transfer and mobility grants

### **European Society for Radiotherapy and Oncology**

These enable clinicians and scientists working or studying in the field of radiation oncology to visit another institute to learn about or gain experience with different

techniques and equipment. Grants are worth up to €2,500 each.

**Closing date: 01 May 19 (Forecast)**

[Link to \\*Research Professional](#)

## Small grants

### **Estuarine Coastal Sciences Association**

These enable students to attend academic conferences, travel for research purposes, visit libraries or other collections of research materials, visit laboratories or

conduct fieldwork. Grants are worth up to £500 each.

**Closing date: 01 May 19**

[Link to \\*Research Professional](#)

## Group study visits

### **German Academic Exchange Service (DAAD) | Deutscher Akademischer Austauschdienst**

These aim to provide students with subject related knowledge, promote meetings with German students, academics and scientists and give

the students a greater understanding of and insight into economic, political and cultural life in Germany. The grant is worth at

least €50 per student per day  
depending on applicant location.

**Closing date: 01 May 19**

[Link to \\*Research Professional](#)

## Zhaowu Tian prize for energy electrochemistry

### **International Society of Electrochemistry**

This recognises a young scientist's achievements in the field of electrochemistry for energy. The prize is worth €2,000.

**Closing date: 01 May 19 (Forecast)**

[Link to \\*Research Professional](#)

## Biomaterial interfaces early-career researcher award

### **AVS Science and Technology of Materials, Interfaces and Processing**

This recognises the best abstract related to biomaterial interfaces presented at the society's annual symposium. The award includes symposium registration and USD 250 towards travel expenses.

**Closing date: 01 May 19 (Forecast)**

[Link to \\*Research Professional](#)

## Professional development grant

### **Cancer Society of New Zealand**

This supports researchers and health professionals working in the Wellington region in attending relevant conferences, seminars and courses in New Zealand or overseas, or experts from abroad to contribute to cancer care in NZ. Funding is

roughly equivalent to the fare components of applicants' total costs, with other sources providing the remainder.

**Closing date: 01 May 19**

## International lab to lab awards

### **American Psychosomatic Society**

These support trainees in behavioural medicine to work with an international laboratory or research group. Four awards last for

at least one week and are worth USD 3,000 each.

**Closing date: 01 May 19 (Forecast)**

[Link to \\*Research Professional](#)

## Grants for apiology research

### **Eva Crane Trust**

These support the advancement of the science of apiology and promote, finance and encourage bee research for the public benefit. There is no upper limit on the amount of grants offered.

**Closing date: 01 May 19**

[Link to \\*Research Professional](#)

## Project grants

### **Nordic Culture Fund | Nordisk Kulturfond**

These support projects that contribute to an innovative and dynamic artistic and cultural scene in the Nordic region. Grants are worth up to DKK 500,000, however, projects should as a minimum be co-financed by 50 per cent and the total

amount applied for by Nordic schemes may not exceed 85 per cent.

**Closing date: 02 May 19**

[Link to \\*Research Professional](#)

## Summer school Budapest grants

### **European Consortium for Political Research**

These enable students to attend one or two week courses on political science at the summer school in Budapest. Grants are worth €250 each for a one week course or €415

for two one week courses or a two week course.

**Closing date: 02 May 19 (Forecast)**

[Link to \\*Research Professional](#)

## Annual meeting travel grants

### **Society for Experimental Biology**

These support biologists who wish to attend the annual scientific

conference, which will take place in July 2018 in Florence, Italy. Grants

are worth up to £150 for travel within Italy, £250 for travel from another European country to Italy, and up to £400 from another continent to Italy.

**Closing date: 04 May 19 (Forecast)**

[Link to \\*Research Professional](#)

## Young investigator awards for PhD training

### **American Society for Bone and Mineral Research**

These cover registration and travel expenses to attend the 2018 European Calcified Tissue Society PhD training course. The awards are worth up to USD 1,800 each.

**Closing date: 04 May 19 (Forecast)**

[Link to \\*Research Professional](#)

## FAMOUS travel grants

### **American Astronomical Society**

These enable members from historically underrepresented groups to attend a society meeting. Grants are worth up to USD 1,000 each to attend a society's meeting.

**Closing date: 04 May 19 (Forecast)**

[Link to \\*Research Professional](#)

## Autumn conference bursary

### **Chartered Society of Forensic Sciences | Forensic Science Society**

This enables society members to attend the autumn conference, which will take place in November 2018, in Northampton, UK. One bursary, which includes awards dinner and accommodation for up to

two nights based on length of conference, is available.

**Closing date: 04 May 19 (Forecast)**

## Large conference grants

### **Society for the Study of Medieval Languages and Literature**

These support conferences promoting research in medieval languages and literature. Grants are worth at least £500.

**Closing date: 14 May 19 (Forecast)**

[Link to \\*Research Professional](#)

## Dawson grant

### **Society of Vertebrate Paleontology**

This supports dissertation research travel, data collection and analyses. The grant is worth up to USD 3,000.

**Closing date: 15 May 19 (Forecast)**

[Link to \\*Research Professional](#)

## Quaternary conference fund

### **Quaternary Research Association**

This assists with attendance at conferences and field meetings. Grants are typically worth up to £750.

**Closing date: 15 May 19**

[Link to \\*Research Professional](#)

---

## New research workers' awards

### **Quaternary Research Association**

These support early career researchers studying for higher degrees in quaternary science. Awards are normally worth up to £1,500.

**Closing date: 15 May 19**

[Link to \\*Research Professional](#)

---

## Postgraduate meetings awards

### **Quaternary Research Association**

These enable postgraduates to attend the Quaternary Research Association meetings. Awards normally cover 50 per cent of the cost of the meeting, excluding travel to the venue.

**Closing date: 15 May 19**

[Link to \\*Research Professional](#)

---

## Grants for symposia and work meetings

### **Swedish Childhood Cancer Foundation | Barncancerfonden**

These support the organisation of one to two day research symposia within the area of children oncology. The grant is worth up to SEK 500,000 for symposia and SEK 50,000 for work meetings.

**Closing date: 15 May 19**

[Link to \\*Research Professional](#)

---

## General grants

### **Society of Plastics Engineers Foundation**

These support programmes that benefit members of the Society of Plastics Engineers, the plastics industry or the general public. Grants support exhibits at museums, attendance at educational training courses, books and equipment for

classroom use, or the development of classroom-relevant educational programmes.

**Closing date: 15 May 19**

[Link to \\*Research Professional](#)

---

## Jackson School of Geosciences student travel grants

### **Society of Vertebrate Paleontology**

These encourage student participation in the society's annual meeting. The total budget in 2017 was USD 15,000.

**Closing date: 15 May 19 (Forecast)**

[Link to \\*Research Professional](#)

## Programme for scientists from economically developing nations

### **Society of Vertebrate Paleontology**

This enables scientists from nations with developing economies to present research in any area of vertebrate palaeontology at the society's annual meeting. Funding

may be used for transportation, lodging and meeting registration.

**Closing date: 15 May 19 (Forecast)**

[Link to \\*Research Professional](#)

## Research travel and conference grants

### **Design History Society**

These assist those who need to travel to conduct essential research for their design history scholarship or to present new research at key academic conferences. Grants are worth up to £1,000.

**Closing date: 15 May 19 (Forecast)**

[Link to \\*Research Professional](#)

## Pasold/Victoria and Albert museum research fellowship

### **Pasold Research Fund**

This enables researchers to conduct research of artefacts and archives within the Victoria and Albert museum for a period of two to four weeks. The fellowship covers travel and accommodation costs. Daily

travel is restricted to £35 and overnight accommodation to £90 per night.

**Closing date: 15 May 19 (Forecast)**

[Link to \\*Research Professional](#)

## International course on antibiotics and resistance travel awards

### **Canadian Institutes of Health Research | Instituts de Recherche en Santé du Canada**

These enable early-career scientists to attend the international course on antibiotics and resistance in France in October 2018. Three awards, worth CAD 3,300 each, are available.

**Closing date: 15 May 19 (Forecast)**  
[Link to \\*Research Professional](#)

## Policy and practice fellowships

### **National Socio-Environmental Synthesis Center**

These support individuals in travelling to and working on-site at the National Socio-Environmental Synthesis Center. Fellowships support short-term visits of less than two months.

**Closing date: 15 May 19**  
[Link to \\*Research Professional](#)

## Short-term visitors programme

### **National Socio-Environmental Synthesis Center**

This supports visits by scholars to the National Socio-Environmental Synthesis Center to work on synthesis projects. Funding covers travel to and work on-site at the Center.

**Closing date: 15 May 19**  
[Link to \\*Research Professional](#)

## J Frank Yates student travel awards

### **Psychonomic Society**

These support travel to the Society's annual meeting for graduate student members who are in underrepresented populations. Up

to five awards, worth USD 1,000 each, are available.

**Closing date: 15 May 19 (Forecast)**  
[Link to \\*Research Professional](#)

## Solomon A Berson distinguished lectureship

### **American Physiological Society**

This supports a representative within the field of endocrinology and metabolism in attending the annual society's meeting to deliver a one hour lecture on a topic of their choice. Each recipient receives USD 1,000 and up to USD 2,000 for travel and expenses to attend the meeting.

**Closing date: 18 May 19 (Forecast)**
